File No. 5031, Ordinance No. 5833 (Series of 1939).

Discussion—General.

Supervisor MacPhee asserted that he had previously voted for the pending measure on the assumption that the Board would have before it for consideration the contract for the employment of the transit expert but that he had just recently been informed that regardless of whether the Board acts on the contract or not, the Public Utilities Commission intended to go ahead with the desired employment, and if such is a fact, he did not intend to vote favorably on the measure on final passage.

Supervisor Gallagher inquired of Mr. Walker Peddicord, Deputy City Attorney, if the Public Utilities Commission could go ahead with the contract before first submitting it to the Board in view of Section

2 of the pending measure which provided that such contract must first come before the Board for approval or disapproval.

Mr. Peddicord, in reply, stated that he had heretofore informed the Board that in the event the Board decided to control the terms of the contract, there should be a contract on file in the Board at the time the appropriation for such money was being considered. However, the language in Section 2 was later added and that he had no doubt but that the Public Utilities Commission intends to submit the contract to the Board for approval. Mr. Peddicord concluded by stating that Charter provisions provide that appropriation ordinances shall confine themselves to the subject of appropriations, and that there was a question in his mind whether the appropriation can be made conditional by the insertion of the amendment.

City Controller Ross stated that the provisions of Section 2 would be administered by his office.

Supervisor MacPhee stated that the information he received from the Manager of Utilities was to the effect that the Public Utilities Commission would be in a position to go ahead with the appropriation of funds regardless of whether or not the Board of Supervisors approved or disapproved the ultimate contract, and thereupon asked the Controller if the money would be appropriated in the event that the Board is not afforded the opportunity of considering the contract.

Mr. Ross replied that pursuant to the language contained in Section 2, the Controller would certify to the availability of funds should the Board approve the contract.

Supervisor MacPhee: In view of the Controller's statement, I am satisfied and will vote for the appropriation.

Supervisor Mancuso: Mr. Ross, supposing the contract is submitted and the Board of Supervisors in its wisdom amends the contract in any manner they see fit, to the best interest of the people, and the Public Utilities Commission is not favorable to such amendments, and the City Attorney's office renders an opinion advising that under Section 22 the Public Utilities Commission is not bound by the amendments, will your office approve funds for the contract?

Mr. Ross: Insofar as the Board amending the contract is concerned, I do not think it has the power to so amend.

Supervisor Christopher: Can the Public Utilities Commission use unappropriated funds for such purpose?

Mr. Ross: Funds must first be appropriated by the Board.

It developed that Supervisor Christopher's question related to funds from other accounts which were idle and not needed for the purposes for which they were originally earmarked.

To the above the Controller asserted that his office has never approved the transfer of such funds for the purpose of hiring a traffic expert.

Supervisor Mancuso stated that the procedure whereby money is first appropriated for the employment of a transit expert and then a contract is drawn up is all wrong, and that the Public Utilities Commission should have first submitted the proposed contract and then requested the appropriation. This procedure is certainly not good business and not sound legislative form and he would accordingly vote against it.

President J. Joseph Sullivan: Supervisor MacPhee, did you have in mind the executed contract or form of the contract?

To the above, Supervisor MacPhee stated he wanted to know all about the contract, such as amount of compensation, work to be performed by the expert, the length of the contract and such other data as he may seek at the time the contract is before the Board.

There being no further discussion the roll was called and the foregoing measure was *Finally Passed* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, MacPhee, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, Mancuso, McMurray, J. Joseph Sullivan—5.

Passage for Second Reading.

Appropriating \$2,400, Park Department, for Preliminary Plans in Connection With the Extension of Kezar Stadium.

File No. 5023, Ordinance No. . . . (Series of 1939).

(In conformity with Master Plan.)

December 27, 1949—Consideration continued to January 3, 1950.

Passed for Second Reading by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

No: Supervisor Lewis—1.

Final Passage.

The following from Finance Committee without recommendation, heretofore Passed for Second Reading, were taken up:

Present: Supervisors Gallagher, Fazackerley, MacPhee.

Appropriating \$2,000, Park Department, for Installation of New Heating System in the Beach Chalet Building.

File No. 5021, Ordinance No. 5823 (Series of 1939).

Explanation of Vote.

Supervisor MacPhee stated that he was voting against the appropriation because he felt that the expense of installing the heating system should be borne by the lessee of the lease now in effect between the Park Commission and the E. P. McQuaide Post No. 1205, V.F.W.

Finally Passed by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—7.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso—4.

Appropriating \$1,425, Redevelopment Agency of San Francisco, for Increase in Compensation of the Secretary-Stenographer from \$300 to \$425 per Month for the Period November 1, 1949, to June 30, 1950, and for the Purchase of Office Equipment.

File No. 5003, Ordinance No. 5820 (Series of 1939).

Explanations of Vote.

Supervisor MacPhee stated he did not believe in granting an increase to an employee in the middle of the year whereas thousands of other city employees must wait for salary standardization time for consideration by the Board of any possible opportunity for an increase, and granting of the increase requested is not sound government and is certainly not fair play.

Supervisor Mancuso asserted that insofar as he was concerned, the granting of the increase would set a bad precedent. He was not objecting to the increase itself but rather to the procedure followed, in that it was being considered at the wrong time. Further, he was

of the opinion that the increase should have followed the pattern set forth in the salary standardization section of the Charter.

Thereupon the roll was called and the foregoing measure was *Finally Passed* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Consideration Continued.

The following recommendations of Police Committee, heretofore Passed for Second Reading, were taken up:

Present: Supervisors McMurray and Fazackerley.

File No. 4835, Ordinance No. (Series of 1939).

December 19, 1949—Consideration continued to January 3, 1950.

Supervisor MacPhee moved that consideration of the foregoing matter be continued for two weeks to permit study by the Board of an expected appropriation calling for additional employments for the Police Department. Motion seconded by Supervisor Gallagher.

No objection and motion *carried*.

Final Passage.

Amending Section 690 of the Police Code, Regulating the Placing of Advertising Matter on Poles, so as to Prohibit the Placing of Advertising Matter on Trolley and Power Poles Unless Permission Is Obtained from the Owner or Controller of Such Poles and from the Department of Public Works.

The following communication was presented and read by the Clerk:

CITY AND COUNTY OF SAN FRANCISCO
OFFICE OF CONTROLLER

January 6, 1950.

The Honorable the Board of Supervisors
City and County of San Francisco.

Attention: Mr. John R. McGrath
Clerk of the Board

Gentlemen:

This is to inform you that the recorded bonds covering the follow-

ing Supervisors for one year ending January 8, 1951, are on file in this office.

George Christopher
Don Fazackerley,
Dan Gallagher
James L. Halley
Marvin E. Lewis
Chester R. MacPhee

Edward T. Mancuso
P. J. McMurray
Dewey Mead
J. Joseph Sullivan
John J. Sullivan,

Yours very truly,

HARRY D. ROSS, Controller.

Election of President.

President J. Joseph Sullivan stated that he would entertain nominations for the office of President of the Board of Supervisors.

Supervisor Mead: I consider this an extreme pleasure to nominate a man whom I promised to nominate many months ago, providing he was successful in leading the ticket. I nominate this man not only because he lead the ticket but because I sincerely feel he is very qualified and capable of doing an outstanding job not only for this Board of Supervisors but for San Francisco.

Supervisor Mead, seconded by Supervisor Halley, moved that the name of Supervisor George Christopher to be placed in nomination.

Supervisor Mead, seconded by Supervisor Halley, moved that the nominations be closed.

No objections and motion *carried*.

The roll was called and the motion electing Supervisor Christopher as President was *carried* by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Not voting: Supervisor Christopher—1.

The President asked that Supervisors Mead and Mancuso escort the newly elected President, George Christopher, to the rostrum.

Supervisor J. Joseph Sullivan: Before I step down I would like to say a few words. Inasmuch as I entered the job with much trepidation I want to thank each of you for the fine cooperation you have given me. I do not believe that any President has received the cooperation that I have. I desire to thank the Clerk, his capable assistant, Mr. Dolan, the staff of the office and the heads of the various departments. I want you to give to Mr. Christopher the same cooperation you have given to me.

President Christopher: Thank you very much Mr. Sullivan, and you ladies and gentlemen. I first want to say that if I can fill the office of President as Supervisor Sullivan has for the past two years I will be very much elated. I want to thank Supervisor Mead for his kind words in nominating me to the office. I want to thank my colleagues for electing me president.

I want you to know that the responsibility of President will not begin when I take the gavel in hand and end when I place it down. I believe that the responsibilities are great, therefore, I will carry the responsibilities with me day and night, month in and month out. I have endeavored to appoint committees that will better serve the people of San Francisco. I have tried to leave out politics in appointing the committees.

We have to be very careful. The economy of San Francisco will have to be watched a little more carefully this year than in the past because all of the costs of our projects will have to be met. I was looking at the record and it is very surprising as to how much the

cost of government is mounting. I know that the members of the Board who have undertaken the vast responsibilities of the office of Supervisor will give great heed to the fiscal policy of the City and County of San Francisco for the coming year. With that, I thank you and announce the standing committees of the Board of Supervisors.

I know that the members of the committee will perform their job well.

Before I announce the committees it has been suggested that I perform one other pleasant task which I intended to do later. First I will present my colleagues.

President Christopher then introduced Supervisor Lewis.

Supervisor Lewis: Mr. President, my Colleagues, Distinguished Guests and Ladies and Gentlemen. First of all, George, I want to thank you from the bottom of my heart in attaining the office of President. The people of San Francisco have confidence in you, as shown by the vote that you received at the last election.

I want to thank our past president, J. Joseph Sullivan, for a job well done. I disagreed with you at times, and you also disagreed with me, but I know I speak for all the members of the Board in congratulating you on a very fine job. You have brought dignity to this Board of Supervisors.

To you, President Christopher, I offer my full cooperation as a Supervisor.

President Christopher then introduced Mrs. Marvin E. Lewis.

President Christopher then introduced Supervisor John J. Sullivan.

Supervisor John J. Sullivan: Mr. President, fellow Colleagues, Ladies and Gentlemen: I supported Supervisor Christopher for the presidency because I have confidence in him. I am certain that he will do a good job, and I pledge him my full cooperation.

The President then introduced Supervisor Mead.

Supervisor Mead. Thank you Mr. Chairman. I have already expressed my feelings towards you as the new President of the Board. I believe it will be in order to offer a motion. I have been here for a long time and I have seen many presidents come and go and I am happy to say that in all that time I have never seen a President preside over any meeting of the Board as our past president has done in the past two years, and I expect Supervisor Christopher to carry on. I can remember when literally thousands of people thought they were going to a circus when they came to a meeting of the Board of Supervisors. That was stopped because Supervisor Sullivan enforced the rules. I believe that we would be remiss in our duty if we did not officially thank him.

Supervisor Mead, seconded by Supervisor John J. Sullivan, moved that the members of the Board of Supervisors adopt a motion congratulating Supervisor J. Joseph Sullivan for the manner in which he filled the office of President of the Board of Supervisors, wishing him all the success in the world, realizing that he will continue to cooperate with the Board.

Motion carried by a rising vote.

Supervisor Christopher introduced Supervisor Halley.

Supervisor Halley: Mr. President, Fellow Colleagues, Distinguished Guests and Ladies and Gentlemen: Mr. President I wish to extend my personal congratulation on your election and I hope that in your term of office you will achieve effects that will reflect upon you. To you, Supervisor Sullivan, I congratulate you for the manner in which you conducted the office of President.

President Christopher introduced Supervisor Fazackerley.

Supervisor Fazackerley: Mr. President, Fellow Colleagues, Ladies and Gentlemen: I want to add my words of congratulations to Super-

visor Sullivan for a job well done. The Grand Jury has recognized this fact.

To Supervisor Christopher I offer my pledge for cooperation and best wishes for the continued success in his political career.

I would like to add this one thought. Two years ago I made the pledge that I would perform the duties of Supervisor to the best of my ability and I thank my colleagues for the education they have given me.

Supervisor Christopher introduced Supervisor Gallagher.

Supervisor Gallagher: Mr. President, Colleagues, Distinguished Guests, Ladies and Gentlemen: I desire to join in the sentiments expressed here in congratulating our newly elected President. I assure you that as a member of this Board you can count on my cooperation at all times.

I also want to congratulate Supervisor Sullivan for the fine job that he did as President of the Board.

Supervisor Christopher introduced Supervisor MacPhee.

Supervisor MacPhee: Mr. President, members of the Board, Distinguished Guests, Ladies and Gentlemen: I am happy to serve as a Supervisor. I believe we should look forward to all problems, try to solve them to the best of our ability. Like all other members of the Board I look back on the job that Supervisor Sullivan has done. As to you, Mr. President, I am satisfied that you will do a good job as President.

Supervisor Christopher introduced Supervisor Mancuso.

Supervisor Mancuso: Mr. President, Fellow Colleagues, Distinguished Guests, Ladies and Gentlemen: To you, President Christopher, I extend my every wish for a successful term of office. You have been a fine Supervisor and I am sure you will be a fine President. We will look to you for guidance in the next two years which, I feel, will be very important to the people of San Francisco. I hope that under your guidance we can give the people of San Francisco all the services they want without the rising cost of government itself. I want to tell the newly elected Supervisors that I am glad they are back again.

To Supervisor Sullivan I thank you for the manner in which you filled the office of President. You have finally brought decorum to the Board of Supervisors. The manner in which you presided has not only reflected on you but has given to the Board of Supervisors the respect of all of the people of the City and County of San Francisco.

Supervisor Christopher introduced Supervisor McMurray.

Supervisor McMurray: Mr. President, congratulations on your election as President of the Board. Anything I could say would only be a repetition of what has already been said. You will have all of my cooperation to make your job a success.

Supervisor Sullivan has made a fine officer.

It is a good thing that the Board remains the same. We all know each other, we understand each other. We all call them as we see them. I know that all of the members believe in San Francisco first, last and always, and I am sure that all the members of this Board are going to cooperate with our President.

Supervisor Mead: May I have the pleasure of presenting the wife of our newly elected president, Mrs. George Christopher.

Supervisor Halley: I would like to present the president's mother, Mrs. Christopher.

Supervisor Christopher: I would like to present my sisters, Beatrice, Helen and Ethel.

Standing Committees.

President Christopher then announced the Standing Committees of the Board as follows:

Commercial and Industrial Development Committee: Supervisors McMurray, Halley, MacPhee.

County, State and National Affairs Committee: Supervisors Gallagher, Fazackerley, Mancuso, Mead, John J. Sullivan.

Consideration Continued.

Taken Up Out of Order.

Supervisor Lewis, seconded by Supervisor Mead, moved that the report of County, State and National Affairs Committee on local FEPC be taken up out of order.

Supervisor Fazackerley thereupon presented, as a recommendation of the County, State and National Affairs Committee, with Supervisor Lewis dissenting, a "Report on the Mayor's Committee of Human Relations Report on Fair Employment Practices," which was read by the Clerk.

Supervisor Lewis stated that he desired the records to show that the committee report is a majority report and that he dissented and would file a minority report in two or three days.

Supervisor Fazackerley remarked that a resolution has been prepared for action, separate from the adoption of the report. He then explained how the report was prepared and why the majority of the committee was of the opinion that it should be approved.

Supervisor Fazackerley, seconded by Supervisor MacPhee, moved that the Board adopt the report of the Committee on County, State and National Affairs in connection with FEPC legislation.

Point of Order.

Supervisor Lewis rose to a point of order. The Board of Supervisors has no jurisdiction to vote on a report. The Charter very expressly recites that the only way that this Board can act is by resolution or by ordinance.

The Chair ruled that this is a report in which the Committee asks concurrence of the Board. The report is before us for a vote of the Board.

Supervisor MacPhee remarked that he believed that the Board individually should have the right to concur or oppose.

Motion to Postpone.

Supervisor Lewis explained that he was preparing a minority report and he did not believe that the Board should vote on the majority report until he had had an opportunity to present his minority report.

Supervisor Lewis, seconded by Supervisor J. Joseph Sullivan, moved that the matter of the Board voting on the majority report be postponed for a period of two weeks.

Discussion.

Supervisor Mead, in explaining his vote, stated that the request made by Supervisor Lewis was a courtesy request extended to all members of the Board. Believe that the matter should be postponed.

Supervisor Fazackerley, speaking against the motion, said that the Board should not go along with Supervisor Lewis' motion because Supervisor Lewis did not explain that the matter of a recommendation was discussed many times in Committee. The other members of the Committee are in full accord with the report. Supervisor Lewis was given an opportunity to discuss the report but he said flatly that the only thing he was interested in was enacting the FEPC ordinance.

Supervisor Gallagher stated that he believed that the resolution should be put before the Board for action.

The Chair ruled that the resolution was not yet before the Board.

Approval of Motion.

The roll was called and the motion to postpone was *approved* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Fazackerley, MacPhee, Mancuso—3.

Urging Governor Warren to Include Equal Employment Survey Commission in Special Session Call and Urging Legislature to Create and Finance Such a Commission.

Recommendation of County, State and National Affairs Committee, Supervisor Lewis dissenting:

File No. 4636, Resolution No. . . . (Series of 1939).

Point of Order.

Supervisor J. Joseph Sullivan rose to a point of order. We have a report of a committee consisting of several components on one subject. In it are certain recommendations. My belief is that the document is the majority of the members. I believe that the entire matter went over for two weeks.

The Chair ruled the point of order not well taken.

Motion to Postpone.

Supervisor Fazackerley, seconded by Supervisor J. Joseph Sullivan, moved that the matter be postponed for two weeks.

Motion *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Halley, Lewis, MacPhee, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Noes: Supervisors Gallagher, Mancuso—2.

Called from Committee.

Supervisor Lewis requested that the FEPC ordinance be taken from committee and that the Clerk place it on the calendar for the Board's meeting on Monday, January 23, 1950.

Supervisor Lewis *withdrew his request.*

Supervisor MacPhee, seconded by Supervisor Lewis, moved that the matter of the ordinance on local FEPC that is in committee be properly before the Board two weeks from today.

No objections and motion *carried.*

Adopted.

Authorizing Sale at Public Auction of All Buildings Now Owned by the City and County in Connection With the Extension of Kezar Stadium, and Not Needed for Municipal Purposes.

File No. 5103, Resolution No. 9449 (Series of 1939).

Motion to Amend.

Supervisor Mancuso, seconded by Supervisor MacPhee, moved that the legislation be amended by deleting the following words "or hereafter acquired."

No objections and motion *carried.*

Adoption.

Thereupon the roll was called and the proposed resolution as amended, the title of which as printed above, was *adopted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—9.

Noes: Supervisors Lewis, J. Joseph Sullivan—2.

Authorizing Attendance of General Manager of the Municipal Railway at Conference of American Transit Association to Be Held in Los Angeles on January 13, 1950.

Discussion.

After statements by Chief of Police Michael E. Mitchell, Supervisor MacPhee inquired of the Civil Service Commission as to whether or not a survey had been made as to the need for the additional police personnel.

Mrs. Dolen, representing the Civil Service Commission, stated that the Civil Service Commission made a mathematical computation as to the number of men it would require to convert the Police Department from a 44-hour to a 40-hour week.

Supervisor J. Joseph Sullivan inquired of the City Attorney as to whether or not it was a fact that police officers, that is, lieutenants, sergeants and captains, are police officers in connection with Section 35.5 of the Charter.

Mr. Walker Peddicord, Deputy City Attorney, informed the Board that a legal opinion was rendered on this particular matter last January. The language in the present Charter is taken from an old Charter which referred to Q2 policemen in one section, and other sections for sergeants, lieutenants, etc. It was our opinion that the present Charter language deals only with Q2 policemen.

Request for Legal Opinion.

Supervisor J. Joseph Sullivan requested that the City Attorney submit a legal opinion as to whether or not this Board legally can grant requests of the Chief of Police made today, in connection with additional police personnel consisting of 122 Q2 Policemen, 17 Q50 Sergeants and 10 Inspectors, in view of the Charter limitation contained in Section 35.5 which specifies that "The police force of the city and county shall not exceed one police officer for each 500 inhabitants thereof," and if not, what is the maximum amount that can be granted by this Board.

So ordered.

Request for Information.

Supervisor J. Joseph Sullivan requested that the Chief of Police supply information as to the difference in the crime rate during the war years and the post-war years.

So ordered.

Supervisor Lewis requested that the Chief of Police also inform the Board as to whether or not he was able to cope with the crime rate during the war years with the number of policemen he then had.

So ordered.

Motion to Postpone.

Supervisor Fazackerley, seconded by Supervisor J. Joseph Sullivan, moved that the Board postpone action on this matter until the Chief of Police can supply the information, consideration should be continued for one week.

Discussion.

Supervisor John J. Sullivan, explaining his vote, stated that he would vote against postponement because in his opinion when the Police Department say they need so many men they need them.

Supervisor Lewis, explaining his vote, remarked that he would vote against postponement because he had confidence in the Chief of Police and believed that it is the duty of the Board to give him the men he wants.

Supervisor J. Joseph Sullivan, explaining his vote, stated that he did not believe that the Board should act upon this matter until it receives the desired information from the City Attorney.

Thereupon the roll was called and the motion to postpone was defeated by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Discussion.

Supervisor J. Joseph Sullivan inquired of Controller Ross as to whether or not in view of the statements today, if the appropriation is passed, would he honor the request for pay.

Mr. Ross replied that he had received an opinion from the City Attorney and had been informed that the Charter language is directed just to Q2 Policemen. He would approve the payrolls.

Consideration Re Repeal of Tow-Car Ordinance.

Supervisor Gallagher moved the suspension of the rules for the purpose of considering the following calendar measure out of order. Motion seconded by Supervisor MacPhee.

No objection and motion carried.

The following recommendation of Police Committee was taken up:

Present: Supervisors Mead, Gallagher, Lewis (Supervisor Lewis dissenting).

Amending Section 159, Article 9, Chapter XI, Part II of the San Francisco Municipal Code, by Deleting Authorization for Removal of Vehicles from Highways When Such Vehicle Is Left Standing Upon the Highway in an Unusual Position and Which Obstructs the Normal Movement of Traffic Thereon; and by Deleting the Authorization for a Police Officer to Summon a Tow Car from the Operator Designated by the Purchaser of Supplies for the Zone Approved by the Police Commission.

File No. 5017, Ordinance No. . . . (Series of 1939).

Statements by Supervisors.

Supervisor Mead ventured the opinion that he questioned very much the power of the Police Department to delegate authority to private concerns to remove private automobiles from the public streets, and that the people of San Francisco were very much perturbed over the situation. Supervisor Mead concluded by stating that he had no axe to grind but that something else must be tried in lieu of the present tow-away measure.

Supervisor Lewis also asserted that he questioned the power of the Police Department to delegate authority to tow away cars and that in effect the existing measure was clubbing the motorist over the head without benefit of his day in court. Supervisor Lewis stated he was glad to learn of an agreement between municipal judges respecting tightening of regulations prohibiting the fixing of parking tickets, and that in the interest of fair play, in the interest of the good will that is being lost by San Francisco, in the interest of its citizens who are the major victims, the obnoxious tow-car measure should be repealed.

Suspension of Rules.

Supervisor Lewis moved the suspension of the rules for the purpose of hearing from Sgt. Murray on the matter. Motion seconded by Supervisor John J. Sullivan.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, McMurray, Mead, John J. Sullivan—9.

Noes: Supervisors Mancuso, J. Joseph Sullivan—2.

Statement by Sgt. Murray.

Sergeant Murray of the Police Department asserted that any person whose car has been towed away has the right to appear in court and have his case adjudicated.

To a query from Supervisor Lewis as to why no stopping regulations were invoked on Geary Street, Sgt. Murray stated that if such

legislation were in effect in that area, the towing away of cars would seriously hamper the street car service.

To a question by Supervisor Lewis if the Police Department had occasion to tow away cars parked on grades, Sgt. Murray replied that under Section 585 of the State Vehicle Code, the Police Department had the right and has towed away cars parked on grades. Sgt. Murray concluded by asserting that if the tow-car ordinance were repealed, it would seriously interfere with the traffic situation in the downtown area.

Statements by Supervisors.

Supervisor Gallagher recited statistics gathered from the Director of Traffic, relating to the number of cars towed away during the period of several months, separated into local cars, those outside the city and outside the state. The report clearly demonstrated the need for the tow car measure as its use assisted quite materially in maintaining a steady flow of traffic. Supervisor Gallagher acknowledged that police officers hadn't used the ultimate of consideration in many instances and stressed the importance of attempting to use such discretion when the occasion warranted, as in the cases of persons visiting their doctors.

Supervisor McMurray stated that the tow-car measure is bad legislation regardless of whether other communities have similar laws or not. He stated that he voted for the original enactment of the measure, believing that it would do a lot of good, but since that time, he has come to the conclusion that its repeal is in order.

Supervisor Fazackerley stated in checking the file, he has come to the conclusion that the violators of the measure are those who are seeking its repeal. The measure should be rejected and then possibly amendments should be made to the existing law.

Supervisor John J. Sullivan ventured the opinion that the \$2.50 charge required to place the towed-away car on the ground should be eliminated.

Motion to Re-refer to Committee.

At this point Supervisor John J. Sullivan moved, seconded by Supervisor Fazackerley, that the subject-measure be re-referred to Police Committee for further study.

Queries Directed to Sgt. Murray.

Supervisor MacPhee asked Sgt. Murray if the Police Department was contemplating the use of larger signs in tow-away areas, to which Sgt. Murray replied that such was the case.

Supervisor MacPhee asked the sergeant if the location to which the towed-away car would be taken could be placed on the sign, to which Sgt. Murray replied that such was being contemplated.

Supervisor MacPhee stated that thousands of San Francisco citizens are able to move in the downtown area due to the provisions of the present tow-car ordinance and that the Board should wait until the new plan of the Police Department has had a chance to work before consideration is given to the repeal of the existing law.

Supervisor Lewis emphasized the fact that large sums of money are being spent on traffic signs and large sums will undoubtedly be spent in the future, but suppose the courts should declare the present law unconstitutional, then what? There is no doubt but that any suit attacking the constitutionality of the existing legislation would take some time, possibly three years to adjudicate, and in the meantime thousands upon thousands of dollars may be spent on traffic signs. Therefore, in the interest of fair play, the present law should be repealed. How about the law that permits the Police Department to remove cars from grades—Section 585 of the Vehicle Code? If this is a fact, what's the sense of the Board enacting legislation prohibiting stopping between 4 and 6 p. m.?

Point of Order.

At this point Supervisor Gallagher rose to a point of order, contending that Supervisor Lewis was straying from the subject.

The President ruled the point of order well taken.

Statements by Other Supervisors.

Supervisor Mancuso stated that in his opinion it would be ridiculous to re-refer the matter to committee and that it should be voted upon one way or the other. If the ordinance is not repealed, it should be remanded to committee for possible amendments.

Supervisor Halley echoed the views of Supervisor Mancuso.

At this point President George Christopher relinquished the Chair in favor of Supervisor Lewis, for the purpose of speaking on the subject.

Supervisor Christopher asserted that in his opinion the tow-car ordinance has assisted, to some extent, in clearing up the streets, and that he was suggesting the following steps to the Police Department in an effort to ameliorate a situation which has already drawn vehement complaints in many instances:

1. Larger and more legible signs should be installed designating the tow-away area.
2. Establishment of a central location where one can readily go and retrieve his car.
3. Signs indicating tow-away area should contain location where party may retrieve his car.
4. Eliminate service charge to car owners.

Supervisor Christopher stated that he desired a two-weeks' postponement of Board action on the measure to repeal, and during the interim, the foregoing suggestions could be transmitted to the Police Department with the request that they be carefully studied with a view of adoption.

Accordingly, Supervisor Christopher moved, seconded by Supervisor John J. Sullivan, that consideration of the pending measure be deferred for a period of two weeks, and that the foregoing suggestions be dispatched to the Police Commission for possible adoption.

Suggestion by the Mayor.

At this point, his Honor, Mayor Robinson, suggested that with respect to a central location where parties may get their cars, it would be more expeditious to have locations established in various districts, so that a party whose car is towed away, say in the Sunset District, wouldn't have to go to, say, Fifteenth and Mission, to retrieve his car.

Supervisor Mancuso asserted that the suggestions of Supervisor Christopher should be referred to committee.

Motion to Defer—Lost.

Thereupon the roll was called on Supervisor Christopher's motion to defer consideration for two weeks, and it *lost* by the following vote:

Ayes: Supervisors Christopher, MacPhee, John J. Sullivan—3.

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, J. Joseph Sullivan—8.

Refused Passage for Second Reading.

The roll was then called on the pending measure, and it was *refused passage for second reading* by the following vote:

Ayes: Supervisors Christopher, Lewis, McMurray, Mead—4.

Noes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—7.

SPECIAL ORDER—3:00 P. M.**Reference to Committee.****Report from Recreation Commission Relative to Progress of Recreation Bond Program.**

(Pursuant to motion of Supervisor Lewis made in Board meeting of January 9, 1950.)

Discussion.

Supervisor Lewis, who initiated the foregoing request, let it be known that he was in no way criticizing the Recreation Commission in any manner, but was merely seeking advice from that body with respect to the status of the recreation bond fund and what was being done or contemplated being done respecting the construction of baseball fields, soccer fields, clubhouses, playgrounds and other forms of recreation; that he had received numerous inquiries from improvement clubs seeking similar information and that he merely wanted to be brought up to date on the subject.

Miss Josephine D. Randall, Superintendent of the Recreation Department, proceeded to enlighten the Board on the progress of the bond fund, advising that the various improvement clubs had already received information relative to the intended use of the bond money. At the present time plans call for athletic expansion in the Crocker-Amazon area, much of which was taken over during the war. There is one very good soccer field and others are in the planning stage. Thirty-one diamonds are planned as well as soccer fields. A baseball diamond is planned in the Silver Terrace area, two at the Sunset Community Center and one at Merced. Two baseball diamonds are planned at Ocean View.

Point of Order.

At this point Supervisor Mancuso rose to a point of order, contending that the discussion did not belong before the Board when so many other important matters were on the agenda, and that if Supervisor Lewis wanted certain information, he knew where to get it.

Point of order not ruled upon.

Suggestion by His Honor the Mayor.

His Honor, Mayor Elmer E. Robinson, suggested that if the Board members so expressed a desire, he would be happy to supply each of them with a copy of the Recreation Commission's report on its recreational commitments, and should additional information be sought, he would also be happy to attempt to secure it for them.

Motion to Commit—Carried.

Thereupon Supervisor MacPhee moved, seconded by Supervisor Mancuso, that the subject-matter be referred to the Education, Parks and Recreation Committee.

Supervisor Mead objected, contending that Miss Randall had been in attendance for a goodly part of the afternoon and should be permitted to finish her report.

Thereupon the roll was called and the motion to commit *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Lewis, McMurray, Mead—3.

Referred to the Education, Parks and Recreation Committee.

**Resumption of Consideration of Communication from Milton Marks,
Attorney-at-Law, Re Salary Standardization Data.**

Committee of the Whole.

Supervisor Lewis moved, seconded by Supervisor Halley, that the Board resolve itself into a Committee of the Whole.

No objection and motion carried.

Supervisor Lewis moved, seconded by Supervisor Halley, that the President of the Board act as Chairman of the Committee of the Whole.

No objection and motion carried.

Privilege of the Floor.

The privilege of the floor was extended to Milton Marks, Attorney-at-law, who gave a concise and full explanation of his communication wherein it was clearly pointed out that despite the Superior Court edict recently issued by Judge Lile T. Jacks, ordering that the salary standardization data being held in the office of the Civil Service Commission, be made available to him, said data has not been so made available; in fact, the Civil Service Commission has just filed a petition for a Writ of Prohibition in the District Court of Appeals, seeking to have that body lay aside the ruling of Judge Jacks.

Mr. Marks attempted to point out to the Board that it was the members of the Board who in effect were saying that they were not only denying certain employees justifiable salary increases but were also denying to the employees' representative the opportunity of attempting to find out why. Mr. Marks further pointed out that by the filing of such writ, the Board was condoning the secrecy that apparently was being openly manifested by Mr. Henderson of the Civil Service Commission.

Mr. Marks concluded his opening remarks by requesting that the Board give appropriate instructions to the effect that it does not intend to bar the affected employees from access to the necessary records; that the Board instruct the City Attorney to file an opposition to the Petition for a Writ of Prohibition so that the order of Judge Jacks may be enforced; and that the Board, pursuant to the power vested in it by Section 21 of the Charter, subpoena the records now in the possession of the Civil Service Commission and to make such data available for inspection.

His Honor, Mayor Elmer E. Robinson, informed the Board members that he was investigating the matter and would like additional time to continue such investigation. He stated that he was opposed to secrecy of public records, contending that unless the law makes information a secret, it belongs to the public.

The Mayor stated he was not afraid to take a stand on the matter of policy when he had been fully informed but that he thought it unfair for either the Mayor or the Board of Supervisors to be placed in a position of taking a stand without first being fully informed.

The Mayor concluded his statement by requesting that Mr. Marks and the City Attorney keep the matter in status quo until he has had a further opportunity of exploring it.

Mr. William L. Henderson, Executive Secretary and Personnel Director of the Civil Service Commission, explained his stand in the matter, contending that over two hundred firms had furnished the Commission with salary standardization data in the past and that many of them have told him that they would refuse to furnish such data in the future if an attempt were made to make such data available to the public.

Supervisor Mancuso: Supposing the firms refused to give you the information, haven't you the power of subpoena to obtain the information?

Mr. Henderson: I do not believe the Civil Service Commission has the right to subpoena records from private employers.

Mr. Henderson concluded his statement by stating that the Civil Service Commission had been warned by some of the firms that if their data, which had been pledged to secrecy, were made available to the public, said Commission would be held civilly liable; and that since the information had been obtained in the first place in good faith, Mr. Henderson asserted, he could do nothing but keep the pledge of secrecy. Further, the Commission had no choice but to file a petition of writ of prohibition against the order of Judge Jacks to insure keeping the pledge made to the various employers.

Query of Supervisor McMurray.

Supervisor McMurray: If I ask for the records from Mr. Henderson, could he refuse to give them to me?

Mr. Walker Peddicord, Deputy City Attorney: Section 21 of the Charter outlines procedure for the Board of Supervisors with respect to requesting information and reports from departments but does not refer to an individual in that regard.

Supervisor McMurray: If Mr. Henderson gave me the records, could I turn them over to Mr. Marks?

Mr. Peddicord: There is nothing that would prevent your doing so.

Query of Supervisor MacPhee.

Supervisor MacPhee inquired if it were not possible to hold the entire matter in status quo until the Mayor has had an opportunity of fully exploring the problem.

Motion to Defer Consideration.

After further discussion, Supervisor J. Joseph Sullivan moved, seconded by Supervisor Gallagher, that consideration of the entire matter be deferred for a period of two weeks to permit the mayor to ascertain all of the facts.

The suggestion was likewise made to Mr. Marks that he go ahead and file his opposition to the petition for a writ of prohibition.

Thereupon the roll was called on the motion to defer, and it *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, J. Joseph Sullivan—6.

Noes: Supervisors Lewis, Mancuso, McMurray, Mead, John J. Sullivan—5.

MONDAY, JANUARY 23, 1950—2:00 P. M.

In Board of Supervisors, San Francisco, Monday, January 23, 1950—2:00 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Quorum present.

President George Christopher presiding.

Communications.

Presented by the Clerk, telegram from Vivian Lee and Gloria Gilliam favoring passage of F.E.P.C. measure.

Ordered filed.

From the Manager of Utilities, Public Utilities Commission, supplying additional information regarding the appropriation in connection with the proposed Lake Merced Pumping Station.

Ordered filed.

Consideration of Matter Out of Order.

Supervisor Lewis moved suspension of the rules for the purpose of considering out of order the proposals on the Calendar relating to Equal Employment Opportunity. Motion seconded by Supervisor Gallagher.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, J. Joseph Sullivan, John J. Sullivan—10.

No: Supervisor Mead—1.

Thereupon the Clerk read the first of such proposals—a motion by Supervisor Fazackerley, seconded by Supervisor MacPhee, made on January 9, 1950, for the adoption of the report of the Committee on County, State and National Affairs in connection with the proposal of the Mayor's Committee on Human Relations for the establishment of a Municipal Commission of Equal Employment Opportunity.

Statement by Supervisor Fazackerley.

Supervisor Fazackerley made a brief statement indicating the scope of the deliberations of the Committee on County, State and National Affairs in connection with the report and recommendations of the Mayor's Committee on Human Relations on the subject of Equal Employment Opportunity.

Motion.

Supervisor Fazackerley, seconded by Supervisor Mancuso, moved to file the report of the Committee on County, State and National Affairs offered for adoption on January 9, 1950, and to adopt as a substitute therefor, the following resolution recommended by the Committee on County, State and National Affairs:

Adopting Certain Recommendations in Connection With Discrimination in Employment.

File No. 4636, Resolution No. . . . (Series of 1939).

Substitute.

As a substitute for the foregoing motion, Supervisor Lewis, seconded by Supervisor McMurray, moved consideration of the following measure, which had been called from committee by him on January 16, 1950.

An Ordinance Prohibiting Discriminatory Practices in Employment Because of Race, Color, Religion, National Origin, or Ancestry by Employers, Employment Agencies, Labor Organizations and Others; Creating a Commission on Equal Employment Opportunity and Describing Its Duties and Powers Generally; and Providing Penalties for the Violation of This Ordinance.

File No. 4636, Ordinance No. . . . (Series of 1939).

No objection and motion *carried*.

Request to Present Minority Report.

Supervisor Lewis requested the privilege of presenting his minority report, to which request no objection was made.

Motion and Substitute Withdrawn.

To clarify the parliamentary situation and to permit Supervisor Lewis to present his minority report, the Chair requested that with the consent of their seconds and the Board, the motions of Supervisor Lewis and Supervisor Fazackerley, then pending, be withdrawn.

With the consent of their seconds and the consent of the Board the pending motions of Supervisors Lewis and Fazackerley were, by them, withdrawn.

Presentation of Minority Report.

Supervisor Lewis thereupon presented the minority report. Upon completion of the reading thereof by Supervisor Lewis, the President ordered said minority report *filed as read*.

Motion to File Committee Report and to Adopt Substitute Therefor.

Supervisor Fazackerley, seconded by Supervisor Halley, renewed the motion to file the report of the Committee on County, State and National Affairs and to adopt as a substitute therefor, the proposed resolution recommended by the Committee on County, State and National Affairs entitled, "Adopting Certain Recommendations in Connection With Discrimination in Employment."

Substitute.

Supervisor Lewis, seconded by Supervisor McMurray, moved as a substitute, that the proposed ordinance prohibiting discriminatory practices in employment and creating a Commission on Equal Employment Opportunity, be considered prior to consideration of the proposed resolution recommended by the Committee on County, State and National Affairs for adoption.

Supervisor Lewis stated that it was his intention to move certain amendments to the proposed ordinance referred to.

Point of Order.

Supervisor Mancuso rose to a point of order, contending that the introduction of amendments is not in order until the substitute motion by Supervisor Lewis had been acted upon.

The President ruled the point of order not well taken, and thereupon announced that it would be in order to move amendments to the proposed ordinance.

Amendment.

Supervisor Lewis moved, seconded by Supervisor McMurray, that the Fair Employment Practices Measure, File No. 4636, be amended by deleting therefrom Section 1, "Findings and Declaration of Policy," and that the remainder of the sections of the measure be numbered accordingly.

Query by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan: Has the City Attorney reviewed this measure and approved it as to form and legality? If so, is it necessary for such an ordinance to contain a preamble setting forth its purpose?

Mr. Peddicord, Deputy City Attorney: This measure has not been referred to the City Attorney for approval. Mr. Peddicord stated further that in his opinion it is not necessary to make such finding as is set forth in the preamble, as a basis for such action, under the police power, as is proposed by the terms of the measure.

Point of Order.

Supervisor Mancuso rose to a point of order, contending, again, that amendments to the measure could not be considered until the Board had acted upon the motion of Supervisor Lewis for consideration of the proposed ordinance as a substitute for the proposed resolution presented for adoption by Supervisor Fazackerley as a recommendation of the Committee on County, State and National Affairs.

The President ruled the point of order not well taken.

Point of Order.

Supervisor Gallagher rose to a point of order contending that pursuant to the provisions of the Charter requiring approval of ordinances as to form, by the City Attorney, the pending Fair Employment Practices measure could not be passed today because it was not approved as to form.

Query by President.

The President inquired of Mr. Peddicord whether the proposed ordinance could be passed for second reading today and be approved by the City Attorney as to form in the interim between passage to second reading and final passage.

The City Attorney's representative responded that according to an opinion formerly rendered by the City Attorney, such procedure is proper.

The President then ruled Supervisor Gallagher's point of order out of order.

Adoption of Amendment.

Thereupon the roll was called and the amendment presented by Supervisor Lewis and seconded by Supervisor McMurray was carried by the following vote:

Ayes: Supervisors Christopher, Gallagher, Lewis, McMurray, Mead, J. Joseph Sullivan—6.

Noes: Supervisors Fazackerley, Halley, MacPhee, Mancuso, John J. Sullivan—5.

Amendment.

Supervisor Lewis moved that the proposed Fair Employment Practices measure, File No. 4636, be amended by deleting therefrom the last sentence of subdivision "d" in Section 6, reading as follows: "When the Commission finds that such person has committed further unfair employment practices subsequent to such a finding, and a final judgment from an appropriate court shall have been obtained assessing a penalty provided in Section 7 for such further unfair employment practices, it shall be mandatory for the agency of the City and County which granted such privilege or license or licenses to suspend it or them for one (1) year." Motion seconded by Supervisor McMurray.

Motion to amend *carried* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Lewis, McMurray, Mead, J. Joseph Sullivan—6.

Noes: Supervisors Fazackerley, Halley, MacPhee, Mancuso, John J. Sullivan—5.

Amendment.

Supervisor Lewis moved that the Fair Employment Practices measure, File No. 4636, be amended by adding an additional section thereto, to be designated Section 8, reading as follows:

"Section 8. *Duration.* This ordinance shall continue in force for a period of fifteen months from and after its effective date, unless sooner amended or repealed." Motion seconded by Supervisor McMurray.

Motion *carried* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Lewis, McMurray, Mead, J. Joseph Sullivan—6.

Noes: Supervisors Fazackerley, Halley, MacPhee, Mancuso, John J. Sullivan—5.

Statement by Supervisor Fazackerley.

Supervisor Fazackerley: I do not propose that the Board should delay the matter in any way by my answering the many charges and implications contained in Supervisor Lewis' report. The report of the committee stated this question was studied very carefully and very honestly and there is no question in the minds of those members of the committee affecting the civil rights of our citizens. The question resolves itself as to whether the F.E.P.C. law is justified and needed at this time. The recommendation of the committee for a voluntary plan strikes at those parts suggestive of discriminations. I do not believe hasty action should be taken at this time and that a proper study of the ordinance should be undertaken.

Statement by Supervisor Mead.

Supervisor Mead stated that he believed in giving all people a fair shake, although a fair shake has not always been handed to him by other people. He commented on the fact that when he approached the City Hall today he noticed a picket line in front of the building, but that it was not a union picket line because all the signs being displayed were non-union signs. The Supervisor urged that those supporting the measure get rid of any Communists in their midst and suggested that those people of communistic tendencies who did not like the country to "get the hell out of it." Were it not for the fact that he believed that all men were born equal, he would not vote for the proposed measure, and that as far as the communists were concerned, he needed their vote as much as he needed a hole in his head, and concluded his statement by admonishing those interested in the success of the measure, to prohibit the infiltration of any communistic propaganda that would tend to destroy the benefits that have been gained.

Telegram Read by the Clerk.

Supervisor Lewis requested, and the Clerk read a telegram from Charles V. Carr, member of the Cleveland City Council, supplying information regarding the status of a Fair Employment Practices measure in that community.

Motion to Defer Consideration.

Supervisor Lewis moved that consideration of the pending measure be deferred until Wednesday, February 1st, at the hour of 2:00 p. m., and that at such time the Board resolve itself into a committee of the whole for the purpose of hearing from interested citizens. Motion seconded by Supervisor McMurray.

Substitute Motion.

Supervisor Gallagher moved as a substitute that the subject-matter be referred to the Judiciary Committee. Motion seconded by Supervisor J. Joseph Sullivan.

Statement by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan stated that he had spent an entire week end studying the pending measure and that he noted many things of which he did not approve. He suggested that it be remanded to the Judiciary Committee for the purpose of preparing a measure that would stand the test of legality.

Explanation of Vote.

Supervisor Mead stated insofar as he was concerned he was against sending the matter to committee in view of the fact that a good portion of the afternoon has been allotted to consideration of the measure and to refer it to committee would again entail more time in the discussion of it when it came before the Board.

Motion to Refer to Committee—Lost.

Thereupon the roll was called and Supervisor Gallagher's substitute motion lost by the following vote:

Ayes: Supervisors Gallagher, Halley, J. Joseph Sullivan—3.

Noes: Supervisors Christopher, Fazackerley, Lewis, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—8.

Explanations of Votes.

Supervisor Fazackerley stated that the subject matter has had four months of committee hearings. Over one hundred organizations showed interest for or against the measure. The Committee finally got out its report with four members in favor and one dissenting, and if the Board intended to delay action on the measure by temporarily deferring action on it, he would insist on again hearing from all persons interested.

Supervisor Halley stated he believed that a fair hearing was held and that further delay would be entirely unnecessary.

Supervisor Mancuso stated that he was now ready to vote upon the measure.

Motion to Defer Consideration—Lost.

Thereupon the roll was called and Supervisor Lewis' motion to defer consideration lost by the following vote:

Ayes: Supervisors Lewis, McMurray, John J. Sullivan—3.

Noes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan—8.

Motion to Defer Consideration—Lost.

Supervisor Lewis moved that consideration of the pending measure be continued for a period of one week.

At this point Supervisor John J. Sullivan stated he would not be available next Monday; accordingly, Supervisor Lewis moved that consideration be continued for a period of two weeks. Motion seconded by Supervisor McMurray.

Statement by Supervisor MacPhee.

Supervisor MacPhee: I believe in taking the recommendations of the committee. What they are proposing are steps in the right direction. I believe the acts of the committee were fair. People were given ample opportunity of presenting their views. A great many of the communications I received were from people who were fair. There are always a few who advocate tolerance but who are unwilling to extend any.

Supervisor Halley: I attended various meetings of the committee and found them entirely unprejudiced. I shall support the stand of the committee.

Motion to Defer Consideration—Lost.

Thereupon the roll was called and Supervisor Lewis' motion to defer consideration for a period of two weeks, *lost* by the following vote:

Ayes: Supervisors Lewis, McMurray, J. Joseph Sullivan—3.

Noes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, John J. Sullivan—8.

Passage for Second Reading Refused.

The roll was then called on the Fair Employment Practices measure, as amended, and it was *refused passage for second reading* by the following vote:

Ayes: Supervisors Christopher, Lewis, McMurray, Mead—4.

Noes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—7.

Motion to Reconsider.

Before the roll call was announced on the foregoing, Supervisor Lewis changed his vote from "Aye" to "No" and moved reconsideration. Motion seconded by Supervisor Mead.

The vote then stood:

Ayes: Supervisors Christopher, McMurray, Mead—3.

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—8.

Statement by the President of the Board.

Supervisor Fazackerley expressed dissatisfaction with the disposition of his committee's report, whereupon the President of the Board informed him that "the present ordinance of Mr. Lewis is a substitute for the original measure presented by Supervisor Fazackerley. On reconsideration, all consideration has been suspended until a vote has been taken on reconsideration."

Motion on Immediate Reconsideration.

Supervisor Mancuso moved, seconded by Supervisor John J. Sullivan, suspension of the rules for the purpose of immediate reconsideration of the action by which the proposed Fair Employment Practices ordinance was refused passage to second reading.

Statements by Supervisors.

Supervisor Mead asserted that such a parliamentary action was rather crude in view of the fact that a motion had been made to reconsider, and in further view of the fact that the hundreds of people who have already left the chambers, are under the impression that the Board would have the matter before it next Monday.

Supervisor Fazackerley stated that he was joining with other members of the Board to have the pending motion withdrawn.

Supervisor Mancuso insisted that there was no sense in withdrawing his motion, because the Board would not be in possession of any information concerning it by next Monday other than that which they have now and as far as he was concerned, he was ready to vote for the measure today.

Supervisor MacPhee stated that since certain members of the Board desired to look into the matter of possible amendments, he would vote against immediate reconsideration.

Motion Withdrawn.

At this point, there being no objection, Supervisor Mancuso withdrew his motion for the suspension of the rules for the purpose of immediate consideration of the action by which the proposed Fair Employment Practices ordinance was refused passage to second reading.

Thereupon, vote on Supervisor Lewis' motion for reconsideration was deferred until the next regular meeting of the Board, pursuant to the provisions of the Rules of Proceedings of the Board of Supervisors.

Consideration Continued.

The following recommendation of County, State and National Affairs Committee was taken up:

Present: Supervisors Fazackerley, Gallagher, Lewis, MacPhee, Mancuso. (*Supervisor Lewis dissenting.*)

Resolution Urging Governor Warren to Include Equal Employment Opportunity Survey Commission in Special Session Call, and Urging Legislature to Create and Finance Such a Commission.

File No. 4636, Resolution No. . . . (Series of 1939).

January 9, 1950—Consideration continued to January 23, 1950.

Supervisor Fazackerley moved, seconded by Supervisor Halley, that consideration of the foregoing be continued for one week.

No objection and motion *carried*.

SPECIAL ORDER—2:00 P. M.

The following from the Streets Committee with recommendation that the protest be denied was taken up:

UNFINISHED BUSINESS.**Reference to Committee—Reconsideration.**

On Monday, January 23, 1950, File No. 4636, a proposed ordinance prohibiting discriminatory practices in employment and providing for the establishment of a municipal commission of equal employment opportunity, having been called out of committee by Supervisor Lewis, was presented, as a substitute for a resolution recommended by the Committee on County, State and National Affairs "Adopting Certain Recommendations in Connection With Discrimination in Employment" and the proposed ordinance referred to was refused passage to second reading by the following vote:

Ayes: Supervisors Christopher, Lewis, McMurray, Mead—4.

Noes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—7.

Absent: None.

Before the vote was announced, Supervisor Lewis changed his vote from Aye to No and moved reconsideration. Motion seconded by Supervisor Mead.

The vote then stood:

Ayes: Supervisors Christopher, McMurray, Mead—3.

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—8.

Absent: None.

Motion to Withdraw Motion to Reconsider.

Supervisor Lewis moved that his motion to reconsider the action of the Board wherein it has refused passage for second reading an ordinance prohibiting discriminatory practices in employment and providing for the establishment of a Municipal Commission of equal employment opportunity, which was made and carried at the last regular meeting of the Board, be withdrawn.

Point of Order.

Supervisor Mead rose to a point of order, contending that the motion to withdraw requires a second, and there has been no second.

Before the President could rule on the point of order, Supervisor McMurray seconded the motion, which action was recognized by the Chair.

Explanation.

Supervisor Lewis began an explanation for the making of such motion, asserting that at the last meeting of the Board, Supervisor J. Joseph Sullivan cast a "no" vote on the measure, stating that his negative vote was predicated upon the grounds that he was not satisfied that the pending measure was well drawn.

Point of Order.

Supervisor Halley rose to a point of order, contending that Supervisor Lewis was straying from the subject.

The President ruled the point of order well taken.

Explanation.

Supervisor Lewis stated that he was making the motion to withdraw for the following reason that if the motion to withdraw carries, he would move reference of the pending measure to committee, along with certain amendments proposed by the City Attorney, and where any other amendments that may be proposed, may likewise be considered.

Statement by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan: I seriously question the propriety of his motion. It was moved last Monday that this matter be reconsidered today. If this motion is withdrawn, the final vote will stand and there will be nothing before us.

President George Christopher: If this matter is withdrawn, the final vote will remain at eight noes and three ayes, and there will be nothing before the Board. The only thing for you to do is to introduce new legislation.

Supervisor Lewis: If the motion is to table, would your ruling be the same?

President George Christopher: Yes, it would.

Supervisor Mancuso: I frankly think the only thing before the Board is the question of reconsideration, and if Supervisor Lewis does not move for reconsideration, I will, so that the matter may be tabled.

Supervisor Lewis: I ask my colleagues regardless of their feeling in the matter, to vote for reconsideration. If you do that, and I do

succeed in getting reconsideration, I promise you, I guarantee to you that I will then move that the ordinance and certain amendments as proposed by the City Attorney's office, go to committee for further study. Now I think in all fairness, that should be done for two reasons; in the first place, I want to call to the attention of the members of the Board that while the matter was before committee for a long period of time, not one single hour, not 25 minutes, not five minutes or a minute, was ever devoted to the consideration of the ordinance. I think that is a fair statement. This ordinance was never considered in committee and never considered by this Board. Another reason is that amendments may be made to meet the harsh and punitive objections. A third reason, Supervisor J. Joseph Sullivan, and I am sorry Joe, if I indulge in personalities here, did vote against the measure, stating that he was not satisfied with the ordinance in its present form. That being the case, gentlemen, and for that reason and other reasons, it is only fair the ordinance should go to the proper committee so that I may have the amendments put there that would satisfy at least one member of the Board who was forced to vote "No" last Monday not because he was opposed to the F.E.P.C. legislation generally but only because of its present form. Now certainly there is no harm in having this matter properly drafted in committee, and give at least one member of the Board an opportunity to vote on its merits. I certainly hope that my colleagues who voted against the ordinance, will be willing to go along with me on my motion for reconsideration, and thus give the citizenry of San Francisco an opportunity to discuss the question before the Board of Supervisors for the first time.

Statement by Supervisor Fazackerley.

Supervisor Fazackerley termed the above statement of Supervisor Lewis wherein he stated that the pending measure had never been considered in committee, as untrue and unjust. The Supervisor claimed that Judge McAtee had spoken during committee hearings on the ordinance itself, and that during the period of rebuttal, the ordinance was discussed. Copies of the measure were made available to all members of the Board and to the committee.

Withdrawal of Motion.

There being no objections, Supervisor Lewis withdrew his motion proposing to withdraw his motion to reconsider.

Query by Supervisor Fazackerley.

Supervisor Fazackerley inquired as to the parliamentary procedure should the motion to reconsider fail, to which the President replied that in such event, the recommendations of the County, State and National Affairs Committee would be in order.

Query by Supervisor Fazackerley.

Supervisor Fazackerley: What situation would obtain if the motion to reconsider is defeated and the ordinance as amended failed? There is nothing to prevent introduction of new legislation on the same subject before this Board, so that the vote on reconsideration means nothing.

President George Christopher: If this matter is reconsidered, and the measure is referred to committee, it will carry with it only the substitute motion and not the original motion.

Explanation of Vote.

Supervisor Mancuso stated that in view of the ruling of the President, he would vote for reconsideration.

Roll Call on Reconsideration.

Thereupon the roll was called on Supervisor Lewis' motion to reconsider and it carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Reference to Committee.

Supervisor Lewis thereupon moved that the pending measure, with its pending amendments along with certain other amendments proposed by the City Attorney's office, be referred to Committee.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

The President referred the matter to the Judiciary Committee.

(See subsequent action re reference to Joint Judiciary and County, State and National Affairs Committee.)

Adopted.

The following recommendations of Committee on County, State and National Affairs, heretofore considered, were taken up:

Present: Supervisors Fazackerley, Gallagher, Lewis, MacPhee, Mancuso. (Supervisor Lewis dissenting.)

Adopting Certain Recommendations in Connection With Discrimination in Employment.

File No. 4636, Resolution No. 9510 (Series of 1939).

January 23, 1950—Consideration continued to January 30, 1950.

Amendment.

Supervisor Lewis moved deletion of the language in second "WHEREAS" reading as follows:

"WHEREAS, It is the opinion of this Board of Supervisors that because of San Francisco's traditional tolerance and understanding both of these objectives can be better realized in a voluntary manner than by punitive legislation."

Motion seconded by Supervisor McMurray.

Suggestion.

Supervisor J. Joseph Sullivan suggested that the word "better" and the language appearing after the words "voluntary manner" and reading as follows: "than by punitive legislation," be deleted.

No action taken on the suggestion.

At this point Supervisor Lewis withdrew his amendment, there being no objection.

Amendment.

Supervisor Lewis moved that both "WHEREASES" appearing in the measure be deleted. Motion seconded by Supervisor Fazackerley.

Substitute Motion.

Supervisor Halley moved as a substitute that the word "better" and the language appearing after the words "voluntary manner" and reading as follows: "than by punitive legislation," and appearing the second "WHEREAS," be deleted.

Motion seconded by Supervisor Mancuso and *carried* by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—7.

Noes: Supervisors Christopher, Lewis, McMurray, Mead—4.

Explanation of Vote.

Supervisor Lewis stated that he could not go along with the measure, contending that there was a "catch" in it and that the Board should have voted to delete the two "WHEREASES."

Thereupon the roll was called and the measure, as amended, was adopted by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Christopher, Lewis, McMurray—3.

Resolution Urging Governor Warren to Include Equal Employment Opportunity Survey Commission in Special Session Call and Urging Legislature to Create and Finance Such a Commission.

File No. 4636, Resolution No. 9489 (Series of 1939).

January 23, 1950—Consideration continued to January 30, 1950.

Amendment.

Supervisor Lewis moved deletion of the language in the first two "WHEREASES" and in lieu thereof, insert the following language:

"RESOLVED, That the Board of Supervisors of the City and County of San Francisco does respectfully request Governor Earl Warren to include in the forthcoming special session call a recommendation for the creation of a California Fair Employment Practices Commission and modeled after the operations of the state commissions of New York, New Jersey, Massachusetts, Connecticut, Rhode Island, New Mexico, Oregon and Washington, and be it further

"RESOLVED, That in event this recommendation is included in the Governor's call for a special session, this Board of Supervisors respectfully urges the San Francisco delegation to support enactment of such a measure."

Motion seconded by Supervisor McMurray.

Statements.

Supervisor Lewis supplemented his motion by remarking that the Governor should include in his special call the enactment of a state-wide F.E.P.C. measure. The thing boiled down is this: you either believe in it or you don't. If we are not ready to go on a local basis, we should be put on a state-wide basis.

Supervisor Mancuso stated that he appreciated the sincerity of Supervisor Lewis to have a local F.E.P.C. measure adopted, but voiced the opinion that the recommendation of the committee was a constructive one and that the proper approach to the problem would be the adoption of the recommendation of the committee.

Amendment Lost.

Thereupon the roll was called and Supervisor Lewis' amendment lost by the following vote:

Ayes: Supervisors Christopher, Lewis, McMurray, Mead—4.

Noes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—7.

Statement by Supervisor Lewis.

Supervisor Lewis stated he would vote for the measure but contended that by his vote he did not feel he was doing anything constructive.

Thereupon the roll was called upon the subject measure and it was adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

File No. 4636, Resolution No. 9511 (Series of 1939).

Amendment.

Supervisor Lewis moved as an amendment that language be inserted in the measure that would authorize the President to appoint any three members of the Board, instead of the language appearing in the measure and reading: ". . . three members of the County, State and National Affairs Committee. . . ." Motion seconded by Supervisor MacPhee.

Motion to amend carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Amendment.

Supervisor Fazackerley moved as an amendment, seconded by Supervisor Halley, that the words "and the Governor" be inserted after the words ". . . before the State Legislature. . . ."

No objection and motion carried.

There being no objection, the measure, as amended, carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Resumption of Consideration in Connection With the Hearing of Protests Relating to the Improvement of Portions of Athens Street Between Peru Avenue and Madison Street.

Walker Peddicord, Deputy City Attorney, advised the Board that in connection with the powers of the Board under the Street Improvement Act of 1934, it has appellate powers if the appeal is filed in accordance with the provisions of the ordinance.

Discussion then arose among the members of the Board with respect to the legality of the verbal appeal made earlier in the meeting.

Mr. Peddicord suggested that the simplest way would be to have the protestant file his protest in writing within six days and then postpone consideration of the matter for one week.

Motion.

Supervisor MacPhee moved that the right to file a written protest in connection with the improvement of portions of Athens Street between Peru Avenue and Madison Street, be extended for a period of six days. Motion seconded by Supervisor Mancuso.

January 23, 1950—Consideration continued to January 30, 1950.

Motion to Defer.

Supervisor J. Joseph Sullivan moved that consideration of the foregoing be continued for a period of one week. Motion seconded by Supervisor MacPhee.

Statement by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan expressed the opinion that when the Board requests the presence of a head of a department, such head should honor the Board with his presence.

Relinquishment of Chair.

President George Christopher relinquished his Chair in favor of Supervisor Mead, for the purpose of speaking on the subject.

Supervisor Christopher stated that it was unfortunate that one had to vote for or against a measure of such proportion as in the present case in view of the fact that the Finance Committee has not had the proper opportunity to look into the matter thoroughly. He asserted that he has confidence in the Chairman of the Finance Committee and when he has been advised that his committee had not had the opportunity of thoroughly investigating the matter, consideration of the measure should be deferred until an appropriate report from the Finance Committee is received.

Supervisor MacPhee asserted that the passage of the measure, calling for increasing the Police Department personnel by the addition of 154 men, would cost the taxpayers around \$700,000 a year. He had discussed the subject of a survey of the Police Department with the President of the Police Commission, with other police commissioners and with the Chief of Police and he had been assured by them that they did not care how many surveys were made, as long as they are honest surveys and that something constructive will come of it.

Statement by Walker Peddicord.

Walker Peddicord stated in connection with the request made at the last regular meeting of the Board by Supervisor J. Joseph Sulli-

van, as to whether any distinction existed between the term "police officer" as used in Section 35.5 and the retirement provisions of the Charter, that no relationship existed.

Motion to Postpone—Lost.

Thereupon the roll was called on the motion to defer consideration, and it lost by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Statement by Supervisors.

Supervisor Gallagher ventured the opinion that the Board should pass the matter today and then if it is found necessary, the Finance Committee can go into it thoroughly.

Supervisor Fazackerley stated that as one member of the Board, he would not vote for any appropriation for the Police Department until certain questions which he had propounded to the Chief of Police some time ago, had been answered.

Statement by Supervisor McMurray.

Supervisor McMurray stated he was in favor of getting more police-men out on the street and that this would do much in combatting the present trend toward juvenile delinquency and there would be less occasion to spend public funds for construction of correctional institutions.

Statement by Supervisor MacPhee.

Supervisor MacPhee: I believe a survey is in order and worth while. The cost of government is rising throughout the nation in an alarming proportion.

Final Passage.

Thereupon the roll was called and the measure was *finally passed* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Resumption of Consideration of Communication from Milton Marks, Attorney-at-Law, Requesting the Board to Take Certain Definite Steps in Connection With the Refusal of the Civil Service Commission to Publicly Divulge Certain Salary Standardization Data.

Statement by the Mayor.

His Honor, Mayor Elmer E. Robinson, informed the Board that since continuance of the matter some two weeks ago, he has held a conference with Mr. Henderson of the Civil Service Commission, and representatives of the City Attorney's office. The Mayor stated he was under the impression that an invitation to attend such meeting had been extended to the members of the Judiciary Committee, but apparently he was mistaken in that regard. Since the initial delay, he had had an opportunity to read the briefs filed by Milton Marks and by the City Attorney's office, and that he was continuing to do additional research work. The Mayor expressed a desire to have the members of the Judiciary Committee join with him in exploring the matter, and again reiterated that his policy on the matter is exactly the same as it was two weeks ago.

Motion for Continuance.

Supervisor Gallagher moved, seconded by Supervisor Mancuso, that consideration of the foregoing be continued for a period of two weeks.

Statement by Mr. Marks.

Mr. Marks: My purpose in calling on the Mayor this morning was to remind him of this matter being on the calendar and inquiring into any investigation he may have made. I did not know of any con-

ference between the Mayor, the Civil Service Commission or the City Attorney's office. The District Court of Appeals has on file a petition filed by the City Attorney's office and opposition to that writ is likewise on file. As the record now stands, all eleven of you Supervisors are seeking to prohibit employees from getting certain salary standardization data.

Withdrawal of Motion.

There being no objection, Supervisor Gallagher *withdrew his motion for continuance.*

Motion to Refer to Committee.

Supervisor Gallagher moved, seconded by Supervisor MacPhee, that the subject-matter be referred to the Judiciary Committee.

Suggestion by Supervisor MacPhee.

Supervisor MacPhee suggested that the Chairman of the Judiciary Committee get together with the Mayor for the purpose of exploring the merits of the subject and arriving at a recommendation for consideration by the Board.

To the above, Supervisor Mancuso replied that he had already spoken to the Mayor and was awaiting his pleasure with respect to the calling of a meeting.

Reference to Committee.

There being no objections, the matter was *referred to the Judiciary Committee.*

Supervisor J. Fear was expressed by some Board members that to vote for the appropriation for the law clerk, against whom a suit is pending in Superior Court, would render the Supervisors liable for such action. However, Mr. Holm hastened to explain that in his opinion no one could be made liable except the City Attorney, Civil Service Commission or the Controller.

Supervisor Mancuso expressed the opinion that by appropriating the funds for the position of law clerk, the Board is, in effect, saying that funds are available for the position.

After further discussion, Supervisor Mancuso moved that the matter be referred to committee. Motion seconded by Supervisor Fazackerley.

Supervisor Mead moved the suspension of the rules for the purpose of hearing from C. Bobner, an interested party. Motion seconded by Supervisor MacPhee.

No objection and motion *carried*.

Mr. Bobner, voiced objection to the program seeking to remove the pigeons from the Civic Center.

Statement by Supervisor Mead.

Supervisor Mead stated that the program of trapping pigeons started some time ago and from the look of things, would continue for quite some time also. The pigeons are an asset to the Civic Center and are a tourist attraction as well. What is really needed is for the Fire Department, at least once a month, to hose the areas used by the pigeons and that procedure would take care of a great many complaints.

Privilege of the Floor.

Supervisor Mead again moved the suspension of the rules for the purpose of granting the privilege of the floor to Mrs. Giacomini, an interested party. The lady spoke of the desirability of having pigeons and asserted that many cities in Europe consider them as a tourist attraction.

At the conclusion of the talk, the roll was called and the measure was *finally passed* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, John J. Sullivan—8.

Noes: Supervisors Lewis, Mead, J. Joseph Sullivan—3.

Refused Adoption.

The following from Finance Committee without recommendation, heretofore considered, was taken up:

Present: Supervisors MacPhee, Fazackerley, Mancuso, Mead.

Waiving the Statute of Limitations to Permit Mrs. Harriet Leaman and Miss Maud Murphy, Non-Certificated Employees of the Board of Education, to Institute Action for the Purpose of Establishing, as the Proper Classification for Duties Which Have Been Rendered by Them, the Title of Senior Clerk, and the Recovery of That Back Compensation Which Would Have Been Theirs Were They so Classified.

File No. 5152, Resolution No. . . . (Series of 1939).

January 30, 1950—Consideration continued to February 14, 1950.

Motion—"Do Pass."

Supervisor Gallagher moved, seconded by Supervisor McMurray, that the foregoing measure "do pass."

Privilege of the Floor.

The privilege of the floor was extended to Mr. Irving Breyer, Counsel for the Board of Education, who stated that his Board had approved of the attempts of Mrs. Harriet Leaman and Miss Maud Murphy to institute action in the courts for the purpose of determining if their positions have been properly classified. In 1932 these employees' positions were classified as General Clerk-Stenographers although their proper classification, in accordance with their duties, should have been Senior Clerk-Stenographers. It was not until 1944 that the rates of pay for Senior Clerk-Stenographers were raised above the \$200 mark. These employees have suffered the loss of the difference in salaries of the two classifications. These employees took immediate steps to have the Board of Education go into the matter, which was done and the Board then took action to request the Civil Service Commission to investigate the requests. The Commission studied the matter and finally rendered a report to the Board of Education that the requests would be held in abeyance until funds were made available for the purpose of conducting a general survey of all positions in the Board of Education. This is not a situation where the employees slept upon their rights. On the contrary, they proceeded through regular channels, first through the Superintendent, then through the Board of Education and then to the Civil Service Commission. In other words, they followed duly authorized administrative procedure.

Mr. William L. Henderson, Personnel Director and Secretary of the Civil Service Commission, gave the Commission's version of the affair, and stated that in his opinion the circumstances of the pending case were similar to the two cases which the Board disapproved during the past year. The case deals with the matter of job classification which exclusively comes under the jurisdiction of the Civil Service Commission. The employees in question made their protests from time to time in the same manner as did the protestants of the two previous actions which the Board had disapproved.

Supervisor Gallagher: Did the Board of Education ever recommend to the Civil Service Commission that these two positions be reclassified to Senior Clerk instead of General Clerk?

Mr. Henderson: Yes, they did but the Public Utilities Commission made the same request for some of their employees.

Supervisor Lewis made the statement he believed that in the consideration of the waiving of the statute of limitations, an aspect that weighs heavily in regard to voting, is the one that deals with the amount of money involved.

Supervisor MacPhee rose and angrily asserted that insofar as the amount of money was concerned, Supervisor Lewis was speaking for himself and not for him.

Measure Defeated.

Thereupon the roll was called and the measure was defeated by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Discussion Re Bridge Approaches.

Supervisor Lewis, under his name on roll call, brought up the matter of constructing adequate approaches to the San Francisco-Oakland Bay Bridge. At the conclusion of his talk, the privilege of the floor was accorded Chief Administrative Officer Thomas A. Brooks who stated that he had already held several meetings with representatives of the state on the matter and asserted "... that the approaches would not relieve the congestion on the bridge. They may provide better or easier access to the bridge but once the vehicles are on the bridge, they are confronted with the same congestion as today. The matter of approaches is entirely separate from the construction of the bridge. If San Francisco agrees to the expenditure of \$24,000,000 by the state, which is one-half of \$48,000,000, which the California Toll Bridge Authority is willing to spend at this time to improve the approaches, the state will then spend \$24,000,000 on the west side of the bridge and a like amount on the east side, if San Francisco agrees to the program. It will mean that \$48,000,000 or thereabouts will be spent for the approaches and thereby delay for about five years the time that a southern crossing can be undertaken and about two years delay in the matter of a parallel crossing.

Discussion.

Supervisor MacPhee stated that he intended to go to Sacramento shortly and would talk to the State Director of Public Works about the matter.

Supervisor Mancuso stated that he had spoken to Supervisor Hartell of the Alameda Board of Supervisors, and in his opinion, the only party interested is the Alameda County Board of Supervisors because the construction of such approaches would delay work on either a parallel bridge or a southern crossing.

Motion by Supervisor Lewis.

Supervisor Lewis moved that the Board go on record in asking that the Mayor, Mr. Oppermann, Director of Planning, Mr. Brooks, the Chief Administrative Officer, one or several members of this Board of Supervisors meet with representatives of the Alameda County Board of Supervisors and the Director of the State Department of Public Works for the purpose of discussing the subject of bridge approaches. Motion seconded by Supervisor Gallagher.

Point of Order.

Supervisor Mancuso rose to a point of order, contending that such a motion should be put in the form of a resolution, and then after the resolution has been introduced, it should be referred to committee.

The President ruled the point of order not well taken.

No Board Action on Motion.

It developed that a similar request made by Supervisor Lewis at a previous meeting of the Board of Supervisors had been referred to the Streets Committee for consideration. Accordingly, no action was taken on the foregoing motion.

The Clerk was instructed to notify both Supervisors Lewis and MacPhee when the Streets Committee met on the matter.

Query by Supervisor Lewis Re Status of Fair Employment Practices Measure.

Supervisor Lewis inquired of the Chairman of the Judiciary Committee as to the present status of the Fair Employment Practices measure, heretofore referred to that committee. Supervisor Mancuso replied that no action was being taken by the committee pending action by the Governor on resolution adopted by the Board.

Statement by Supervisor MacPhee Re Non-Segregation in Public Housing.

Supervisor MacPhee, as spokesman for the special committee appointed by the President to meet with the Housing Authority in connection with a stalemate on policy dealing with non-segregation in public housing, informed the Board that a meeting had been held and that the committee was successful in having the Housing Authority agree on policy outlined in the measure adopted by the Board prohibiting racial discrimination and segregation in public housing.

The following recommendations of Finance Committee were taken up:

Present: Supervisors MacPhee, Fazackerley, Mancuso, Mead.

File No. 5326, Ordinance No. 5906 (Series of 1939).

No objection and motion *carried*.

Continuation of Consideration of Salary Standardization.**Statement by Supervisor MacPhee.**

Supervisor Chester R. MacPhee, Chairman of the Finance Committee, gave a brief talk on the action of his committee in reviewing the salary standardization report filed with the Board by the Civil Service Commission.

General Discussion.

Supervisor Mancuso stated that he had some 35 to 40 amendments which he desired to offer and to submit to the Civil Service Commission for review and analysis and report pursuant to the provisions of Section 151 of the Charter.

Supervisor Halley suggested that seriatim consideration be given the items as listed in the report of the Finance Committee.

Motion.

Supervisor Mancuso moved that the recommendations of the Finance Committee show a requested range of \$550-650 for classification A-6 and that A-8 show a recommended range of \$550-650.

To a query by the President as to the correct procedure that the Board must follow with respect to the subject-matter, Walker Peddicord, Deputy City Attorney, advised: The thing before us is the recommendations of the Civil Service Commission as to the ranges. The Board may approve, amend or reject them, but before actually amending them, they must be referred to the Civil Service Commission for review, analysis and report. I would suggest this: that, with Class A-6 as an example, you move a range of \$550-650 and together with supporting data, move reference to the Civil Service Commission.

Supervisor Gallagher so moved with reference to Class A-6. Motion seconded by Supervisor John J. Sullivan.

Supervisor MacPhee suggested that in order to expedite things and save time, the Board send the entire report of the Finance Committee to the Civil Service Commission.

Supervisor Gallagher moved that with reference to the classifications as to which requests for increases in compensation have been made to this Board, and as amendments to the schedule of compensations submitted by the Civil Service Commission, there be substituted for the rates or ranges set forth in said schedule as to

such classifications, all rates or ranges requested as shown by the report or files of the Finance Committee or of the Board of Supervisors, and that reference thereof be made to the Civil Service Commission for report, together with all data submitted, including all data contained in the report of the Civil Service Commission. Motion seconded by Supervisor McMurray.

Query by Supervisor Mancuso.

Supervisor Mancuso asked Walker Peddicord, Deputy City Attorney, if let us say, the Board recommended a range of \$575-715 for a particular classification, to the Civil Service Commission for review, analysis and report, could the Board fix a range within the original range, to which Mr. Peddicord replied that should a requested range of \$575-715 be referred to the Civil Service Commission, it would be within the province of the Board to set any range it desired so long as the proposed range did not exceed \$715.

Supervisor Mancuso requested that the above statement of Mr. Peddicord be made part of the record.

Statement by Mr. Henderson.

Mr. William L. Henderson, Secretary and Personnel Director of the Civil Service Commission, when called upon to inform the Board as to when a report on proposed amendments to the salary standardization schedule would be returned to the Board with the accompanying analysis by the Civil Service Commission, replied: I do not know how much work is involved in this. We will do the best we can. There is a tremendous amount of work involved. In some instances no raises are posted here under the "requested" column. In other instances, no data is indicated. You must submit data on each item that you submit as a recommendation.

Motion to Refer to Civil Service Commission—Carried.

Permission to convert the property into a dress shop would tend to increase the value of the property itself as well as adjoining structures.

Opponents.

Bryant Hall, representing the City Planning Commission, advised that all members of the planning staff as well as the Commission were in agreement that the property should not be rezoned. The Commission felt that unless there was pressure for a commercial use in the area, there were plenty of properties in the locality already zoned for commercial use which have not been so converted.

Attorney Erskine, representing an apartment house owner living across the street, stressed the fact that to permit the requested rezoning would constitute spot zoning, and therefore would be unsound. Further, that residential areas should not be encroached upon by commercial endeavors.

Attorney Eschwig, in rebuttal, stressed the importance of recognizing the fact that even though it may be spot zoning, still an improvement is being contemplated and that such an undertaking should be accorded some consideration.

Explanation of Vote.

Supervisor Mead stated that he saw no harm in rezoning the property in question because in his opinion it would improve its value, and that any attempt to increase one's income is certainly justified.

Statement by President.

The President, at the conclusion of the arguments, informed the Board as to the parliamentary procedure as follows:

A vote "Aye" overrules the commission and permits the rezoning; a vote "No" sustains the City Planning Commission and denies the appeal.

The Clerk thereupon read the following measure:

Disapproving Decision of the City Planning Commission by Its Resolution No. 3699, Dated January 5, 1950, Denying Application to Rezone Property Located on the Northeasterly Line of Geary and Laguna Streets from Second Residential District to Commercial District.

Thereupon the roll was called and the City Planning Commission was sustained by the following vote:

Privilege of the Floor.

The privilege of the floor was extended to Mr. John W. Beard, Director of the Housing Authority of the City and County of San Francisco, who stated that he was not in a position to state at this time when the Housing Authority would be in a position to make an offer for the property, which if purchased, is intended to be used as a low-rent housing project. The program must be approved by the Federal Government and that probably the Authority might be in a position to bid on the property in 30 or 40 days, but that it would be advisable to hold the matter in abeyance for 90 days.

Motion to Defer One Week.

Supervisor MacPhee moved that consideration of the foregoing be deferred for a period of one week and that, in the meantime, Mr. Beard contact Mr. Turner, Manager of the Public Utilities Commission, with the thought in mind of gaining his acquiescence on the proposed delay. Motion seconded by Supervisor Fazackerley.

To a query by Supervisor MacPhee as to the use of the frontage on Fillmore Street, Mr. Beard replied that it is the intention of the Authority to have the entire area residential.

Supervisor MacPhee expressed the opinion that the land in the area was too valuable a piece of property and should be used commercially, to which Mr. Beard replied that vacant land in San Francisco is at a premium and the Authority was interested in the site for a housing project.

Request of Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan requested that information be elicited from the Housing Authority as to what it intended to do with respect to the site at Turk and Fillmore Streets, and if purchase is contemplated, what type of structures are proposed for the location.

There being no objection, Supervisor MacPhee's motion that consideration of the subject-matter be deferred for one week, *carried*.

Query of Supervisor McMurray.

Supervisor McMurray inquired of Walker Peddicord, Deputy City Attorney, if it was legal for Mr. Keesling, Jr., to represent his clients before different commissions in San Francisco in view of his present employment as Congressional Legislative Representative at Washington, D. C., to which Mr. Peddicord replied that Section 222 governs the activities of officers or employees with respect to certain practices.

Statement by Supervisor McMurray.

Supervisor McMurray asserted that he considered it entirely out of order for Mr. Keesling, Jr., to represent any client while employed by the City and County of San Francisco and that during the coming budget consideration, he would vote to delete his position from it.

Announcement of Committee Meeting.

Supervisor J. Joseph Sullivan announced a meeting of the Public Utilities Committee for Thursday, March 9, at 9:30 a.m., to consider the present Municipal Railway rate structure and requested that representatives of the Public Utilities Commission and the City Attorney's Office be present at said meeting.

No objection and motion *carried*.

Supervisor Lewis moved its adoption; motion seconded by Supervisor John J. Sullivan.

Unanimously adopted by rising vote.

Discussion Re Fair Employment Practices Measure.

Supervisor Lewis inquired of the Judiciary Committee Chairman, Supervisor Mancuso, into the status of the pending Fair Employment Practices measure referred to that committee by the Board some time ago, in view of the fact that the Governor had not included consideration of such a measure on a state-wide basis in his recent call to the Legislature.

Supervisor Fazackerley informed Supervisor Lewis that the special committee appointed by the Board to contact the Governor on this matter had attempted to obtain a hearing before him, but to date had been unsuccessful, due to the committee's inability to arrange a suitable time and place. However, an informal talk was had with him the text of which did not preclude any consideration before the Legislature. However, our Legislative Representative at Sacramento, Mr. Donald Cleary, is attempting to arrange a hearing with the Governor and will report on the matter as soon as possible.

Legislation Called from Committee.

Supervisor Lewis apparently was far from satisfied with the explanation offered, and accordingly requested that the Fair Employment Practices Act which had heretofore been referred to the Judiciary Committee, be called from said committee and placed on the calendar for the next regular meeting of the Board.

However, at the suggestion of Supervisor J. Joseph Sullivan, Supervisor Lewis withdrew his request for the time being.

RECESS.

There being no further business, the Board, upon motion of Supervisor MacPhee, seconded by Supervisor J. Joseph Sullivan, and there being no objection, recessed to Thursday, March 9, at 10:30 a. m.

The Board recessed at 4:00 p. m.

JOHN R. McGRATH, Clerk.

THURSDAY, MARCH 9, 1950—10:30 A. M.

In Board of Supervisors, Thursday, March 9, 1950—10:30 a. m.
The Board of Supervisors met in recessed session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Mead—1.

Quorum present.

President George Christopher presiding.

Consideration of Report of Civil Service Commission on Amendments Proposed by the Board of Supervisors to Compensation Schedules Heretofore Recommended by the Civil Service Commission in Connection With the Standardization of Salaries Pursuant to the Provisions of Sections 151 and 151.1 of the Charter.

Statement by Supervisor MacPhee.

Supervisor MacPhee stated that, with very few exceptions, the report of the Civil Service Commission is the report that the Board should adopt.

Motion to Adopt.

Supervisor MacPhee moved that the recommendations as contained in the report of the Civil Service Commission, currently before the Board, be adopted. Motion seconded by Supervisor Fazackerley.

Substitute Motion.

Supervisor Halley prefaced presentation of his substitute motion by stating that he was fully cognizant of the fine work performed by the Finance Committee in attempting to adjust salaries equitably, but on the other hand there were a great many employees who did not receive adjustments at all, and in order to correct this condition he moved the following:

Supervisor Halley: I move as an amendment to all of the proposed amendments heretofore offered to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," that said file and proposed ordinance be amended to provide for each salary or salary range which this Board now has jurisdiction to change, not in excess of \$833.33 per month, an increase in each such salary or salary range of 3 per cent.

Query to Deputy City Attorney.

At this point, the President of the Board, Supervisor George Christopher, asked of Walker Peddicord, Deputy City Attorney, if the motion as stated by Supervisor Halley, could legally be made.

Supervisor Halley questioned the right of the President to refer the matter to the Deputy City Attorney before the motion was seconded.

Deputy City Attorney Walker Peddicord stated that while he had expected seriatim consideration, and that was the usual course, the Civil Service Commission had itself in unusual circumstances prevailing a few years ago submitted percentage recommendations which his office had regarded as valid, and that as to strict legality of the motion, its legality as to any individual classification would in his opinion depend upon whether or not, in reference to any particular classification, the wage fixed was in accord with the generally

prevailing wages for that classification in accordance with requirements of Section 151 of the Charter. This is also true as to every classification as to which the Board fixes a salary rate. It was Mr. Peddicord's understanding from the motion that it refers to classifications as to which it would not be necessary to have further reference to the Civil Service Commission.

Supervisor MacPhee asked Mr. Peddicord if it was necessary to send down to the Civil Service Commission for review, analysis and report those classifications which had not heretofore already been reviewed by that body, in order to qualify them for the 8 per cent increase, to which Mr. Peddicord replied that such action would have to be taken.

At this point, the President of the Board ruled that an official legal opinion had not been rendered by the Deputy City Attorney, in regard to his query as to the legality of the substitute motion presented by Supervisor Halley.

Recess.

Supervisor Lewis moved a ten-minute recess. Motion seconded by Supervisor Halley.

No objection and motion carried.

Supervisor Halley withdrew his substitute motion, there being no objection and moved the following substitute motion:

Supervisor Halley: I move as a substitute for all of the proposed amendments heretofore offered to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," that said file and proposed ordinance be amended to provide for each salary or salary range which this Board now has jurisdiction to change without further reference to the Civil Service Commission, not in excess of \$833.33 per month, an increase to each such salary or salary range of 8 per cent, that, if in any instance such 8 per cent increase shall be in excess of the maximum rate heretofore referred to the Civil Service Commission for its report, the amount herein proposed shall in such instance be reduced to such maximum nearest even dollar, and

Provided further, that such amounts in each instance where an 8 per cent increase does not result in a figure on an even dollar basis shall be set on the basis of the nearest dollar.

Motion seconded by Supervisor McMurray.

Supervisor Halley stated he was submitting the foregoing motion in the interest of a fair approach to a very difficult problem.

Question Re Cost of Various Estimates.

Supervisor Gallagher requested information as to the cost of the following: (1) the original recommendations of the Civil Service Commission; (2) the cost of those increases proposed by the Finance Committee; and (3) the cost of the entire program as contained in the report of the Finance Committee now currently being considered by the Board.

Supervisor MacPhee endeavored to explain that the original cost of the Civil Service Commission amounted to approximately \$850,000; the recommendations of the Finance Committee amounted to around \$90,000 and the total cost will amount to around \$945,000.

Supervisor J. Joseph Sullivan: What effect would the proposed motion of Supervisor Halley have on the recommendations originally made by the Civil Service Commission?

The President expressed the opinion that the motion by Supervisor Halley, if adopted, would supersede the recommendations of the Civil Service Commission.

Mr. Peddicord: The Board has no jurisdiction to increase the salary or range for any classification, reference of which classification has

not been made to the Civil Service Commission for report as required by Charter Section 151.

Supervisor Mancuso spoke against Supervisor Halley's motion contending that it was not a good motion and it would constitute a serious mistake to adopt it; however, if prior to sending the Board's recommendations down to the Civil Service Commission, the Board had considered the low-income brackets and had then proposed an increase for those not receiving more than \$500, it would have been a good motion.

Supervisor Fazackerley stated that Supervisor Halley's motion would provide increases to only two-thirds of the employees and that if adopted, would probably result in a taxpayer's suit and thus jeopardize the entire city's payroll.

Supervisor MacPhee asked the Deputy City Attorney, Walker Peddicord, if the Board, in voting for the 8 per cent increase, would be voting on the salaries which had heretofore been sent down to the Civil Service Commission or would it be voting on the basis of the salaries currently being paid to employees, to which Mr. Peddicord replied that as the motion of Supervisor Halley was drawn the current salaries would not apply in this case, and that the salary ordinance effective July 1 is the one presented to this Board by the Civil Service Commission.

Recess.

Supervisor Lewis moved a recess until the hour of 2:00 p. m. Motion seconded by Supervisor McMurray.

Supervisor Halley stated that he would get together with Walker Peddicord, Deputy City Attorney, during the recess period for the purpose of straightening out the apparently existing difficulties in interpreting his substitute motion.

Motion to recess carried by the following vote:

Ayes: Supervisors Christopher, Halley, Lewis, MacPhee, McMurray, J. Joseph Sullivan, John J. Sullivan—7.

Noes: Supervisors Fazackerley, Gallagher, Mancuso—3.

Absent: Supervisor Mead—1.

The Board recessed at the hour of 12:10 p. m.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Gallagher, Lewis, MacPhee, Mancuso, McMurray, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Mead—1.

Quorum present:

President George Christopher presiding.

Withdrawal of Substitute Motion.

Supervisor Halley moved withdrawal of his substitute motion, heretofore made and reading as follows:

"I move as a substitute for all of the proposed amendments heretofore offered to File No. 4531 'Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950,' that said file and proposed ordinance be amended to provide for each salary or

salary range which this Board now has jurisdiction to change without further reference to the Civil Service Commission, not in excess of \$833.33 per month, an increase to each such salary or salary range of 8 per cent; that, if, in any instance such 8 per cent shall be in excess of the maximum rate heretofore referred to the Civil Service Commission for its report, the amount herein proposed shall in such instance be reduced to such maximum nearest even dollars, and

"Provided, further, that such amounts in each instance where an 8 per cent increase does not result in a figure on an even dollar basis shall be set on the basis of the nearest dollar."

There being no objection, *motion withdrawn.*

Substitute Motion Renewed.

Supervisor Halley moved that the salary ranges adopted by the Board of Supervisors in the 1949-50 Salary Standardization Ordinance be adopted for the fiscal year 1950-51 and that a flat 8 per cent increase across the board be included therein for all categories with the exception of those classifications earning in excess of \$833.33.

Motion lost for want of a second.

Motion to Reject Finance Committee Recommendations.

Supervisor Halley moved rejection of the recommendations of the Civil Service Commission and Finance Committee made pursuant to the provisions of Section 151 of the Charter.

Motion Out of Order.

The President ruled the foregoing motion out of order, contending that it was a negative motion.

Point of Inquiry.

Supervisor Halley asked the President to explain the parliamentary procedure and he replied that it was not proper, under the rules, to present a negative motion.

Statement by Supervisor Lewis.

Supervisor Lewis expressed the opinion that "rejection" is an affirmative act. The Charter says the Board can either adopt, amend or reject the report of the Civil Service Commission, and while the word "rejection" may have a negative note, it is an affirmative legislative action, so a substitute motion to reject is not a negative motion within Roberts' Rules of Order.

Walker Peddicord, Deputy City Attorney, stated that the question is a parliamentary one, primarily. In general, the President's statement is entirely correct; however, it is true that in certain instances, under the Charter, it gives powers specifically to reject, such as having to do with fares and the like. However, the motion, if put in different form, could properly be made as a substitute motion.

Withdrawal of Motion.

There being no objection, Supervisor Halley *withdrew* his substitute motion.

Substitute Motion.

Supervisor Halley moved the following substitute motion:

Supervisor Halley: As a substitute for Supervisor MacPhee's motion, I move as an amendment to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," as reviewed and revised by the Civil Service Commission, that said ordinance and the salary schedules set forth therein be amended to provide for the inclusion of such rates or ranges for each classification enumerated therein of that salary or salary range established

and provided in the existing Salary Standardization Ordinance, revised to reflect an increase of 8 per cent for each such salary or salary range presently established at not in excess of \$833.33 per month.

Motion seconded by Supervisor Lewis.

Discussion.

Supervisor Mancuso asked Mr. Henderson, representing the Civil Service Commission, if the Commission, in event the foregoing motion was adopted, would be in a position to report back to the Board tomorrow, to which inquiry Mr. Henderson replied that he could not see how that could be accomplished. Many details would have to be worked out and it would be physically impossible. Further, under the Charter, it was incumbent to give 24-hours' notice of a meeting of the Civil Service Commission to meet on the matter.

Supervisor Halley: If the Board adjourned today until Monday, would it be in order?

Mr. Peddicord: It would be in order but the Mayor would have less than ten days to sign the Salary Standardization ordinance on or before April 1st.

Supervisor Mancuso: It is ill-advised to jeopardize the wage increases proposed by the Civil Service Commission and the Finance Committee and the most expeditious procedure would be to consider the report of the Finance Committee and then if amendments are proposed to be made to it, it would be in order.

Supervisor MacPhee stated that he was primarily concerned with the legality of the pending motion and the danger that might attach to the proposed wage structures in the event the motion was adopted, as well as the heavy additional cost to the taxpayers.

Supervisor Mead expressed the opinion that he favored Supervisor Halley's motion because it would take care of a great many more persons than would the recommendations of the Finance Committee and such action might preclude the possibility of another wage request next year. Supervisor Mead stated that the Board should take care of everyone earning up to \$833.33.

Supervisor Lewis stated that salary standardization looks beautiful in writing but in practice smells to the high heaven. It has worked on many employees, year after year, a great hardship, because these employees were not given any wage increases, and after a review of the State Supreme Court's decision of *Boyd vs. the City and County*, "I am inclined to go along with Supervisor Halley's motion."

Supervisor Mead inquired of Mr. Peddicord if, in the event of adoption of Supervisor Halley's motion, would there be trouble in the way of a taxpayer's suit, to which Mr. Peddicord replied that if data had been submitted to the Civil Service Commission and a report received from them and acted upon in accordance with the provisions of the Charter he could not see how trouble could be expected. Of course any taxpayer can file a suit and no prediction can be made in that regard. However, a few years ago the Civil Service Commission itself submitted a recommendation of a 15 per cent increase over existing wages for employees receiving not more than \$500 per month and a 10 per cent increase for those receiving more than that amount. Our office gave an opinion, after careful consideration, that the procedure was valid in that instance and the ordinance adopted was not challenged in the courts. I cannot predict the future, but the percentage of increase here involved is not nearly so great as that formerly recommended by the Civil Service Commission itself. I do not believe an increase supported by data will be upset merely because it was not made by a motion directed only to it.

Supervisor Mead: I am of the opinion, as a layman, that the Board reserves the right to adopt, amend or reject the recommendations of the Civil Service Commission, and my point at this time is, can we

do so without sending any further data to the Civil Service Commission?

Mr. President: The motion calls for submission of data to the Civil Service Commission.

Mr. Peddicord: Under Supervisor Halley's motion, there would be some classifications to which no reference has been made to the Civil Service Commission and as I understand the motion, its intent is to send them all down to the Civil Service Commission for report.

Supervisor Gallagher: The Charter is very clear as to classification which are to be submitted to the Civil Service Commission. If Supervisor Halley's motion is adopted, involving some two and one-half million dollars, it will probably involve a suit and all of the employees will get hurt. Overall, the majority of the employees have been treated very fairly.

Supervisor Lewis: We can either adopt, amend or reject the schedules. If we amend the schedules, we have to send them down to the Civil Service Commission. If we reject the schedules but adopt a brand new schedule, we do not have to send them down to the Civil Service Commission, and the language is carefully worded. There is no provision for sending data back if we reject any schedule and adopt a brand new schedule.

Supervisor Mancuso: If there are six votes to pass the substitute motion, what would be the effect?

Mr. President: The substitute motion will be referred to the Civil Service Commission for report.

Supervisor Mancuso: I am going to vote to refer Supervisor Halley's substitute motion to the Civil Service Commission with the thought in mind that the Civil Service Commission has already taken the position that it is not in position to report on this matter to the Board. I do not feel I should be put in the position of having been in favor of increases for many employees by voting against them, if it is within the province of the Civil Service Commission to report back in time. I do not feel that Supervisor Halley's substitute motion is timely; it is too late and will jeopardize compensations of all employees, but by voting to refer it to the Civil Service Commission, we will be in a position of paving the way to vote on the salary standardization recommendations of the Civil Service Commission and those recommended by the Finance Committee together with such other amendments as may be made.

Supervisor Halley asserted that the adoption of his substitute motion would pave the way for increases to many classifications heretofore ignored and that the San Francisco Employers' Council and the Federal Government have adopted a pattern for a ten per cent increase in their respective jurisdictions.

Statement by the President of the Board.

The Clerk read the following statement issued by the President of the Board:

"A blanket increase of 8 per cent in all brackets up to \$833.33 presumes a question that even most city employees are in disagreement with, i.e.: that each and every classification should be arbitrarily raised. This practice, I believe, merely jeopardizes the position of many city employees who are worthy of an increase. It is admitted that there are some classifications that have not been adequately taken care of in the present recommendations of the Civil Service Commission. These inadequacies could be amended commensurately. An arbitrary increase without reference to substantiated data will cause, for much time to come, irreparable damage to the position of many deserving city employees. Furthermore, this measure will actually result in subordinates receiving more compensation than their superiors in the higher bracket classifications. For this reason, I must vote against this substitute motion."

Substitute Motion Lost.

The roll was thereupon called on Supervisor Halley's substitute motion and it *lost* by the following vote:

Ayes: Supervisors Halley, Lewis, McMurray, Mead, John J. Sullivan—5.

Noes: Supervisors Christopher, Fazackerley, Gallagher, McPhee, Mancuso, J. Joseph Sullivan—6.

The President ruled that Supervisor MacPhee's motion that the report of the Finance Committee be adopted is now before the Board for its consideration.

Supervisor Mancuso moved that the range for B102, set at \$265-325, be increased to \$280-340. Motion seconded by Supervisor John J. Sullivan.

Substitute Motion.

Supervisor Lewis moved as a substitute motion, that matters be taken up seriatim, so that there won't be jumping all over the place. Motion seconded by Supervisor John J. Sullivan.

No objection and motion *carried*.

Motion Re Committee of the Whole.

Supervisor McMurray moved, seconded by Supervisor Gallagher, that the Board resolve itself into a Committee of the Whole, so that interested parties may be heard from.

Motion *carried* by the following vote:

Ayes: Supervisor Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Supervisor Halley moved that the President of the Board serve as Chairman of the Committee of the Whole. Motion seconded by Supervisor Gallagher.

No objection and motion *carried*.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. Lloyd Luckmann, representing the Municipal Executives' Association, who requested a fifty-dollar increase for classifications A6, A8 and A10.

Accordingly, Supervisor Gallagher moved that the salary range for classifications A6, A8 and A10 be increased from \$500-600 to \$540-640. Motion seconded by Supervisor Mead.

Explanation by Mrs. Dolen of the Civil Service Commission.

Mrs. Kathleen Dolen, Supervisor of Wage Schedules and Classifications, Civil Service Commission, when called upon to speak on the proposed new ranges for the classifications mentioned hereinabove, stated that the Civil Service Commission had considered all of the classifications referred to it, reviewed the data submitted and had arrived at the rates currently before the Board.

Recess.

Supervisor Lewis moved a five-minute recess. Motion seconded by Supervisor MacPhee.

No objection and motion *carried*.

Motion to Rise and Report.

At the conclusion of the recess, Supervisor Lewis moved that the Board rise and report. Motion seconded by Supervisor McMurray.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Motion to Rescind Previous Action.

Supervisor Halley moved that the Board rescind its action on the substitute motion giving a straight 8 per cent increase across the board. Motion seconded by Supervisor McMurray.

Substitute Motion.

Supervisor Mancuso moved as a substitute, that the Salary Standardization schedules be amended by providing a range of \$550-650 for classification A6.

There being no objection, Supervisor Mancuso withdrew his motion.

Suggestion by Supervisor Gallagher.

Supervisor Gallagher suggested that the record be expunged instead of taking action to rescind.

There being no objection, Supervisor Halley withdrew his motion.

Motion to Expunge.

Supervisor Halley moved that the record be expunged insofar as it relates to his various substitute motions to provide an 8 per cent increase across the board for employees in all categories with the exception of those earning \$833.33 and above. Motion seconded by Supervisor Gallagher.

No objection and motion *carried*.

Statement by the President.

The President of the Board, Supervisor George Christopher, desired that the record show that the motion to expunge applied only to Supervisor Halley's various substitute motions to apply a straight 8 per cent increase across the board to all categories, with the exception of those earning \$833.33 and over, and did not apply to the pending motion by Supervisor MacPhee that the Board adopt the recommendations contained in the Finance Committee report.

Substitute Motion.

Supervisor Halley moved as a substitute motion, in lieu of the motion by Supervisor MacPhee that the Board adopt the recommendations contained in the report of the Finance Committee, the following:

Supervisor Halley: I move, as a substitute, for all of the proposed amendments heretofore offered to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," that said file and proposed ordinance be amended to provide for each salary or salary range which this Board now has jurisdiction to change without further reference to the Civil Service Commission, not in excess of \$833.33 per month, an increase in each such salary or salary range of 8 per cent, above the salary range presently established, provided that, if in any instance such 8 per cent increase shall be in excess of the maximum rate heretofore referred to the Civil Service Commission for its report, the amount herein proposed shall in such instance be reduced to such maximum nearest even dollar, and

Provided further that such amounts in each instance where an 8 per cent increase does not result in a figure on an even dollar basis shall be set on the basis of the nearest dollar.

Motion seconded by Supervisor Mead.

Supervisor Mead: This motion, I understand, will include all employees but not employees who did not make a request for an increase.

Supervisor Halley: It will include all employees except those covered by the Charter such as policemen, firemen, per diem crafts and the like.

Substitute Motion Withdrawn.

There being no objection, Supervisor Halley withdrew his substitute motion.

Supervisor Mead: I suggest you take the report of the Finance Committee and give an 8 per cent increase to those positions which have not been taken care of, with the exception of those positions which did not ask for an increase.

Supervisor Lewis: It was my understanding that we agreed during the last recess to give an 8 per cent increase to all of those who submitted data and the rest of the classifications would stand as they were.

Motion to Recess.

Supervisor Mancuso moved that the Board recess for a period of thirty minutes.

Motion lost for want of a second.

Motion to Recess.

Supervisor MacPhee: Apparently the recommendations of the Finance Committee are not acceptable. The Finance Committee has agreed to sit down and review their findings at this time and to bring in more acceptable findings to the Board, and I therefore move that the Board recess until the hour of 9:00 p. m. Motion seconded by Supervisor Mancuso.

There being no objection, Supervisor MacPhee temporarily withdrew his motion to recess in order to permit Supervisor Lewis to make a statement.

Supervisor Lewis: It was my understanding that there would be an 8 per cent increase for persons in the wage classifications and that those who did not send in data would remain as they were. This was agreeable to at least seven members of the Board.

Motion to Recess.

Supervisor J. Joseph Sullivan moved, seconded by Supervisor Mancuso, that the Board recess until the hour of 10:00 p. m.

Motion carried by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Christopher, Lewis, Mead—3.

Motion to Include Additional Recommendations of Finance Committee in Its Report.

Supervisor MacPhee moved, seconded by Supervisor Mancuso, that the additional amendments heretofore considered by the Finance Committee and read by the Clerk, be included in its report.

Substitute Motion.

Supervisor Halley moved as a substitute motion, the following:

I move, as a substitute for Supervisor MacPhee's motion, as an amendment to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," and particularly to the schedule of compensation therein set forth, as the recommendation of the Civil Service Commission in the blue book salary and wage survey submitted by the Civil Service Commission to the Board of Supervisors under date of February 20, 1950, as follows:

1. As to all classifications of positions as to which amendments to the schedule of compensations were heretofore referred by the Board of Supervisors to the Civil Service Commission for report, the compensation for each such classification shall be fixed at 3 per cent in excess of the compensation presently established and now in effect for such classification.

2. As to all classifications of positions contained in Part I and Part II of the report on such amendments so referred, made to the Board of Supervisors by the Civil Service Commission under date of March 8, 1950, which classifications are indented in Column No. 1 of such report to identify them as related classes, the compensation of each such related classification shall be fixed at the same per cent. to wit, 8 per cent, in excess of the compensation presently established and now in effect for such classification.

3. That the Board of Supervisors finds and declares, as to all such classifications referred to in the foregoing paragraphs and as to the compensations fixed therefor by this motion, that it has reviewed and considered the data submitted by the Civil Service Commission and received by the Board of Supervisors and its Finance Committee from other sources, and that such compensations are, and each of such compensations considered separately is, fixed as provided in Sections 151 and 151.1 of the Charter and in accord with the generally prevailing rates of wages for like service and working conditions as set forth in said section, and

4. That the difficulties set forth in the report of the Civil Service Commission accompanying its survey, dated February 20, 1950, in relation to the collection of data as to compensation in private employment, have caused the Board of Supervisors to seek by means of the amendments to compensation contained in this motion in its legislative discretion, to fix said compensations as accurately as is possible under existing conditions in accordance with the requirements of said sections of the Charter.

Motion seconded by Supervisor McMurray.

Explanation by Supervisor Halley.

In reply to a query by Supervisor Fazackerley as to the intent of the proposed substitute motion, Supervisor Halley stated that its purpose is to provide a flat 3 per cent increase across the board for all classifications exclusive of those classifications for which no data was submitted.

In reply to a query by Supervisor J. Joseph Sullivan as to whether there existed any relationship between the finding of fact in the substitute motion made by Supervisor Halley and the litigation now pending in the District Court of Appeals dealing with an attempt on the part of the city to have set aside an order of Judge Jacks demanding that the Civil Service Commission make publicly known certain salary standardization data obtained from private sources, Walker Peddicord, Deputy City Attorney, stated that no relationship existed.

Statement by the President.

The President of the Board expressed the opinion that the fourth paragraph of Supervisor Halley's substitute motion is not in order because the question of opinion is not properly before the Board for consideration.

Statement by Walker Peddicord.

Mr. Peddicord: The finding of fact refers to the report of the Civil Service Commission wherein it stated its inability to furnish any data, except union rates, concerning wages paid in private employment.

This fact produces a very unusual situation this year as a result of which the Board does not have before it any data whatsoever collected from private firms as to wages paid by them. In this situation, numbers of employees or their representatives have come forward and presented data to the Board to support their requests for increases. The motion seeks to solve the matter, in a situation in which the Civil Service Commission has given it only partial data, by using the employee data also and proposing an increase of 8 per cent. In view of the Boyd case, which approved an increase of more than 5 per cent over the highest wage paid car or bus operators in California, I cannot advise you that the motion is illegal. Ordinarily you would doubtless proceed seriatim, but, if the Board sees fit to pass this motion and fixes wages on that basis, our office will, of course, do its best to defend it in case of any court action. Of course the data must support the increase for a rate as to any particular class to be valid.

Amendment to Substitute Motion.

Supervisor Halley moved that the fourth paragraph of his substitute motion be amended by inserting at the beginning thereof the following language:

"That the Board of Supervisors finds and declares . . ."

Motion seconded by Supervisor Lewis.

No objection and motion *carried*.

Information on Cost.

Supervisor Gallagher inquired as to the overall cost of the recommendations of the Finance Committee as contained in its report before the Board and he was advised by Supervisor MacPhee that the cost would be in the neighborhood of \$945,000.

Supervisor Mancuso: Under the terms of the Charter and under the terms of the salary standardization ordinance, is it true you would have to refer the request of Supervisor Halley to the Civil Service Commission for report in order to eliminate the possibility of a suit?

Mr. Peddicord: Classifications with the exception of related classifications have been referred to the Civil Service Commission. The Commission has reported on all of them and has also reported on the related classifications. Hence, the matter is now before the Board with the information supplied by the Civil Service Commission in accordance with the provisions of the Charter.

Supervisor MacPhee: Is the substitute motion a legal one?

Mr. Peddicord: The procedure is in order but as to whether the motion is in order as to any particular class I cannot say without going through all of the data you have in the files and coming to a conclusion with respect to it.

Motion to Postpone Consideration.

Supervisor Halley moved that the Board postpone further consideration of all pending matters relating to salary standardization until next Monday, March 13. Motion seconded by Supervisor McMurray.

Query by Supervisor Halley.

Supervisor Halley: Can we adjourn until next Monday without jeopardizing salary standardization?

Mr. Peddicord: If you delay the matter until next Monday, the Mayor would have but seven days to April 1st within which to sign the measure. If he should veto it you can act on the veto by April 1st and it would be in order.

Supervisor Halley stated that his reason for desiring to delay further consideration of the salary standardization question until Monday was for the purpose of getting data from the Civil Service Commission with respect to cost of adopting his substitute motion as well as permitting Mr. Peddicord to give his substitute motion further study so that it may be redrafted in such a manner as to be foolproof against possible legal action.

Roll Call on Motion to Postpone.

Accordingly, the roll was called on Supervisor Halley's motion to postpone and it *carried* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

There appearing no protestants, the foregoing matter was *referred to the Department of Public Works*.

SPECIAL ORDER—2:00 P. M.

The following, presented by the Clerk, was taken up:

City Planning Commission Sustained.

Hearing of Appeal from Decision of City Planning Commission by Its Resolution No. 3695, Dated January 5, 1950, Disapproving Application to Rezone Property Located on the Easterly Line of Congdon Street 100 Feet Northerly from the Northerly Line of Trumbull Street, from First Residential District to Commercial District.

File No. 5243

(Series of 1939).

March 6, 1950—Consideration continued to March 13, 1950.

Privilege of the Floor.

The privilege of the floor was extended to the following:

Proponent:

C. R. Haley, representing the appellants, explained that the appellants' request for reclassification of the property in question to a commercial zone would in no way interfere with plans for a service road as required by the State of California as would be the case by the construction of residential property. There is no sense in letting the land remain idle. The construction of a super-service station would not only render a service to the community but would bring in taxes to the city and at the same time provide employment.

Opponent:

Mr. Bryant Hall, representing the City Planning Commission, advised that the decision of the City Planning Commission coincided with the decision of the planning staff; that all of Alemany Boulevard

from the ocean to the Bayshore intersection is zoned residential and that it was the desire of the Commission to protect this area from the intrusion of a gasoline service station. The City Planning Commission now has an application pending before it for rezoning of property for the purpose of using said property for a gasoline service station, and if the subject application is approved by the Board, it would establish a precedent for the area and would probably be the forerunner of many other similar requests. In addition, the State Division of Highways had requested the City Planning Commission to abstain from granting permission for the construction of gasoline service stations on Alemany Boulevard.

Query by Supervisor Halley.

Supervisor Halley inquired why the city had heretofore sold a parcel of property in the area sought to be rezoned and Mr. Johnson of the City Engineer's office replied that such property was not necessary for the service road in question.

Mr. Summers, representing Col. Skeggs, District Engineer, State Division of Highways, asked the Board to support the decision of the City Planning Commission.

Mr. Bryant Hall, representing the City Planning Commission, supplemented his previous remarks by advising that there were, at the present time, 11 service stations in the adjacent area.

Statement by the President.

At the conclusion of remarks by the respective opponents and proponents, the President of the Board informed the Board members as follows:

A vote "Aye" overrides the City Planning Commission and grants the rezoning; a vote "No" sustains the City Planning Commission and denies the appeal for rezoning.

The roll was thereupon called on the following measure presented by the Clerk:

Disapproving Application of the City Planning Commission by Its Resolution No. 3695, Dated January 5, 1950, Denying Application to Rezone Property Located on the Easterly Line of Congdon Street, 100 Feet Northerly from the Northerly Line of Trumbull Street, from First Residential District to Commercial District.

File No. 5243, Resolution No. . . . (Series of 1939).

March 6, 1950—Consideration continued to March 13, 1950.

The City Planning Commission was sustained by the following vote:

Ayes: Supervisors McMurray, John J. Sullivan—2.

Noes: Supervisors Christopher, Fazaackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan—9.

The President ruled that the decision of the City Planning Commission had been overridden.

Objection.

At this point, Supervisor J. Joseph Sullivan questioned the ruling of the President and attempted to explain that his ruling was incorrect and that in effect, the City Planning Commission's decision was sustained.

In an effort to clarify the situation, Supervisor J. Joseph Sullivan moved, seconded by Supervisor Gallagher, that the Board rescind its action in voting to sustain the action of the City Planning Commission.

No objection and motion carried.

Thereupon the roll was again called on the measure and it was adopted by the following vote:

Ayes: Supervisors Christopher, McMurray, Mead, John J. Sullivan—4.

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, J. Joseph Sullivan—7.

March 6, 1950—Consideration continued to March 13, 1950.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. James Turner, Manager of Public Utilities, who suggested that consideration of the foregoing matter be continued for a period of one week, in order to permit his Commission to give consideration to a communication it had received from the Housing Authority of the City and County of San Francisco in connection with the proposed subdivision of a portion of the car barn property.

Statement by Supervisor Lewis.

Supervisor Lewis expressed the opinion that there should be other places in San Francisco where the Housing Authority could locate a housing project than in the area bounded by Turk and Fillmore Streets, and since Fillmore Street is a commercial zone, this valuable area should be kept in a commercial status. Further, he was opposed to further continuance of the consideration of the subject-matter and that he was heartily in favor of the proposed measure.

Discussion.

Supervisor Fazackerley inquired as to the means to be employed by which the Board could separate the land into two parcels.

Mr. Peddicord, Deputy City Attorney, advised that when the land was declared surplus, the Board had the power to take action in connection with its sale, but as to whether the Board had the power to segregate the area, he would have to have additional time within which to render an opinion.

Mr. Thomas A. Brooks, Chief Administrative Officer, stated that if the Board desired to separate the property, the Real Estate Department can recall the pending measure and submit that legislation which the Board desired to act upon first.

Supervisor Gallagher inquired into the right of the Housing Authority with respect to purchase at public auction of the property under consideration, and Mr. Brooks replied that the Housing Authority has the right to bid for the property along with other bidders. Further, if the city waives its right to eminent domain proceedings, this would permit the Authority to proceed to condemn said property under such proceedings.

Supervisor Lewis: Is it correct that the Housing Authority cannot locate in any locality in the City and County of San Francisco unless permission is first given by the Board?

Mr. Peddicord: That is correct.

Supervisor J. Joseph Sullivan: Are you referring to the application of the city under the new cooperation agreement or the old one?

Mr. Peddicord: I am referring to the Housing Act as amended at the last session of the Legislature.

The roll was thereupon called and the measure was *finally passed* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Tabled.

File No. 5271

February 27, 1950—Consideration continued to March 13, 1950.

Supervisor MacPhee stated that he saw no further reason for considering the subject matter since it was in process of determination, and accordingly moved, seconded by Supervisor Fazackerley, that it be tabled.

Communication.

The Clerk advised that there was prepared a new measure incorporating the suggested amendments and accordingly, Supervisor MacPhee moved, seconded by Supervisor John J. Sullivan, that the substitute proposal be passed for second reading in lieu of the calendar item.

No objection and the substitute measure was passed for second reading by the following vote:

Substitute Motion.

Supervisor Halley moved the following as a substitute motion:

I move, as a substitute for Supervisor MacPhee's motion, as an amendment to File No. 4531 "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," and particularly to the schedule of compensation therein set forth, as the recommendation of the Civil Service Commission in the salary and wage survey submitted by the Civil Service Commission to the Board of Supervisors under date of February 20, 1950, as follows:

1. As to all classifications of positions for which a compensation not in excess of \$833.33 per month is now in effect and as to which amendments to the schedule of compensation were heretofore referred by the Board of Supervisors to the Civil Service Commission for report, the compensation for each such classification shall be fixed at 8 per cent in excess of the compensation presently established and now in effect for such classification.

2. As to all classifications of positions for which a compensation not in excess of \$833.33 per month is now in effect and contained in Part I and Part II of the report on such amendments so referred, made to the Board of Supervisors by the Civil Service Commission under date of March 8, 1950, which classifications are indented in Column No. 1 of such report to identify them as related classes, the compensation of each such related classification shall be fixed at the same per cent, to-wit 8 per cent, in excess of the compensation presently established and now in effect for such classification.

3. That the Board of Supervisors finds and declares, as to all such classifications referred to in the foregoing paragraphs and as to the compensations fixed therefor by this motion, that it has reviewed and considered all reports, data and surveys submitted by the Civil Service Commission to the Board of Supervisors and also all reports, data and surveys received by the Board of Supervisors and its Finance Committee from all other sources, and that such compensations

are, and each of such compensations considered separately is fixed as provided in Sections 151 and 151.1 of the Charter and in accord with the generally prevailing rates of wages for like service and working conditions as set forth in said section; and

4. That the Board of Supervisors finds and declares that the conditions affecting the survey concerning wages paid in private employment set forth in the report of the Civil Service Commission, accompanying its survey, dated February 20, 1950, have caused the Board of Supervisors to seek by means of the amendments to compensation contained in this motion, in its legislative discretion and best judgment to fix said compensations as accurately as is possible under existing circumstances in accordance with the requirements of said sections of the Charter.

Motion seconded by Supervisor McMurray.

Statement by Supervisor Halley.

Supervisor Halley stated that some 1,439 employees would not obtain an increase because they had not submitted data to the Civil Service Commission, and the cost to the taxpayers would be approximately \$1,381,699.

Statement by Mr. Henderson Representing the Civil Service Commission.

Mr. William L. Henderson, Personnel Director of the Civil Service Commission, informed the Board that an overall 8 per cent increase, applicable to all classifications over which the Board has jurisdiction would cost the city over \$2,100,000. If the Board proposes to take the Civil Service Commission recommendations as they are, and apply the 8 per cent formula to the remainder of the classifications, the cost would amount to \$1,950,000.

Supervisor Mancuso stated that the substitute motion is discriminatory because by its terms it would give an 8 per cent increase to those classifications for which the Civil Service Commission had not recommended increases. If the Supervisor would move for a lesser amount, say six per cent, and have it apply to all employees receiving five hundred dollars or less, it could then be referred to the Civil Service Commission for report as to cost. I sincerely do not feel that the present substitute of Supervisor Halley's will be upheld in a court of law.

Supervisor MacPhee: We are attempting to do two things: one, raise the rates of employees and the other, standardize salaries. If it is to be the policy of the Board to secure overall increases in rates, we should repeal the section of the Charter dealing with salary standardization and provide for yearly increases at certain percentage rates. However, under the present Charter requirements, we must be governed by salary standardization.

Supervisor Lewis: Mr. Peddicord has recommended the resolution as to form but could not say that it was discriminatory without looking at the data. In view of the rise in the cost of living, an 8 per cent increase will be considered to be very fair and not an arbitrary method at arriving at salaries for all city employees. I do not believe that there is salary standardization under the Charter. I believe that it is a very bad law. I am going to go just as far as I can within the limits of that section to have salary standardization as long as the Supreme Court will back up my vote by saying it is legal. In the Boyd case, the Supreme Court stated that the Board of Supervisors, in fixing salaries, can go even beyond the data as long as it is not discriminatory. All of you are going through the motions because no Supervisor has the time to wade through the maze of data.

Salary Report Presented by Supervisor Halley.

Supervisor Halley introduced a report from the Bureau of National Affairs in Collective Bargaining Negotiations and Contracts for the

period January 1, 1949 to January 1, 1950, showing an increase of from 7 to 15 per cent in employee payroll for 251 firms during the year.

Supervisor Fazackerley attacked the substitute motion of Supervisor Halley's as being unfair in that it proposes to give a flat percentage increase without giving due consideration to individual classifications; further, that such a method of approach would, in all probability, result in referendum action.

Supervisor McMurray stated that with all due respect to Supervisors Mancuso and J. Joseph Sullivan, he would take the views of Supervisor Lewis with respect to his stand on salary standardization. It was about time that due regard was given to the salaries of the low-paid employees, such as Janitors, Elevator Operators and Nurses, and that he was ashamed of being a Supervisor and compelled to witness the wages paid to city employees, and exhorted his colleagues to banish the hypocrisy that attached itself to legal technicalities.

Walker Peddicord, Deputy City Attorney: On last Thursday, I gathered from Mr. Henderson the impression that the increase in proposed amendments were all in excess of 8 per cent or figured to be. I spoke to him a few moments ago and learned that some amendments were less than 8 per cent and he tells me that over the weekend they had ascertained in 51 instances the amendments sent down to the Civil Service Commission were less than 8 per cent.

Report of Civil Service Commission.

Mr. Henderson read partial data from a report prepared by the Commission, the caption of which read:

"Adoption of 8 per cent formula would (a) increase 131 classes not heretofore recommended by the Civil Service Commission, and further increase 250 classes already recommended by the Civil Service Commission, (b) would increase 51 classes beyond the amount requested by the employee or originally proposed by the Board of Supervisors, and (c) deny increases to 278 classes, including 78 classes already recommended by the Civil Service Commission for increases but over which the Board of Supervisors does not have jurisdiction to apply 8 per cent; (d) add approximately \$2,100,000 to annual payrolls as against the \$959,000 in Civil Service Commission revised recommendations.

Recess.

Supervisor Gallagher moved, seconded by Supervisor MacPhee, that a five-minute recess be had.

No objection and motion *carried*.

Motion to Recess to 8:00 P. M.

Upon reconvening, Supervisor Halley moved that the Board recess until the hour of 8:00 p. m. Motion seconded by Supervisor Gallagher.

There being no objection, motion *withdrawn*.

Motion to Refer Classifications to Civil Service Commission.

Supervisor Halley moved that the Board refer those classifications not heretofore considered by the Civil Service Commission, to that body for report.

Mr. Henderson suggested that the motion include therein "... those classifications to which the application of the 8 per cent would be in excess of amount previously proposed by the Board of Supervisors."

Recess.

There being no objection, a three-minute recess was ordered.

Query on Parliamentary Procedure.

Supervisor J. Joseph Sullivan inquired into the parliamentary procedure.

The President informed the Supervisor that Supervisor Halley's motion to refer certain classifications to the Civil Service Commission for report had not been seconded.

Substitute Motion Withdrawn.

There being no objection, Supervisor Halley *withdrew* his substitute motion.

Original Motion Withdrawn.

There being no objection, Supervisor MacPhee withdrew his original motion.

Motion to Refer to Civil Service Commission.

Supervisor Halley moved that in those classes in which a proposed amendment has not been referred to the Civil Service Commission to the extent of an increase of 8 per cent over wages presently in effect, a reference now be made to the Civil Service Commission for report under Section 151 of the Charter. Motion seconded by Supervisor McMurray.

Motion *carried* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Motion Re Reference to Civil Service Commission Relating to 6 Per Cent Formula.

Supervisor Mancuso: I move that we refer to the Civil Service Commission a request for report as to cost of giving a 6 per cent increase across the board to all employees of the City and County of San Francisco receiving a salary of less than \$500 per month, exclusive of those subject to Charter provisions.

Motion lost for want of a second.

Motion to Recess.

Supervisor Halley moved that the Board recess until the hour of 11 a. m. Thursday, March 16, 1950. Motion seconded by Supervisor John J. Sullivan and *carried* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

No: Supervisor Fazackerley—1.

Supervisor Mancuso explained that he moved to recess to permit a full Board to be present.

Substitute Motion.

Supervisor Halley, seconded by Supervisors McMurray and Mead, moved:

I move, as a substitute for Supervisor MacPhee's motion, and as an amendment to File No. 4531, "Salary Standardization Ordinance, Charter Sections 151 and 151.1, effective July 1, 1950," and particularly to the schedule of compensation therein set forth, as the recommendation of the Civil Service Commission in the salary and wage survey submitted by the Civil Service Commission to the Board of Supervisors under date of February 20, 1950, as follows:

1. As to all classes of positions for which the maximum rate of the range of compensation presently established and now in effect is not in excess of \$500.00 per month, and as to which amendments to the schedule of compensation were heretofore referred by the Board of Supervisors to the Civil Service Commission for report, the compensation for each such class shall be fixed at eight per cent in excess of the compensation presently established and now in effect for such class.

2. As to all classes of positions for which the maximum rate of the range of compensation presently established and now in effect is not in excess of \$500.00 per month and contained in any of the reports on such amendments so referred made to the Board of Supervisors by the Civil Service Commission under date of March 8, 1950, or March 15, 1950, which classes are identified in such reports as related classes, the compensation of each such related class shall be fixed at the same per cent, to-wit, eight per cent, in excess of the compensation presently established and now in effect for such class.

3. As to all classes of positions for which the maximum rate of the range of compensation presently established and now in effect is in excess of \$500.00 per month, and is not in excess of \$833.33 per month, and as to which amendments to the schedule of compensation were heretofore referred by the Board of Supervisors to the Civil Service Commission, for report, the compensation for each such class shall be fixed at six per cent in excess of the compensation presently established and now in effect for such class.

4. As to all classes of positions for which the maximum rate of the range of compensation presently established and now in effect is in excess of \$500.00 per month and is not in excess of \$833.33 per month, and contained in any of the reports on such amendments so referred, made to the Board of Supervisors by the Civil Service Commission under date of March 8, 1950, or March 15, 1950, which classes are identified in such reports as related classes, the compensation of each such related class shall be fixed at the same per cent, to-wit, six per cent, in excess of the compensation presently established and now in effect for such class.

5. That the compensation fixed as stated in paragraphs 1, 2, 3 and 4 hereof, in each instance where the computation of the percentage of increase does not result in a figure on an even dollar basis, shall be fixed on the basis of the nearest even dollar.

6. That there is excepted from the classes referred to in paragraphs 1, 2, 3 and 4, hereof, all classes set forth in the salary and wage survey

report submitted to the Board of Supervisors by the Civil Service Commission on February 20, 1950, for which the rate of pay proposed by the Commission is an amount over or under the rate for a specified craft, the compensation for which is governed by Section 151.3 of the Charter.

7. That this motion shall be a substitute for all amendments heretofore proposed to the schedule of compensation recommended by the Civil Service Commission under date of February 20, 1950, without respect to the ranges or amounts of compensation therein recommended or presently in effect.

8. That the Board of Supervisors finds and declares, as to all such classifications referred to in the foregoing paragraphs and as to the compensations fixed therefor by this motion, that it has reviewed and considered all reports, data and surveys submitted by the Civil Service Commission to the Board of Supervisors and also all reports, data and surveys received by the Board of Supervisors and its Finance Committee from all other sources, and that such compensations are, and each of such compensations considered separately is, fixed as provided in Sections 151 and 151.1 of the Charter and in accord with the generally prevailing rates of wages for like service and working conditions as set forth in said section; and

9. That the Board of Supervisors finds and declares that the conditions affecting the survey concerning wages paid in private employment set forth in the report of the Civil Service Commission accompanying its survey, dated February 20, 1950, have caused the Board of Supervisors to seek, by means of the amendments to compensation contained in this motion, in its legislative discretion and best judgment to fix said compensations as accurately as is possible under existing circumstances in accordance with the requirements of said sections of the Charter.

Discussion.

Supervisor Fazackerley stated that he would like some information as to what effect, if any, would the motion have on the Davenport suit involving some 1,500 city employees. Would it mean that we would have to give those employees an 8 per cent increase over and above what the city employees will get if the court decides in their favor?

Walker Peddicord, Deputy City Attorney, replied that it is hard to answer that question because we do not know what the court will do. If the court determines that the wages that should be legally in effect at the present time are not those set forth in the Salary Ordinance then the increase would be based on the rates that should be legally in effect at the present time.

Supervisor MacPhee said that he believed that the Board was going about this in the wrong way and by doing so many people would be injured.

Supervisor Christopher remarked that he would like Mr. Henderson to answer the following question: On \$500 the employees would receive an 8 per cent increase and on \$520 the increase would be 6 per cent thus reducing the difference in salary. Next year would the Civil Service Commission be forced to readjust the difference in salary?

Mr. Henderson, Secretary and Personnel Director, Civil Service Commission, replied that that would be the procedure, to adjust the salaries.

Supervisor J. Joseph Sullivan stated that in the way I read this amendment the man who gets \$500 will not get either the 8 per cent or 6 per cent, he will get zero.

Walker Peddicord replied that this was not true. The first two paragraphs provide for salaries not in excess of \$500 and the third and fourth paragraphs include salaries in excess of \$500.

Supervisor Gallagher explained that he was going to go along with Supervisor Halley's motion for 8 per cent for \$500 and under and 6 per cent for over \$500. There are many people who are not going to get any increase. Believe that during the next year the members of the Board should take that matter into consideration. It is my thought that this salary standardization will stand for two years and next year the people who are getting an increase this year will not get anything.

Supervisor Halley replied that that was his position.

Supervisor Mead said that that was his position, too. Believe the statement made by Supervisor Gallagher is a reasonable statement. You can just go so far. If you try to take advantage of what we are doing today you may kill the goose that laid the golden egg. Next year the people who were not taken care of this year will be taken care of. Beyond that there is a maximum that you can reach, you can go just so far and no further. You will find me in the same position as Supervisors Gallagher and Halley. This is it for a period of two years as far as I am concerned.

The roll was called on Supervisor Halley's motion to substitute and it was approved by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Supervisor Christopher explained that the Board had only voted on whether or not the motion by Supervisor Halley should be substituted for Supervisor MacPhee's motion. You now have to vote on the adoption of the motion.

Point of Order.

Supervisor Gallagher rose to a point of order. Supervisor Halley presented a substitute motion in lieu of Supervisor MacPhee's motion. It carried, therefore it is adopted. What we have before us now is the Salary Standardization Ordinance.

Supervisor Christopher replied, the parliamentary procedure is as follows, the substitute motion is made and the vote is then taken as to whether or not it should be substituted for the original motion.

Supervisor Gallagher rose to a point of order. The substitute motion was offered and read by the Clerk and in doing so the substitute motion was adopted. You are only cluttering up the record by doing this thing.

Supervisor Christopher explained that he would have to go by Robert's Rules of Order which is very specific in this matter.

Walker Peddicord remarked that just before the roll was called the President stated the question to be whether or not the motion should be substituted for Supervisor MacPhee's motion. That being the case you have voted only on that question. That was the actual thing voted upon.

Supervisor Gallagher stated that it was not offered in the manner that the President is stating. It was presented as a substitute.

Supervisor Christopher said that it is the ruling of the Chair that the motion is now before us for adoption.

Supervisor J. Joseph Sullivan remarked that he would like to suggest that Supervisor Halley renew his motion at this time.

Supervisor Christopher explained that the ruling of the Chair will be the same. We are now calling the roll on the adoption of Supervisor Halley's motion as read.

Supervisor Mead remarked that there is a possibility that the President is correct in his assumption. Supervisor Halley did make

a substitute motion, but he failed to make a motion as a substitute for the whole. I see no harm in following the President's advice.

Supervisor Christopher read the following excerpt from Robert's Rules of Order, relative to substituting a motion:

"A motion to substitute one paragraph for another (which is a combination of the two preceding motions) after being stated by the chair is resolved into its two elements for the purpose of amendment, the chair at first entertaining amendments only to the paragraph to be struck out, these amendments being of the second degree. After it is perfected by its friends, the chair asks if there are any amendments proposed to the paragraph to be inserted. When both paragraphs have been perfected by amendments the question is put on substituting one paragraph for the other. Even though the paragraph constitutes the entire resolution and the motion to substitute is carried, it is necessary afterwards to vote on adopting the resolution, as it has only been voted to substitute one paragraph for another."

Supervisor Mead said that he believed that it was the intent of Supervisor Halley to offer this as a substitute for the whole. He did not use that language in the substitution of the motion. Believe we should follow the advice of the Chair in this matter.

Explanation of Vote.

Supervisor Mancuso in explaining his vote stated that he had taken the position from the beginning of the salary survey that there were many classifications entitled to an increase. He was one of the members of the Finance Committee who believed that additional recommendations should be made. He did not feel that the present matter that was before the Board was fair to all employees and that it discriminated against those who did not have anything before the Board or the Civil Service Commission for an increase. Believe that my motion of the other day relative to a percentage increase was a fair motion. Since six members of the Board have seen fit to go for a percentage basis, and since I am in favor of increases in salaries in excess of the salary survey, I will have to vote for the motion.

Adopted by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—7.

Noes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

Supervisor Halley, seconded by Supervisor McMurray, moved that the schedule of compensations recommended by the Civil Service Commission to the Board of Supervisors under date of February 20, 1950, as heretofore amended, be adopted.

Supervisor Mancuso stated that he would like to know whether or not it will be necessary to pass this matter for second reading today. Believe if we wait until Monday to pass it for second reading it will be too late to become valid.

Walker Peddicord explained that it is necessary that final passage be 10 days after first passage and first passage on Monday will permit it to be given final passage on the 30th or 31st and the language of the Charter states that the Mayor can sign it either on or before the 1st of April.

Adopted by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—8.

Noes: Supervisors Fazackerley, MacPhee, J. Joseph Sullivan—3.

Supervisor Halley, seconded by Supervisor McMurray, moved that consideration of the proposed salary standardization ordinance, File

No. 4531, on passage for second reading be postponed until Monday, March 20, 1950, and that prior to such time the proposed ordinance including all of its schedule of rates of compensation as heretofore amended and adopted, shall be prepared in all its details in writing in proper form for action at such time.

Supervisor Mancuso stated that he believed that the motion should be amended by adding after the word "writing" the following language, "by the Civil Service Commission."

Walker Peddicord explained that that would require action by the Civil Service Commission which does not meet in the interim. He believed that if it is left in the present form it will be all right.

Adopted by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—8.

Noes: Supervisors Fazackerley, MacPhee, J. Joseph Sullivan—3.

Adopted.

Supervisor Mancuso, seconded by Supervisor John J. Sullivan, moved that the motion he made on Monday, authorizing the attendance of the Public Health and Welfare Committee and Supervisor Mancuso to attend the meeting of the Board of Directors of the County Supervisors to be held in Sacramento on Friday, March 17, 1950, be amended to include any member of the Board who desires to attend.

No objections and motion *carried*.

SPECIAL ORDER—3:00 P. M.

Pursuant to motion of Supervisor Lewis, discussion with interested officials relative to proper and adequate enforcement of the local curfew ordinance applicable to minors.

Discussion.

Supervisor Lewis opened the discussion by quoting a portion of existing curfew ordinance wherein it was unlawful for anyone under 18 years of age to be on the public streets between 11 p. m. and 6 a. m. unless accompanied by parent or guardian, and stated that in his opinion, parents of those youngsters apprehended after 11 p. m. should be cited to appear before the proper authorities to show cause why they should not be punished for the actions of their offsprings.

Supervisor Lewis stated that he believed the present law is an excellent one but that in his opinion it has not been strictly enforced, and that many parents should have been brought in, since the enactment of the measure, to show cause why they should not be cited for the violation of Section 702 of the Welfare and Institutions Code of the State of California.

Mr. George W. Ososke, Chief Probation Officer, informed the Board that the parent of every child has been cited within 24 hours of the time that the child was apprehended. Further, records show that about 40 per cent of juvenile crimes are committed after 11 p. m., but that the greater number is committed between the hours of 4:30 and 7:30 p. m.

Lieutenant John Meehan of the Juvenile division of the Police Department, stated that police patrol activities have been stepped up in an effort to quell the recent surge of juvenile crimes.

Supervisor Lewis: Is it not a fact, that to your knowledge, since the enactment of the curfew law, not a single parent has been found violating Section 702 of the Welfare and Institutions Code?

Mr. Ososke replied to the effect that thousands of cases occurred in one year; that each case must be studied individually; that all types of offenses are involved, and that parents have been brought in on them.

Supervisor Lewis expressed the opinion that if one or two parents were brought before the court and burden put upon them to show why their youngsters were on the streets, it would result in parents observing the actions of their children with more interest and less juvenile delinquency would ensue. The Supervisor further stated that the law is not being strictly enforced; that he was blaming no one but inferred that interested public officials have been asleep at the switch.

Motion Re Enforcement of Ordinance.

At this point, Supervisor Lewis moved that this Board of Supervisors notify the District Attorney, the Police Department and the Juvenile Court authorities that it is the desire of the Board that the present curfew ordinance be strictly enforced.

Motion lost for want of a second.

Supervisor Mead: I believe that every law that is passed by this Board of Supervisors should be respected by the proper authorities, and I resent very much the actions of some of the heads of city departments in looking upon this Board of Supervisors as a dime a dozen, and I am getting sick and tired of it. As far as I am personally concerned, Supervisor Lewis has not received a fair answer and I

insist that he get a fair answer. The sooner the heads of the city departments learn that we mean business, the better off all will be. This is a very important matter. People have been injured. Grown men and women are fearful of leaving their homes in the evening, and this is true all over San Francisco.

Supervisor McMurray: I agree thoroughly with the views of Supervisors Lewis and Mead. If more policemen were on the hood, we wouldn't have to spend millions for a new Juvenile home on the hill. By closing up the saloons on Howard Street, there wouldn't be any need for an Alcoholic Center and I don't see why the city should be given the job of raising other people's youngsters.

Mr. Ososke explained that obviously a misunderstanding exists with respect to interpretation of the existing curfew law; the law states that every parent must be brought before the juvenile court, it does not mean that they will be brought before a judge or a grand jury, but before a juvenile court. Every parent of every child is cited in the juvenile court and there a fair and strict investigation is made of every case. The law states that every parent must be cited within five days, but his office was citing the parents within 24 hours.

Supervisor Lewis: How many parents have been brought before the judge? How many parents have been sentenced to answer for the violation of Section 702 of the Welfare and Institutions Code? I am absolutely satisfied that if this ordinance were enforced the way it should be, and if parents are brought into court the way I understand it, we would get some action.

Lieutenant Meehan stated that his division of the Police Department was working night and day on the problem and that over 1,500 persons were cited last year.

Supervisor MacPhee expressed the opinion that public authorities are doing a good job at the present time, and that many instances turn up when youngsters are out on the streets after 11 p. m., such as when they attend dances or parties on Friday and Saturday evenings, and it would be unfair to both the youngsters and the Police Department to pick up such youngsters after they had attended such functions. The youngsters do not go to school on Saturdays and it would be reasonable to allow them to go to such parties and permit them to stay out a little longer than would otherwise be the case where school attendance would be required the next day. Further, records show that San Francisco has the lowest rate of juvenile delinquency among cities of comparable population.

Point of Personal Privilege.

Supervisor Lewis expressed amazement at Supervisor MacPhee's attitude in view of recent introduction by Supervisor MacPhee of legislation relating to the responsibility of parents for the acts of their youngsters.

Supervisor MacPhee rose to a point of personal privilege and asked that the Chair request Supervisor Lewis to confine his remarks to the subject-matter.

The Chair admonished Supervisor Lewis and ordered that he confine his remarks to the matter at hand.

Supervisor Lewis countered by stating that he would stand on his record at any time and that he had not made any insinuating remarks.

Request for Information.

Supervisor Lewis asked that a communication be directed to the District Attorney and one to the Juvenile Court, requesting the following information:

How many parents have been charged by their respective offices with violation of Section 702 of the Welfare and Institutions Code and how many parents have been cited for failure to respond to any

notice issued pursuant to the provisions of the present curfew ordinance.

No objection and so *ordered*.

There being no further discussion, the President ordered the hearing concluded.

Resumption of Consideration of Calendar Matters Upon Which Action Had Been Temporarily Postponed Awaiting the Appearance of Absentee Board Members.

Adopted.

The following recommendations of County, State and National Affairs Committee were taken up:

Legal Opinion.

The Clerk read an opinion from the City Attorney advising that the Board does not have the authority to adopt the pending measure.

Supervisor Lewis: As long as I am a member of this Board, I will decline to vote "aye" or "no" on any matter not within the province of this Board, if it is within my legal right to do so.

Supervisor Gallagher reminded the Board that it had, on previous occasions, voted for legislation dealing with international affairs.

Supervisor MacPhee admitted that he had voted for similar matters in the past, but in view of the statement made by Supervisor Lewis that the Board was involving itself in matters unrelated to affairs pertaining to the City and County of San Francisco, he would adopt a policy of voting against all such proposals in the future.

Thereupon the roll was called and the foregoing measure was *refused adoption* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, McMurray, John J. Sullivan—5.

Noes: Supervisors Fazackerley, J. Joseph Sullivan—2.

Declined to Vote: Supervisors Lewis, MacPhee, Mancuso, Mead—4.

Motion to Defer Consideration.

Supervisor MacPhee moved as a substitute that consideration of the measure be continued for one week.

Motion lost for want of a second.

Substitute Motion.

Supervisor Fazackerley moved, as a substitute, that the matter remain on the calendar one week. Motion seconded by Supervisor MacPhee.

Explanation of Vote.

Supervisor Halley stated that it seemed rather irregular procedure to him to refuse a measure to go to committee for the purpose of hearing from department heads and accordingly he would vote against continuing consideration of the measure for one week.

Supervisor Mancuso stated that the measure was in committee for quite some time and that interested department heads were informed of committee hearings.

Explanation by the President.

The President stated that the immediate question was to decide whether Supervisor Fazackerley's substitute motion should be substituted for Supervisor Gallagher's motion. The roll was thereupon called and the question was decided by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Lewis, MacPhee, Mancuso, McMurray, J. Joseph Sullivan—7.

Noes: Supervisors Gallagher, Halley, Mead, John J. Sullivan—4.

The roll was then called on Supervisor Fazackerley's substitute motion to postpone consideration of the measure for one week and it *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Noes: Supervisors Gallagher, Halley—2.

Motion seconded by Supervisor McMurray.

Thereupon the roll was called and the foregoing measure was *adopted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Consideration of Salary Standardization.

Communications.

The Clerk read the following communications:

1. From the San Francisco City and County Employees, Local 747, requesting adjustments in the salary ranges for T-300, Child Welfare Worker and T-302, Child Welfare Supervisor.

Filed.

2. From the Civil Service Commission, advising that the cost of the salary increases proposed by Supervisor Halley, for city employees, is estimated at \$2,151,212.

Filed.

Statement by Roger Lapham, Former Mayor of the City and County of San Francisco.

Mr. Lapham: Section 25 of the Charter provides that anyone who has served as Mayor has the right of coming before you. I have read in the press and have discussed this particular ordinance that is now before you. I may not be up on all of the facts but as I understand it, your Board adopted a certain resolution sometime last week in which you determined a certain formula for fixing the wages of city employees based on a percentage increase. I believe this is a copy of the resolution which you adopted last week. (Copy of resolution in hand.) I have no detailed knowledge of what classifications got an increase or whether those increases were justified. I am not speaking to the merits of those increases which may be allowed by your honorable Board, but I am interested particularly in the way in which I understand you determined the increases that are set forth in the ordinance before you. I have to refresh my memory, to go back about four years ago to the veto message which I transmitted to your Board on March 18, 1946. At that time your Board adopted the salary standardization ordinance which I did not believe was a proper ordinance, and I believed that you, at that time, deviated from the rules laid down in Section 151 of the Charter. You passed the ordinance over my veto and since no protest was made by any taxpayer, it went into effect. Now Section 151 of the Charter, of which you are all familiar, provides that

"... the compensations fixed as herein provided shall be in accord with the generally prevailing rates of wages for like service and working conditions in private employment or in other comparable governmental organizations in this state. . . ."

Now my understanding of the situation is that in the usual way the Civil Service Commission made its recommendations, and they recommended increases for some 5,106 employees, estimated to cost some eight hundred fifty-three odd thousand dollars, and that its report was submitted on February 20th, last. Following that, your Finance Committee held numerous public hearings, considered the requests of various city employees for increased compensations. Then your committee went into executive session and amended the Commission's report upward, and added something like ninety-six thousand dollars, making a total overall increase for the coming fiscal year of \$950,000. I am also told that the recommendations made by the Civil Service Commission were a good deal on the liberal side. Then the \$96,000 added made it more liberal, and then a resolution was introduced by Supervisor Halley recommending that you consider 8 per cent increases across the board for those city employees receiving less than ten thousand dollars a year, and that was afterwards amended so that 8 per cent was allowed for employees getting \$500 a month or less and 6 per cent for those getting between \$500 and \$833.33. That was the formula which you adopted and I understand the Salary Standardization Ordinance now before you simply translates into exact amounts the formula that you approved of. I further understand that there are some 150 or 200 odd city employees who made no protest, who had not asked for an increase, and that they will not receive any increase at all.

As I say, I am not going into the merits of individual increases, but I do call your attention to the fact that Section 151 of the Charter definitely indicates that it was the intent of the people which adopted the Charter that rates should be in accord with those prevailing in

other governmental agencies in this state, federal, the City of Los Angeles, etc., as well as in private industry. I am also quite aware of the case of Boyd vs. the City and County of San Francisco some eight years ago, which was finally taken to the Supreme Court, and that the Court allowed a wage five cents higher than any other wage in certain classifications, and by a 4 to 3 vote.

This time you have deviated 100 per cent from the formula laid down in the Charter. You might just as well have no formula at all. By your action, you feel that you can go the limit and disregard the wording of the Charter, and I am reminding you that you took an oath to uphold the Charter. I am quite frank to say that it is certain that there will be opposition to it introduced in some form or another if this Salary Standardization Ordinance passes as you now have it. You still have time, if you so desire, to accept the recommendations of the Finance Committee and that might get by. It is not a question in my mind whether the increases run to two million or nine hundred thousand dollars, but whether the formula was used as set forth in the Charter, which provides that wages shall be generally in accord with those prevailing in public and private jurisdictions in the state. I do not know how the Mayor feels about it, but I am warning you that if you pass this ordinance, you are going to have very determined efforts to upset it.

Supervisor Halley stated that his resolution was based on the premise that the practice of spot increases was wrong; that a Supreme Court decision had ruled that the Board of Supervisors was the final power insofar as the setting of rates was concerned and that his method which he has recommended is one which he considered fair and impartial as well as being a fair approach to the wage problem. The Supervisor further stated that he was amazed at the implied threat contained in Mr. Lapham's remarks with respect to a possible suit to contest the legality of the Board's action should it adopt the percentage method of determining wages for city employees instead of the formula outlined in Section 151 of the Charter.

Mr. Lapham: I do not consider my remarks as a threat. I have been through four years of salary standardization. If you go on the record, I think that you will find that the City and County of San Francisco employees have been very liberally treated. Inasmuch as the Charter provides that any former Mayor may appear before you for debate, I feel that I am entitled to indulge in any debate. I believe that if the salary standardization ordinance is adopted as it is, it can be attacked from many grounds. You have arrived at a formula 100 per cent different from the Charter provisions. I believe you should get a written opinion from your City Attorney whether such a procedure can be justified under the provisions of the Charter.

Supervisor Lewis: There is groundwork being laid out for litigation. We have to be very careful of what we do. If you agree with the position I am going to take, I will respectfully suggest that you also stand up and express your reasons why you voted for salary standardization, and be very sure that the Clerk gets it for the record. We studied data; we had information on prevailing wages on comparable positions of other cities, in private employment, in state positions, in federal positions. We found, in many cases, many injustices. We found many classifications improperly classified. We found we could not get facts from private employment. We found that this percentage that we arrived at was not an arbitrary percentage, but we found that after making a careful study, after analyzing data, we found that it came to that percentage. And so we, in our legislative discretion, after careful study of the data, have a perfect right to say what that percentage should be. There are many firms in private employment which have salary standardization. It is not unusual for those firms to grant flat rate increases across the board for their employees. We found that there were great injustices in the past, that certain employees had not been receiving wages as

others had, and that the percentage we have arrived at is not a percentage picked out of the sky but as a result of study and analysis of data. I feel that I have voted within the letter and spirit of Section 151 of the Charter. If my other colleagues voted the same way, I would respectfully suggest that they make similar statements in effect, and for the record.

Supervisor Halley stated that his substitute motion which had been adopted, had been approved by the City Attorney as well as written by him; that he had introduced in evidence a report from 350 firms in San Francisco which had granted increases to their employees during 1949, ranging from 7 to 15 per cent; that the cost to the taxpayer will not be more than \$1,400,000; that no complaints had been registered by the little taxpayer but rather they came from the representative of the big taxpayers, and that in his opinion, an honest, fair and decent way had been found to give consideration to those classifications which come under the jurisdiction of the Board of Supervisors.

Supervisor MacPhee: I am concerned of course with the proposal of increases in salaries based upon the percentage formula. This procedure is contrary to the vote of the people who approved Section 151 of the Charter. I think the Board is taking a very dangerous step forward at this time.

Supervisor Fazackerley: My position is well known, but in the last few days in going over the material, I came across one instance to prove how silly this procedure is. The position of L-352, Interne, at the San Francisco Hospital: The matter came before the Finance Committee but only because two medical representatives appeared to obtain additional funds for the purpose of hiring more internes. The effect was that an increase was granted from \$110 to \$119. The only reason that classification came under Supervisor Halley's formula was because a request was made by the heads of two medical schools for the purpose of reducing the amount.

Supervisor Mead: I have always respected the opinion of former Mayor Lapham. Were the Board to adopt the recommendations of the Finance Committee, that my friend, can also be attacked. Anything the Board does can be attacked in the courts. Certainly the action we have taken here is no different from any other action. I sincerely hope that no member of the Board who adopted the motion, has been frightened because of the statement made by Mr. Lapham.

Passage for Second Reading.

At the conclusion of the discussion the Clerk presented the following measure:

Salary Standardization Ordinance—Charter Sections 151 and 151.1, Effective July 1, 1950.

Supervisor Lewis (to the members who voted for the measure) If you agree with the statement that I made and with the reason for voting as I did, will you please stand. (Supervisor McMurray arose.)

Supervisor Mead moved that the record be expunged insofar as it relates to the statement just made by Supervisor Mancuso.

Motion *lost* for want of a second.

Supervisor Halley moved its adoption; motion seconded by Supervisor Gallagher.

Unanimously adopted by rising vote.

Consideration of Salary Standardization.

Supervisor Lewis: The City Attorney has advised that it would be important for those voting for salary standardization, to make the same statement that I made, that we did not vote for the percentage rates arbitrarily but arrived at such figures from study of the data. Supervisor Mancuso's statement of course will be absolutely detrimental to the passage of the measure, and would be worse than a "no" vote. I was attempting, on the advice of the City Attorney, in view of the statement by former Mayor Lapham, to protect the record so that all may know exactly how we did vote. (To Supervisor Mancuso) You say that you consider the action illegal but that you were voting for the measure anyway. I know you do not want the record to show that. I want Supervisor Mancuso to request that the record be expunged insofar as his remarks are concerned, and that the rest of the Supervisors, in accordance with the advice of the City Attorney, and for the record, state that their conclusions were reached not by an arbitrary formula but only after a careful survey of data and wages paid in the State of California, and I cannot emphasize this too strongly.

Supervisor Lewis: I am going to ask permission of the Chair to address Supervisor Gallagher. You heard my statement, Supervisor; did you arrive at your vote the same way, by studying data?

Supervisor Gallagher stated that he did not agree with the original motion of Supervisor Halley's that a flat 8 per cent increase should be granted to all employees, but that insofar as the low bracket employees were concerned, he was in favor of granting those up to \$500 a month, a percentage formula set between 5 and 6 per cent, and that in certain recommendations of the Civil Service Commission and the Finance Committee the percentage of increase went as high as 12 per cent.

Supervisor Halley asserted that the recommendations of the Finance Committee showed a much higher rate of increase than did his percentage formula.

Supervisor McMurray asserted that his vote was predicated on the same statements and facts presented by Supervisor Lewis.

ADJOURNMENT.

There being no further business, the Board, at the hour of 5:30 p. m., adjourned.

JOHN R. McGRATH, Clerk.

File No. 5329 (Series of 1939).

March 20, 1950—Consideration continued to March 27, 1950.

Privilege of the Floor.

The privilege of the floor was extended to Mr. George W. Pracy, General Manager of the Water Department, who urged that the Charter provisions remain as they are at the present time; that to amend the Charter as recommended by the Judiciary Committee would lead to the inclusion of a third party into negotiations, with resultant red tape; that heretofore the Water Department negotiated with the lessee, and with the proposed Charter amendment, it would mean that the Real Estate Department would enter into the transaction also.

Supervisor Halley inquired of Supervisor MacPhee, who initiated the Charter amendment, if there had been any abuses that would account for his introduction of the measure, to which query Supervisor MacPhee replied that there had been none.

Supervisor MacPhee hastened to explain that the words "or other" had been inadvertently placed in the Charter amendment at the last election at which the section was amended, and that it should be now taken out.

File No. 5446, Ordinance No. . . . (Series of 1939).

Discussion.

Supervisor MacPhee in explaining his dissenting vote, stated that he felt that the amount of seven cents per mile now being paid to city employees for the use of their cars was sufficient.

Mr. Thomas A. Brooks, the Chief Administrative Officer, informed the Board that his department had made studies of the practices in governmental jurisdictions as well as in private employment, and found that the range used was between 5 and 9 cents per mile. If the employees involved, some 371 of them, were to refuse to use their cars, it would be mandatory upon the city to furnish cars and this expense

would run into thousands of dollars. The proposal to furnish the insurance is an economical move and would provide the coverage that the city needs. It would provide \$50/100,000 public liability and \$5,000 property damage. The policy would be a blanket one and would provide overall coverage.

Supervisor MacPhee stated that he had studied the proposed amendments and felt that the measure should be acted upon immediately.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Carroll Newburgh.

Mr. Newburgh: Mr. President and members of the Board. First of all I want to correct one statement by Supervisor Gallagher that I am opposed to all of the amendments. I am here today to ask that the taxpaying group, the Real Estate Association, the Apartment House Association, and other interested groups interested in this question, be given at least a day to study the amendments as proposed. They may endorse them. I have been coming to the Board of Supervisors for almost thirteen years, and I have always found on most occasions, that the Board of Supervisors was very fair. It happens that this bill, to my way of thinking, is one of the most important pieces of legislation that we have ever passed. It was considered in 1945 and now we have amendments to that bill. This bill affects not only property owners but will probably affect thousands. It will affect the general budget as well as the tax rate of the city and county. You are going to enlarge the scope of activities of the Redevelopment Agency, and I sincerely believe, that by some manner or means we should have

the opportunity of studying the bill. To my knowledge the Real Estate Association, the Apartment House groups and many other groups, have never seen this bill. To my knowledge the amendments have been worked on for over a period of weeks. It is my understanding that come Wednesday, the State legislative committee wishes to pass the bill. I can tell you that some of our own legislators are not too well acquainted with the bill itself. I feel this bill is important enough to ask the State Legislature to give us a week's continuance. I know that large groups would like the opportunity of studying the bill. I know Mr. Lash of the Redevelopment Agency is very anxious and sincere in his job but I say this, when you are dealing with thousands of property owners I think the bill takes a great deal of study.

Mr. James E. Lash, Director of the Redevelopment Agency, asserted that two sections were involved in the bill, but that in the main, the amendments dealt with clarifying the powers of the Board of Supervisors and of the Redevelopment Agency.

Motion to Rise and Report.

Supervisor Halley moved that the Board rise and report. Motion seconded by Supervisor Mead.

No objection and motion *carried*.

Final Passage.

The following from Finance Committee, heretofore considered, was taken up:

Present: Supervisors MacPhee, Fazackerley, Mancuso, Mead.

**Salary Standardization Ordinance, Charter Sections 151 and 151.1,
Effective July 1, 1950.**

File No. 4531, Ordinance No. 5955 (Series of 1939).

Discussion.

Supervisor Mead stated that he had heard a lot of talk as to the amount of money that would be necessary to put this ordinance into operation, and that he would like to know the exact amount of money involved in this matter and the effect on the tax rate.

Supervisor Halley informed him that he had been advised by the Controller that the amount of money from taxes would be \$1,346,887.

The Clerk read a communication from the Controller setting forth the amount of money that would be necessary: \$1,934,717 being the aggregate amount with \$1,346,887 being from taxes, and \$587,830 not being from taxes. No report received from Retirement System as to their estimate of increased contributions by the City.

Supervisor Halley remarked that the Retirement System said it would be in the neighborhood of \$140,000.

Supervisor MacPhee, directing his remarks to the Controller, said in the over-all salary picture on the recommendations that the Civil Service Commission made on the cost of putting this program into effect, they state it will cost approximately \$2,160,000, which includes everything, are your figures any different?

Mr. Ross replied: It is my understanding that the Civil Service Commission figured in the retirement cost, as far as the total cost is concerned there is no substantial disagreement.

Mr. Henderson, Secretary and Personnel Director of the City Civil Service Commission, explained that the Retirement System reported that \$225,865.20 should be added to the total cost.

Finally Passed by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, Mancuso, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

Absent: Supervisor McMurray—1.

Final Passage.

The following recommendation of Finance Committee was taken up:

Present: Supervisors MacPhee, Fazackerley, Mancuso, Mead.

Amending Section 1.37.1 of the Annual Salary Ordinance, to Change the Effective Date of Discontinuance of Work Weeks in Excess of 40 Hours per Week, from April 1 to June 30, 1950; an Emergency Measure.

File No. 3619, Ordinance No. 5956 (Series of 1939).

March 27, 1950—Consideration continued to March 30, 1950.

Withdrawal of Motion to Amend.

Supervisor MacPhee stated that at this time he would like to withdraw his suggested amendment because he had discussed the matter with the City Attorney and had been advised that the proposal should not be amended.

There being no objections the request was *granted* and the motion *withdrawn*.

Discussion.

Supervisor Mancuso remarked that he could not see anything that could be gained by the amendment. The only person interested in the matter is Supervisor MacPhee. Do not believe that it is a good

Charter amendment and it is only cluttering the Charter with duplication of State law.

Supervisor MacPhee explained that the City Attorney had been working on this amendment for six months. This amendment would give some form of a check on the contributions received by each candidate. This is information that the public should have and are entitled to it.

Ordered Submitted.

Ordered submitted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Lewis, MacPhee, Mead, J. Joseph Sullivan—7.

Noes: Supervisors Halley, Mancuso, John J. Sullivan—3

Ordered Submitted.

The following from Judiciary Committee without recommendation were taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

Charter Amendment, Section 151.5, Relating to Vacations for Crafts and Per Diem Employees.

File No. 4496

(Series of 1939).

Committee of the Whole.

Supervisor Mancuso, seconded by Supervisor Gallagher, moved that the Board sit as a Committee of the Whole for the consideration of both Charter amendments together.

No objection and motion *carried*.

Supervisor Halley, seconded by Supervisor Mead, moved that the same Chairman act as Chairman of the Committee of the Whole.

No objection and motion *carried*.

Supervisor Mancuso presented a communication from the Civil Service Commission, which was read by the Clerk, explaining the difference between the proposed amendment for Section 151.5 and 151.6.

Mr. George Johns, representing the San Francisco Labor Council, spoke on behalf of the proposed amendment to Section 151.5 and against the one for Section 151.6, stating that the amendment for Section 151.6 would amend Section 151.3 and be detrimental to the best interests of the employees subject to the provisions of said Section 151.3.

Mr. Henderson, Secretary and Personnel Director of the Civil Service Commission, explained that the Commission had no objections to Section 151.5 going on the ballot if Section 151.6 was submitted

also. If Section 151.5 were to be approved it would disturb the working conditions of the employees. Some of the crafts would have to work a 6-hour day, others a 7-hour day, and others an 8-hour day. The crafts would also demand certain fringe rights for the various crafts, and each craft has different fringe rights.

Mr. Tobriner, attorney for the Labor Council, spoke on behalf of the amendment for Section 151.5 and against Section 151.6. He stated that all Section 151.5 would do would be to assure the crafts of the vacation to which they are entitled. Section 151.6 changes the heart of Section 151.3. If it passes all of the decisions rendered pursuant to Section 151.3 would be thrown out and the crafts would have to go to court again to clarify the situation.

Supervisor MacPhee remarked that he could not see why all parties concerned could not get together and iron out this matter so that only one Charter amendment would be submitted.

Mr. A. Mailhoux, representing the Building Trades Council, spoke on behalf of Section 151.5 and against Section 151.6. He explained that all the crafts want is just what private employees receive, and this amendment will accomplish that.

Mr. J. S. Mazareth, representing the Bricklayers' Union, spoke on behalf of Section 151.5.

Motion to Rise and Report.

Supervisor Fazackerley, seconded by Supervisor Mancuso, moved that the Committee of the Whole rise and report.

No objection and motion *carried*.

Supervisor Fazackerley stated that he would like to be informed as to whether or not the City would not be putting itself in a position to be open to attack from the other side if we should pass the amendment to Section 151.5 which would give the crafts the same as private employment is receiving and then, instead of setting up a welfare fund, permit them to remain in the retirement system and receive benefits greater than are being received on the outside.

Supervisor Mancuso remarked that it was his opinion that both of these matters should be submitted to the people. They should have the opportunity of deciding which one they want to approve.

Motion for Do Pass.

Supervisor Gallagher, seconded by Supervisor Mancuso, moved do pass.

Discussion.

Supervisor MacPhee explained that he could not see why these matters should not be postponed and try to get all interested parties together to work out one Charter amendment. Will have to vote against the submission of Section 151.5 and for the submission of Section 151.6.

Supervisor Mancuso moved that both Charter amendments be submitted.

The Chair ruled the motion out of order.

Supervisor Gallagher stated that the proposed amendment for Section 151.5 gives the crafts the vacation which they should receive pursuant to Section 151.4. There is no immediate need for Section 151.6, it can be submitted at the election in November.

Ordered Submitted.

Ordered submitted by the following vote:

Noes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Supervisor Mancuso, seconded by Supervisor Gallagher, moved that the Board rescind its action by which it sustained the Mayor's veto on the following:

Authorizing Sale, at Public Auction, of Municipal Railway Car barn Site (Lot 1, Block 755), Located at Turk and Fillmore Streets.

File No. 5214, Ordinance No. . . . (Series of 1939).

No objection and motion *carried*.

Veto Sustained.

The Chair stated, "The question is, 'shall File No. 5214 become effective notwithstanding the Mayor's veto?'" A vote "aye" overrides the Mayor's veto, a vote "no" sustains the Mayor's veto. Eight votes are required to override the Mayor's veto.

Presentation of Guests.

Presentation of Members of the Junior Club of the Union Square Optimist Club, Pursuant to Invitation Extended by Board on February 27th.

Master Oscar Nation, the President of the Junior Club, affiliated with the Union Square Optimist Club, expressed immense pleasure in being permitted the opportunity of addressing the Board. Master Nation informed the Board that his junior section was supported by the business and professional members of the parent club, and that its members participated in various sports. The age range was from 10 to 15 years, and no discrimination was made as to color, creed or national origin, and that as long as guidance was forthcoming from the senior club, the junior members were certain to acquire the strong, democratic and essential qualities so necessary in becoming law-abiding citizens of the future.

Acting Mayor Supervisor Dewey Mead was called upon by the President to make a statement but relinquished the honor to Supervisor Don Fazackerley. The Supervisor stated that with youngsters such as those sponsored by the Union Square Optimist Club, the future of our country was assured.

(Rule 32 provides that officers and employees who are absent from duty because of disability arising out of and in the course of their employment shall be governed by the provisions of the State Labor Code, and the present amendment is necessary since said Code was recently amended to provide for the payment of disability indemnity during the first seven days of such absence, a benefit not formerly contained in said Code.)

Finally Passed by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Ordered Submitted.

Charter Amendment—Section 93.1, to Provide that the Letting of All Concessions and Privileges Shall Be by Competitive Bidding Unless Otherwise Specifically Authorized by Resolution of the Board, and Further, to Provide That All Awards Shall Be Subject to Approval by Resolution of the Board.

File No. 4900

March 27, 1950—Consideration continued to April 3, 1950.

Amendment.

Supervisor Fazackerley moved as an amendment the inclusion of the following proviso to be inserted at the end of the Charter amendment:

" . . . provided that any letting or permit mentioned in said section shall be subject to competitive bid, unless otherwise specifically authorized by resolution of the Board of Supervisors, and subject to any procedural ordinance hereinabove mentioned consistent with the terms of this Charter."

Motion seconded by Supervisor MacPhee.

Supervisor Halley inquired if representatives of the Park and Recreation Commissions were aware of the foregoing amendment. Supervisor Fazackerley stated they were not informed of the amendment. Supervisor Halley thereupon objected to the procedure, contending that they should have been so notified.

Walker Peddicord, Deputy City Attorney, stated that the language of the proposed amendment would require competitive bids in connection with the leasing or rental of any stadium or recreational field, unless the Board of Supervisors provided otherwise.

Supervisor Lewis termed the proposed amendment as ambiguous, cumbersome and does not accomplish the purpose for which it is obviously intended.

Supervisor Halley stated he was against the amendment because proper departmental representation was not had at the committee hearings.

Privilege of the Floor.

The privilege of the floor was extended to Phil Landis, President of the Public Utilities Commission, who stated in effect, that the proposed amendment would dull management initiative and accordingly would not prove a worthwhile procedure.

Mr. James R. Turner, Manager of Utilities, cited as an example, in order to refute the intent of the proposed amendment, the rental of certain acreage in Sunol, Alameda County, where the lessee invested some forty thousand dollars of his funds and where, as a result of the procedure employed, both the city and the lessee profited.

Supervisor Lewis stated that if compelled to vote on the proposed amendment he would vote against it because he felt the language was ambiguous and would not stand the test of legality.

Substitute—Lost.

Supervisor Lewis moved as a substitute, that the proposed amendment be referred to committee.

Motion lost for want of a second.

Suggestion by Supervisor Mead.

Supervisor Mead suggested that the language in the proposed amendment terminate after the words ". . . shall be subject to competitive bid . . ." to which shall be added the words "provided by the terms of this Charter amendment."

At this point, Supervisor Fazackerley inquired of Mr. Peddicord if the suggested deletion of the remainder of the proposed amendment reading as follows: ". . . unless otherwise specifically authorized by resolution of the Board of Supervisors, and subject to any procedural ordinance hereinabove mentioned consistent with the terms of this Charter," was proper, and Mr. Peddicord replied that the language which Supervisor Fazackerley desired to delete was inserted because it was felt it would be more specific than the general language contained in the first paragraph.

There being no objections, Supervisor Fazackerley withdrew his pending motion.

Proposed Amendments by Supervisor Lewis.

Supervisor Lewis moved the following amendments:

(1) That the paragraph, reading as follows, be deleted

"This section does not prohibit the exercise of the rights of the Recreation and Park Commission conferred by Section 42 of this Charter."

Motion seconded by Supervisor Mancuso.

(2) That the following new language be inserted at the end of the proposed Charter amendment and reading as follows:

"This section does not prohibit the power of the Recreation and Park Commission to lease or rent, without the taking of competitive bids any stadium, pavilion or recreational field under its jurisdiction, for athletic contests, exhibitions and other special events"

Motion seconded by Supervisor Mancuso.

Statement by Walker Peddicord.

Walker Peddicord, Deputy City Attorney, asserted that the deletion of the last paragraph would include the Recreation and Park Commission as any other department.

At this point, Mr. Peddicord suggested that the phrase "as provided in Section 42 of this Charter" be inserted at the end of the proposed new language amendment by Supervisor Lewis.

Supervisor Lewis expressed agreement with the suggestion by Mr. Peddicord and so moved, seconded by Supervisor Mancuso.

Substitute Motion to Defer Consideration.

Supervisor Halley moved as a substitute that consideration of the subject-matter be continued to Thursday, April 6, at 10 a. m. Motion seconded by Supervisor Gallagher and lost by the following vote:

Ayes: Supervisors Gallagher, Halley—2.

Noes: Supervisors Christopher, Fazackerley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Absent: Supervisor McMurray—1.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. Robert H. Hoyt, Business Manager of the Recreation Department, who stated that his department was not particularly concerned with the proposed amendment as only one concession at Sigmund Stern Grove was involved.

Roll Call on Supervisor Lewis' Proposed Amendments.

The roll was thereupon called on the following amendments proposed by Supervisor Lewis:

Deletion of last paragraph: (1)

Carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Addition of new language: (2)

Carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Suggestion by Deputy City Attorney.

Walker Peddicord, Deputy City Attorney, suggested that Supervisor Lewis' new language be amended by inserting therein after the words ". . . without the taking of competitive bids . . ." the words "or approval by the Board of Supervisors."

Accordingly Supervisor Lewis so moved, seconded by Supervisor Mancuso.

Motion *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Privilege of the Floor.

The privilege of the floor was extended to Mr. William Simons, Secretary of the Park Commission, who stated that it was the policy of the Park Commission to be opposed to the principle of having to accept the highest bid.

Consideration temporarily postponed to permit Mr. Simons to discuss the effect of the proposed amendment with Mr. Peddicord.

Presentation of David Russo.

David Russo, a resident of San Francisco and America's "Boy of the Year," was presented to the Board and was warmly applauded.

Continuation of Consideration of Charter Amendment Section 93.1, Re Letting of All Concessions or Privileges.

Mr. Simons, Secretary of the Park Commission, stated that additional time would be appreciated in order to permit further study of the amendment by the Park Commission.

No action taken by Board on request.

Request of Supervisor Halley.

Supervisor Halley requested that the two proposed amendments by Supervisor Lewis be referred to the City Attorney for study and report as to legality.

No objection and so ordered.

Charter Amendment as Amended, Ordered Submitted.

Thereupon the roll was called and the subject Charter amendment, as amended, was *ordered submitted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

File No. 5467, Ordinance No. 5957 (Series of 1939).

Amendment.

Supervisor MacPhee moved that the allowance for overtime be reduced from \$500 to \$100. Motion seconded by Supervisor J. Joseph Sullivan.

No objection and motion *carried*.

The roll was thereupon called and the measure was *finally passed* as amended by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Refused Submission.

The following recommendation of Judiciary Committee was taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

Charter Amendment—Section 35.5, to Provide for Increase in Annual Compensations for the Several Ranks of the Police Department and to Revise Definition of Personnel Constituting the Police Force.

File No. 5330

(Supervisor Gallagher dissenting from that portion of amendment dealing with definition of "police force.")

March 27, 1950—Re-referred by Board to Committee.

Communication.

The Clerk read a communication from the Chief of Police, expressing opposition to a portion of the Charter amendment relating to the definition of the term "police officer."

Motion to Delete.

Supervisor Gallagher moved deletion of the following language:

"The term police officer as used in the preceding sentence is hereby defined to include all personnel whose compensation is fixed herein."

Motion seconded by Supervisor John J. Sullivan.

Supervisor Mancuso ventured the opinion that the intelligent approach to the problem would be to submit a separate Charter Amendment to determine the people's wishes with respect to the interpretation of the term "police officer."

Motion Lost.

Thereupon the roll was called and the motion to delete the language relating to the term "police officer," *lost* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Noes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Absent: Supervisor McMurray—1.

Discussion.

Supervisor MacPhee stated that he saw no particular objection to the submission of two Charter amendments, one dealing with the definition of the term "police officer" and the other dealing with the subject of salaries for the members of the Police Department.

Privilege of the Floor.

The privilege of the floor was accorded Mr. Fred Schuler, representing the Police Officers' Association, who urged submission of the Charter amendment, either jointly or individually, if it is desired by the Board to separate the questions of salaries and interpretation of the term "police officer."

Supervisor Mancuso expressed the opinion that he believed the Charter amendment would have a better chance of obtaining approval by the electorate if the language relating to the definition of the word "police officer" were deleted from it.

Submission Refused.

Thereupon the roll was called and submission of the Charter amendment was *refused* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

Motion to Reconsider.

Before the result of the foregoing roll call was announced, Supervisor Halley changed his vote from "No" to "Aye" and moved reconsideration.

Before an opportunity was afforded for a second, the President ruled the motion to reconsider out of order, and based his ruling on the fact that a motion to reconsider cannot apply to a Charter amendment.

Supervisor Halley attempted to explain that his reason to move reconsideration was merely for the purpose of having consideration of the matter put over until Thursday and afford the City Attorney ample opportunity to prepare an opinion on the matter.

Motion to Rescind.

Supervisor Halley moved that the Board rescind its previous action whereby it had refused to submit the foregoing Charter amendment. Motion seconded by Supervisor Fazackerley.

Motion *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Refused Submission.

Thereupon the roll was called and the foregoing Charter amendment was *refused submission* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

Consideration Continued.

The following from Judiciary Committee, without recommendation, was taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

File No. 5237

Charter Amendment—Amending Sections 168.1.5 and 168.1.7, and Adding Sections 168.1.16, 168.1.17 and 168.1.5.1, Relating to Retirement and Death Allowances Applicable to the Uniformed Forces and Certain Other Employees in the Police Department.

Discussion.

Supervisor Mancuso inquired of Mr. Ralph Nelson, Consulting Actuary, if an actuarial report covering the cost of placing the subject Charter amendment into effect could be available by Thursday, April 6, to which he replied that such a report might be available by Thursday but not before.

Amendment.

Supervisor Gallagher moved as an amendment that Section 168.1.5.1 be amended by deleting the italicized words in the following phrase: "... or who died prior to *said date* ...", and inserting in lieu thereof "July 1, 1950 ...". Motion seconded by Supervisor Mancuso.

Query by Supervisor Mancuso.

Supervisor Mancuso: Can the Board adopt the Charter amendment and ask for the actuarial report to be submitted by next Thursday, without the necessity of having to come back Thursday?

Walker Peddicord, Deputy City Attorney: Section 158 of the Charter reads in part as follows "... provided that the Board of Supervisors shall secure, through the retirement board, an actuarial report of the cost and effect of any proposed change in the benefits under the retirement system, before enacting an ordinance or before voting to submit any proposed Charter amendment providing for such change." In view of the language just stated, the answer would be "no."

Roll Call on Amendment.

Thereupon the roll was called and the amendment proposed by Supervisor Gallagher was *adopted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Motion to Defer Consideration.

Supervisor MacPhee moved that further consideration of the foregoing Charter amendment, as amended, be continued until Thursday, April 6 at 10 a. m. Motion seconded by Supervisor Mancuso.

OFF-CALENDAR MATTERS.

Supervisor Mancuso stated that it was his desire as well as that of the Judiciary Committee that the Charter amendment recently ordered submitted by the Board, designated as File No. 5332, providing for standardization of salaries of the members of the Board, be withdrawn and that it be submitted at the November election instead of at the June 6 election, for the reason that it was apparent that the June 6 ballot would be loaded quite heavily and because of such a condition, the passage of the Charter amendment would be doubtful.

Accordingly, Supervisor Mancuso moved, seconded by Supervisor MacPhee, that the Board rescind its action whereby it had ordered submitted the Charter amendment amending Section 151.1 of the Charter, providing that the salaries of members of the Board of Supervisors shall be fixed by the Civil Service Commission and that such rates as established shall not be changed by said Board.

Supervisor Lewis stated he would vote against such a motion because he saw no reason why the amendment should not appear on the June 6 ballot.

Supervisor Halley agreed with the views of Supervisor Lewis.

Motion Lost.

Thereupon the roll was called and the motion to rescind lost by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

Request of Supervisor Fazackerley Re Vehicular Access to Downtown Area from West of Twin Peaks.

Supervisor Fazackerley stated that figures show that 18,544 vehicles used the two-way roadway located in Upper Market Street each week day while 18,510 vehicles travel on the three-lane highway at Nineteenth and Taraval, which should prove that the upper Market Street thoroughfare is totally inadequate to carry such a heavy load and therefore does not provide proper access to the downtown area.

Accordingly, Supervisor Fazackerley requested that in connection with his suggestion made some time ago and which is, at the present

time, reposing in the Streets Committee, dealing with the problem of providing motorists from the West of Twin Peaks area with proper access facilities to the downtown area, and in view of the proposed abandonment of the Portola Freeway, a meeting be held by the Committee for the purpose of arriving at a formula whereby the priority rating of such a project may be revised so that relief in the foreseeable future may be anticipated. The Clerk of the Committee is instructed to notify the following parties of such a hearing: The Chief Administrative Officer, Director of the Department of Public Works, representative of the State Division of Highways, the Traffic Bureau of the Police Department, representatives of interested civic and improvement clubs.

No objection and so *ordered*.

Request of Supervisor Lewis Re Rapid Transit.

Supervisor Lewis requested that the Mayor's Rapid Transit Committee invite the City Planning Commissioner and members of his Commission, members of the Alameda County Board of Supervisors; Mr. Paul Oppermann and members of his Commission and members of the Board of Supervisors of the City and County of San Francisco, to attend its next meeting for the purpose of attempting to arrive at a determination of proper transit facilities connecting both communities.

No objection and so *ordered*.

Request of Supervisor Mancuso.

Supervisor Mancuso informed the Board that he has noticed that no emergency door exists on the right hand side of trolley busses and accordingly he requested that this matter be referred to committee and that the Public Utilities Commission be invited to be present as well as those parties responsible for preparing the specifications for the trolley busses, so that information may be had for the non-existence of such a facility.

Referred to Public Utilities Committee.

Request of Supervisor Mead.

Supervisor Mead requested that the Clerk send a letter to Supervisor P. J. "Pat" McMurray, now confined in St. Mary's Hospital, expressing the Board's sincere desire that he recover quickly, and that the Clerk ascertain if funds may be procured from some source with which to purchase flowers to accompany the message of good cheer.

Charter Amendment—Amending Sections 168.1.5 and 168.1.7, and Adding Sections 168.1.16, 168.1.17 and 168.1.5.1, Relating to Retirement and Death Allowances Applicable to the Uniformed Forces and Certain Other Employees in the Police Department.

File No. 5237

April 3, 1950—Consideration continued until April 6, 1950.

Explanation by Mr. Ralph Nelson, Consulting Actuary.

The privilege of the floor was extended to Mr. Ralph Nelson, Consulting Actuary, who briefly explained to the Board the cost of placing the foregoing Charter amendment into effect, and suggested that an amendment which he had prepared, to take care of the added increases in retirement allowance, be incorporated into the proposed Charter amendment.

Supervisor Mancuso expressed the opinion that this particular group of employees should be accorded every possible consideration.

and thereupon moved that the recommendation of Mr. Ralph Nelson and reading as follows:

The increase in the retirement allowance shall be apportioned according to service rendered by the member in the same manner that the allowance prior to increase was apportioned. Contributions to the retirement system necessary for the payment of the increases of the portion of the retirement allowances which is paid from reserves held by the retirement system, shall be provided from the reserves held by the retirement system on account of members, under section 168.1, the necessary amount being transferred upon said effective date, from said reserves to the reserves held by the retirement system to meet the obligations on account of benefits that have been granted and on account of prior service of members. The contribution being required of the city and county currently, as a percentage of salaries of persons who are members under section 168.1, shall be increased to a percentage determined by the actuary as necessary to replace the reserves so transferred. Contributions to the retirement system necessary for the payment of said increases with reference to current and prior service portions of the allowances which are not paid from reserves held by the retirement system, shall be paid to the system by the city and county by annual appropriations, provided that such appropriation for any year shall not be less than the amount disbursed during that year on account of said increases.

be made part of Section 168.1.5.1. Motion seconded by Supervisor MacPhee.

Motion *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Thereupon the roll was called and the subject Charter amendment, as amended, was *ordered submitted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Rescission of Board Action Re Submission of Charter Amendment Affecting Section 93.1—Letting of Concessions and Privileges.

Supervisor Halley moved, seconded by Supervisor MacPhee, that the Board rescind its action whereby it had ordered submitted at a previous meeting of the Board, the proposed Charter amendment, Section 93.1, in connection with the letting of concessions and privileges.

No objection and motion *carried*.

Statement by Deputy City Attorney.

Deputy City Attorney Walker Peddicord stated that the Charter amendment which had heretofore been ordered submitted did not contain the following language found in the first paragraph of a companion measure:

“ . . . and shall be let to the highest responsible bidder, unless the department, officer, or commission having jurisdiction over the property, or the Board of Supervisors, rejects any and all bids . . . ”

Motion to Amend.

Supervisor MacPhee moved that the proposed Charter amendment

be amended to contain the language proposed by the Deputy City Attorney. Motion seconded by Supervisor Mancuso.

Supervisor Fazackerley questioned the necessity of adding the new language, whereupon Supervisor MacPhee withdrew his motion, there being no objection.

Motion to Amend.

Supervisor Gallagher moved that the provision relating to the Municipal Auditorium be deleted. Motion seconded by Supervisor John J. Sullivan.

Statement by Eugene Riordan, Director of the Real Estate Department.

The privilege of the floor was accorded to Mr. Eugene Riordan, Director of the Real Estate Department, who informed the Board that there have been court decisions vesting exclusive power over the Municipal Auditorium in the Real Estate Department.

Statement by Walker Peddicord.

Walker Peddicord, Deputy City Attorney, asserted that if the proviso is deleted, without specific amendment of Section 61 of the Charter, such action would bring up the question of implied revocation.

Motion Withdrawn.

There being no objection, Supervisor Gallagher *withdrew* his motion.

Motion—No Second.

Supervisor Gallagher moved that the following language be deleted from the proposed amendment: "... covering or relating to the Municipal Auditorium."

Motion *lost* for want of a second.

Recess.

Supervisor MacPhee moved a 15-minute recess. Motion seconded by Supervisor Mancuso.

No objection and motion *carried*.

Reconvening of Board.

The Board reconvened at 11:30 a. m.

Query by Supervisor Gallagher.

Supervisor Gallagher inquired if his proposed amendment, previously offered relating to the deletion of language which would give the Board the right to approve leases or rental of the Municipal Auditorium, was in conflict with Section 61 of the Charter, to which Mr. Peddicord replied that the adoption of such an amendment would affect the control and management of the Municipal Auditorium.

Amendment—Withdrawn.

Supervisor Gallagher moved, seconded by Supervisor J. Joseph Sullivan, that "... this section shall not apply to the leasing of the Municipal Auditorium."

Statement by Mr. Eugene Riordan.

Mr. Eugene Riordan, Director of Property, stated that it would be impractical to come before the Board on the many occasions where rentals of the Auditorium are involved.

Amendment to the Amendment.

Supervisor Mancuso moved as an amendment to the amendment that the words "renting or" be inserted after the words "shall not

apply to the . . ." contained in Supervisor Gallagher's motion to amend. Motion seconded by Supervisor Gallagher.

Statement by Supervisor Lewis.

Supervisor Lewis asserted that if the Board eliminated the Municipal Auditorium from the compulsion of competitive bids, he would vote against the Charter amendment.

There being no objection, Supervisor Gallagher *withdrew* his amendment, and introduced the following amendment:

That the first paragraph of the proposed Charter amendment be amended to read in part as follows:

" . . . provided that this section shall not apply to revocable permits or licenses or to the renting or leasing relating to the Municipal Auditorium . . ." Motion seconded by Supervisor Fazackerley.

Thereupon the roll was called and the amendment was *adopted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—9.

No: Supervisor Lewis—1.

Rescission of Action on Charter Amendment Heretofore Refused Submission by the Board Relating to Increases in Compensation of Members of the Police Department and Definition of the Term "Police Officer."

Supervisor Gallagher moved that the Board rescind its action whereby it had, at a previous meeting of the Board, refused submission of a proposed Charter amendment dealing with increased compensation for members of the Police Department as well as with the definition of the term "Police Officer." Motion seconded by Supervisor John J. Sullivan.

Supervisor Mancuso, Chairman of the Judiciary Committee, stated that his committee felt that it was not right for the Board to turn down the request of the Police Department.

The roll was thereupon called and the motion to rescind carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Discussion.

Supervisor Mancuso stated that it was the desire of his committee to submit two Charter amendments containing the identical intent of the proposed Charter amendment which, heretofore, had been refused submission by the Board, namely, one relating to the definition of the term "police officer," and the other, dealing with salary increments for the several ranks of the Police Department.

Query by Supervisor Lewis.

Supervisor Lewis inquired of Walker Peddicord if it was possible for the Board to place two Charter amendments on the ballot, one dealing with how many policemen there are to be in San Francisco and defining the term "police officer," and the other, dealing with salary increases, to which Mr. Peddicord replied "yes."

Motion to Submit Charter Amendment Dealing With Definition of Term "Police Officer."

Supervisor Mancuso presented, as a recommendation of the Judiciary Committee, a proposed Charter amendment, amending Section 35.5.1, relating to the definition of the term "police officer," and moved its submission. Motion seconded by Supervisor J. Joseph Sullivan.

Supervisor Gallagher: I question again the language of this amendment. You are actually presenting three Charter Amendments. I hope the Board submits the Charter amendment regarding the \$35 per month and not include therein the reference to one police officer for every 500 people.

Supervisor MacPhee: My position has not changed. I suggested both these matters should be submitted separately. There is nothing wrong in having the people indicate their position in the matter. I feel we should submit both of these measures on the ballot.

Supervisor Lewis stated that when one votes for a Charter amendment, the inference is that that person subscribes to the principle contained therein, and accordingly, he was voting "no" on the Charter amendment proposed by Supervisor Mancuso.

Privilege of the Floor.

The privilege of the floor was accorded to Sergeant Murray of the Police Department, who stated that should the pending Charter amendment be adopted, it would reduce the number of policemen below the minimum requirements and that in event of an emergency,

the Police Department would be unable to cope with it. Accordingly, he had been instructed by the Police Chief that he make known the department's opposition to the pending proposal.

Supervisor Mancuso: Under the terms of the Charter, should an emergency arise, the section providing for one policeman for each 500 inhabitants can be set aside by proclamation. I call your attention to the fact that during the war, the City and County of San Francisco had the largest population it ever had, and only had one policeman for every 600 inhabitants, and then the Chief of Police came before the Finance Committee and asked if we could give him one in every 500 and then stated he would have more than enough to take care of any emergency and we did grant him the personnel.

Sergeant Murray replied that during the war the Police Department had the benefit of the Police Reserve, ably assisted by the Navy Shore Patrol.

Refused Submission.

Thereupon the roll was called and the proposed Charter amendment relating to the definition of the term "police officer," was *refused submission* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

Ordered Submitted.

The following recommendation of the Judiciary Committee was next taken up:

Charter Amendment—Section 35.5, Providing for Increases in Compensations for the Several Ranks of the Police Department.

File No. 5330

Ordered submitted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

Approving Application or Applications of the Redevelopment Agency of the City and County of San Francisco to the Federal Housing and Home Finance Administrator for Preliminary Advance of Funds to Cover Cost of Surveys and Other Activities in Connection With Slum Clearance and Urban Redevelopment Projects.

File No. 5477, Resolution No. . . . (Series of 1939).

Communication.

The Clerk presented a communication from James E. Lash, Director, Redevelopment Agency, transmitting information concerning the Redevelopment Agency's application for preliminary advance of federal funds.

Ordered filed.

Discussion.

Supervisor Fazackerley remarked that at the meeting of the Finance Committee a number of questions were asked as to policy. It seems that if it is possible to route federal funds through the City and County funds, and then subject them to appropriations by this Board, we would then pay direct to the Redevelopment Agency so that they could carry out all of their plans. The City Attorney has been asked if this could be done.

Supervisor MacPhee explained that it was brought out at the Finance Committee meeting that the Board could reserve the right to approve any contract between the Redevelopment Agency and the Federal Government. In accordance with that thought I will present a substitute for the matter appearing on the calendar.

Mr. Walker Peddicord, Deputy City Attorney, stated that the city could not be an applicant under the federal law. It would not be wise to have the city be the applicant because of the nature of the loan features involved.

The substitute that is being presented provides for the designation of the areas in which the money is to be used. The Redevelopment Act contains a section whereby the city would have the right to make it a requisite that the Redevelopment Agency get the approval of the legislative body before it expends any money or enters into a contract.

Supervisor MacPhee, seconded by Supervisor Fazackerley, moved that the following legislation be substituted for the matter appearing on today's calendar.

No objection and motion *carried*.

Adoption.

Declaring That Necessity and Public Interest Require the San Francisco Redevelopment Agency to Avail Itself of the Financial Assistance Provided by Title I of the Housing Act of 1949 to Assist Local Slum Clearance and Urban Redevelopment Projects; and Approving Filing of Application or Applications for a Preliminary Advance of Funds from the Housing and Home Finance Administrator Under Said Title I.

File No. 5477, Resolution No. 9721 (Series of 1939).

Adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor McMurray—1.

SPECIAL ORDER—2:00 P. M.

Decision Disapproved.

Hearing of Appeal from Decision of the City Planning Commission by Its Resolution No. 3711, Dated February 9, 1950, Disapproving Application for a Variance from the Minimum Lot Area and Maximum Lot Coverage Requirements as Applied to Property Located on the North Line of Laussat Street 150 Feet Easterly from Webster Street.

File No. 5428

April 3, 1950—Consideration continued to April 10, 1950.

Discussion.

Mr. Paul Freedman, attorney at law, representing the appellant, explained that the appellant desired to construct a small home on the lot. Some time ago his client, who had owned two connecting lots, sold a portion of the land and retained this lot so that she could build her house. A new house in this district would be an asset to it rather than a detriment.

Mr. Bryant Hall, representing the City Planning Commission, stated that the request for a variance was not approved because the house would cover all of the land in the lot. The lot size ordinance permits some variances but this lot does not fall within any of the exceptions.

Supervisor Gallagher remarked that it was his belief that the lot size ordinance was not intended for a lot such as the one now in question. It was to stop builders, who were building a number of houses, from constructing a greater number of houses in one block than should be.

Adopted.

Disapproving Decision of the City Planning Commission by Its Resolution No. 3711, Dated February 9, 1950, Denying Application for a Variance from the Minimum Lot Area and Maximum Lot Coverage Requirements as Applied to Property Located on the North Line of Laussat Street 150 Feet Easterly from Webster Street.

Enforcement of the Curfew Ordinance.

Supervisor Lewis remarked that he had received a communication from the District Attorney relative to the number of parents cited for the violation of the curfew ordinance. Nobody has been cited. Steps should be taken to see that this law is enforced and if it is necessary to amend the ordinance to make it effective the Board should be so informed.

Rehabilitation of Kezar Stadium and Purchase of Land for Adjoining Parking Area.

Supervisor Lewis stated that the Mayor has made the statement that Kezar Stadium is fit for only high school games. The Mayor and myself are in accord in this matter. Before this Board proceeds with the enlargement of the stadium there is certain information that we should receive. Request that the Clerk direct a letter to all departments interested to find out how much money we have already spent on the enlarging of Kezar Stadium and the parking area, how much we have contracted for the future and how much additional funds this Board is going to be asked to expend on this project.

No objection and request *granted*.

Reference to Committee.

Amending the Charter to Provide for the Entering into a Contract With a Private Claims Agent for the Handling of All Claims of the Municipal Railway and the Public Utilities Commission.

Supervisor Lewis presented.

File No. 5584

Referred to Judiciary Committee.

Survey of the San Francisco Police Department.

Supervisor MacPhee remarked that a very fine job has been done on the survey of the San Francisco Police Department. The committee went into much detail and their recommendations have been backed up by documentary proof. It was stated to the Finance Committee by Commissioner Maginn that if the report showed that additional men were not needed they would not be put on the payroll. Believe that the Board should have a determination from the president of the Police Commission if he intends to conform to the recommendation contained in the survey with respect to the employment of additional police personnel.

Request that this question be put to the Police Commission and ask that the report be submitted to the Board prior to May 1, 1950.

The Chair ruled that that would have to be done by motion.

Motion.

Supervisor MacPhee, seconded by Supervisor Fazackerley, moved that the Clerk write a letter to the Police Commission requesting a report by May 1st, relative to the employment of additional personnel in light of the recommendations contained in the survey of the Police Department.

Supervisor J. Joseph Sullivan suggested that the Commission include in the report its intention as to the 35 additional police personnel.

Supervisor Gallagher remarked that the Clerk's office should condense the findings and recommendations of the report.

Supervisor Mancuso stated that he believed that the motion was premature. The matter should be discussed in committee so that we could propound any request desired to the Police Commission or the Chief of Police.

Supervisor Halley moved, as a substitute, that the matter be referred to Finance Committee.

Motion lost for want of a second.

Withdrawal of Motion.

Supervisor MacPhee requested that he be permitted to withdraw his motion.

No objection and motion *withdrawn*.

Meeting.

Supervisor Christopher announced a meeting of the Rules Committee for Friday, April 14, 1950, 2 p. m.

Additional Personnel for the Municipal Railway.

Supervisor Christopher stated that we are contemplating a bond issue for a subway and we are contemplating other bond issues that will encumber the taxpayers to a great extent. Since 1945 the railway has increased its income over \$3,000,000 but has increased its operating expenses by over \$8,000,000. Do not see why we condone increasing personnel for the Municipal Railway. If the subway is ever built it will take approximately \$2 in the tax rate to subsidized the subway and other transportation facilities in San Francisco. Feel

that when a particular department increases its income in five years by over \$3,000,000 and increases its expenses by \$8,000,000 there is something wrong. Believe we should study every expenditure we make for the Public Utilities Commission. Feel that any additional personnel in that department should be curtailed

Adopted.

Supervisor Christopher presented:

File No. 5585, Resolution No. 9733 (Series of 1939).

Discussion.

Discussion was had in connection with the appropriation of \$300,000 allocated to Stockton-Fourth Street construction

Colonel Marmion D. Mills, Municipal Railway Coordinator, informed the Board that by the process of converting the remaining street cars to trolley coaches, costs of operation would be cut in half.

Query by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan inquired if any of the remaining funds of the \$20,000,000 voted for the rehabilitation of the Municipal Railway would be used for the purchase of street cars, and Mr. Olson replied to the effect that it was the intention of the Public Utilities Commission to purchase additional street cars but since the employment of Mr. Mills, the purchase of such street cars has been taken under advisement.

Mr. Mills, at this point, stated that it was not the intention of the Public Utilities Commission to advocate the purchase of any additional street cars out of the remaining funds of the \$20,000,000 bond issue.

Supervisor J. Supervisor MacPhee, Chairman of the Finance Committee, hastened to explain that the Water Department possessed a large area in Contra Costa County devoted to the raising of walnuts and that membership in such an organization would facilitate the disposal of the crop, and that the cost to the city would amount to 6 per cent of the proceeds from the sale of the walnuts.

Authorizing a Speed Limit of 35 Miles Per Hour for Vehicular Traffic on Certain Portions of Sloat Boulevard.

Eastbound traffic, between east line of the Great Highway and the east line of Thirty-ninth Avenue;

Westbound traffic, between the east line of Thirty-ninth Avenue and the east line of Forty-seventh Avenue.)

Discussion.

Supervisor Mancuso asserted that a thorough study of traffic regulations should be made on Sloat Boulevard before any definite decision is made relating to the establishment of speed limits thereon.

Supervisor J. Joseph Sullivan called attention to the fact that the Commodore Sloat Junior High School is located in the area, and inquired if the Principal of said school had been invited to attend the meeting of the Police Committee.

Sergeant Murray of the Police Department stressed the fact that Sloat Boulevard is very wide and the speed limit thereon should not be cut down to 25 miles per hour, and that one would not compare Sloat Boulevard with Grant Avenue on which the 25-mile per hour speed limit is in effect.

Explanation of Vote.

Supervisor J. Joseph Sullivan stated that hundreds of children live and play in the area and therefore would not vote in favor of the pending measure.

Amendment.

Supervisor Gallagher moved, seconded by Supervisor J. Joseph Sullivan, that the following language in the measure be deleted: ". . . Sloat Boulevard, eastbound and westbound traffic, between Junipero Serra Boulevard, St. Francis Circle and Nineteenth Avenue . . ."

Discussion.

Supervisor Fazackerley expressed the opinion that the speed limit on Sloat Boulevard cannot be reduced because it has been established by state law.

Supervisor Mancuso stated that the question of speed limit on Sloat Boulevard should not be considered at the present time until the Department of Public Works had completed its construction program in the area.

Substitute Motion.

Accordingly, Supervisor Mancuso moved as a substitute, seconded by Supervisor John J. Sullivan, that the measure be re-referred to committee for a thorough hearing.

Motion *carried* by the following vote:

Eulogy Re Nion R. Tucker.

Supervisor Halley spoke movingly of the loss suffered by the City and County of San Francisco by the death of Nion R. Tucker. Mr. Tucker was a great Californian, interested in everything pertaining to the health and welfare of the community. He was instrumental in organizing the Grand National Livestock Exposition, and that he personally, felt his loss keenly.

Supervisor Halley introduced his attractive counterpart, Miss Shirley Nelson, who stated that she, too, was satisfied with conditions as they were at the present time, and accordingly, had no suggestion to offer.

Statement by Supervisor Mancuso.

Supervisor Mancuso gave a brief talk on the action of the Legislature in refusing to go along with the recommendations of the County Supervisors' Association dealing with allocation of funds by the State to the counties, relating to old-age and blind aid. Failure on the part of the Legislature to grant such relief to the counties, Supervisor Mancuso stated, meant that the City and County of San Francisco would be saddled with an increase of 22.8 cents in the tax rate.

Introduction of "Student Supervisors."

Supervisor Mancuso introduced attractive Valerie Ellingsen of Mission High School, who declared that steps should be immediately taken to clean up not only China Beach but all the beaches so that their cleanliness may prove an added attraction to the tourist trade.

Supervisor Mancuso, in behalf of Supervisor McMurray, who was absent due to hospital confinement, introduced "Student Supervisor" Doyle Akins of Mission High School, who stressed the importance of having one recreational field centrally located, that could be used by all high schools and thus obviate the necessity of traveling to all parts of the city.

Supervisor Mead introduced "Student Supervisor" Alvin Aleixo of the High School of Commerce, who expressed the opinion that the Board members should be supplied with more comfortable chairs.

Supervisor J. Joseph Sullivan introduced attractive "Student Supervisor" Pola Massoni of Galileo High School, who stated that the duties of a Supervisor are very interesting and absorbing.

Supervisor John J. Sullivan introduced "Student Supervisor" Bruce Blake of Lincoln High School, who also expressed great delight in being permitted the opportunity of witnessing a deliberative body in session and that he was enjoying the proceedings very much.

"Student Treasurer" Karen Wolseth of Lincoln High School stated that she had heard adverse criticism of the Supervisors but now that she has had an opportunity of witnessing a deliberative session, she was convinced that such criticism has been totally unfounded and that she intended to do what she can to squelch future derogatory statements.

"Student Director of Public Health" Claire Foster of George Washington High School asserted that she has been very much impressed with the proceedings and had enjoyed them immensely.

The Clerk of the Board, John R. McGrath informed the Board members that no little credit should be given to Shirley Swartz of Everett Junior High School for the excellent manner in which she handled the intricate duties of the Clerk of the Board.

"Student Clerk of the Board" Shirley Swartz stated that she had a most enjoyable time although she admitted she encountered a little bit of difficulty in pronouncing Supervisor Frazierley's name.

"Student Supervisor" Harry Chuck of Francisco Junior High School stated that the proceedings have proven of much interest to him and that a fair smattering of legislative procedure had been gained.

"Student President of the Board" Gus Kanelopoulos performed the duties of President of the Board in splendid fashion, his loud and clear tenor voice enunciating the result of each action with definiteness.

Statement by Supervisor Mancuso.

Supervisor Mancuso expressed the hope that since the "student officers" have been enlightened to some extent of the duties of the Board of Supervisors, they would go forth and assist in every manner possible for the successful passage of the Charter amendment proposing to standardize the salaries of the members of the Board.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan—8.

Absent: Supervisors Gallagher, McMurray, John J. Sullivan—3.
Quorum present.

President George Christopher presiding.

Supervisors Gallagher and John J. Sullivan on authorized leaves of absence.

Supervisor McMurray absent due to illness.

APPROVAL OF JOURNAL.

The Journal of Proceedings for April 17, 1950, was considered read and approved.

Consideration of Mayor's Veto of File No. 5101, Relating to Extension of Leave of Absence for Dr. J. C. Geiger, Director, Department of Public Health.

The Clerk informed the Board that the Mayor had vetoed on April 21, 1950, a proposed measure extending a leave of absence to April 28, 1950, for Dr. J. C. Geiger, Director of Public Health, for the purpose of attending additional sessions conducted by the Atomic Energy Commission at the University of California at Los Angeles. The Mayor's veto was predicated on the fact that the measure did not bear the signature of the Controller as to availability of funds. The Clerk, however, informed the Board that the calendar of the Board contained similar legislation bearing the necessary signatures.

Thereupon, the President put the question to the Board: A vote "Aye" overrules the Mayor's veto; a vote "No" sustains the Mayor's veto.

The roll was thereupon called and the Mayor's veto was sustained by the following vote:

Noes: Supervisors Christopher, Fazackerley, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan—8.

Absent: Supervisors Gallagher, McMurray, John J. Sullivan 3.
Measure filed.

Communications.

From the Park Commission, supplying information in connection with proposed enlargement and rehabilitation of Kezar Stadium.

Ordered filed.

From the Registrar of Voters, submitting certification in connection with the number of signatures on the Referendum Petition protesting passage of the Salary Standardization Ordinance.

Ordered filed.

Explanation.

Referendum—"Salary Standardization Ordinance, Charter Sections 151 and 151.1, Effective July 1, 1950."

File No. 4531, Ordinance No. 5955 (Series of 1939) "Salary Standardization Ordinance, Charter Sections 151 and 151.1, Effective July 1, 1950," was finally passed by the Board on March 30, 1950, and on that day was approved by the Mayor.

On April 27, 1950, there was filed in the Clerk's Office, and referred to the Registrar of Voters for verification and certification, a petition purported to bear signatures equal in number to at least ten per centum of the entire vote cast for all candidates for Mayor at the last preceding general municipal election.

In a letter dated May 1, 1950, the Registrar of Voters has certified that said petition contains the signatures of the number of registered voters requisite for its submission to the electorate.

Unless, after said ordinance has been reconsidered, it is repealed in its entirety, the Board shall submit the ordinance to the vote of the electors at the next general municipal election or at a special election to be called for that purpose.

There is therefor presented for such action as is deemed advisable, after reconsideration of Ordinance No. 5955 (Series of 1939) File No. 4531, a measure designed to repeal Ordinance No. 5955, and File No. 4531 a proposed resolution submitting Ordinance No. 5955 to the vote of the electors at a special election to be called for that purpose on June 6, 1950.

Refused Passage for Second Reading.

Repealing Ordinance No. 5955 (Series of 1939) Entitled "Salary Standardization Ordinance, Charter Sections 151 and 151.1, Effective July 1, 1950."

File No. 4531, Ordinance No. (Series of 1939).

Motion "Do Pass."

Supervisor MacPhee moved that the foregoing measure be passed for second reading. Motion seconded by Supervisor Fazackerley.

Statement by Supervisor Mead.

Supervisor Mead stated that he did not propose to vote in favor of the measure; and that the people should be accorded the opportunity of voting on the question.

Query by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan inquired of the City Attorney if the Board had the authority to amend the present Salary Standardization Ordinance to include therein the original recommendations of the Finance Committee and to submit such amended measure to the people, to which Mr. Peddicord, Deputy City Attorney, replied to the effect that the Charter provided that if a measure is not entirely repealed, the Board of Supervisors shall submit same to the vote of the electors at the next general municipal election or at a special election called for the purpose.

Measure Defeated.

Thereupon the roll was called and the foregoing measure was *refused passage for second reading* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

Noes: Supervisors Halley, Lewis, Mancuso, Mead—4.

Absent: Supervisors Gallagher, McMurray, J. Joseph Sullivan—3

Adopted.

The Clerk read the following:

Submitting to the Electors of the City and County of San Francisco for Their Approval or Disapproval, Pursuant to the Provisions of Section 179 of the Charter, Ordinance No. 5955 (Series of 1939) Enacted by the Board of Supervisors on the 30th Day of March, 1950, and Approved by the Mayor on the 30th Day of March, 1950, Entitled, "An Ordinance Fixing and Determining Schedules of Compensation to Be Paid Municipal Officers and Employees and Non-Certificated Employees of the San Francisco Unified School District Whose Offices and Positions Are Allocated to Classifications Specified Herein and Compensations for Which Are Subject to the Provisions of Section 151 and Section 151.1 of the Charter; Providing That the Said Schedules of Compensation Shall Be Effective Beginning July 1, 1950."

File No. 4531, Resolution No. 9811 (Series of 1939).

Motion "Do Pass."

Supervisor Mancuso moved adoption of the foregoing measure. Motion seconded by Supervisor MacPhee.

Adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Halley, Lewis, MacPhee, Mancuso, Mead, J. Joseph Sullivan—8.

Absent: Supervisors Gallagher, McMurray, John J. Sullivan—3.

Question by Supervisor Mancuso.

Supervisor Mancuso inquired of Mr. Peddicord, Deputy City Attorney, if the subject measure would appear on the ballot in an affirmative or negative form, to which Mr. Peddicord replied by quoting a portion of Section 179 of the Charter, reading as follows: ". . . and such ordinance shall not go into effect or become operative unless and until a majority of the qualified electors voting thereon shall vote in favor thereof . . ." Mr. Peddicord further stated that the question the electors must answer is "Shall Ordinance No. 5955 (Series of 1939) be adopted?"

Query Re Submission of Ballot Arguments.

Supervisor Mancuso inquired if, under the terms of the Charter, proponents of measures are entitled to submit arguments, to which Mr. Peddicord replied that pursuant to the terms of Section 179 of the Charter, both sides are eligible to submit arguments.

At this point, Supervisor Mancuso presented ballot arguments in favor of the salary standardization measure, titled Proposition "I," and stated that he would call a meeting of the Judiciary Committee later on in the afternoon for the purpose of acting on said ballot argument.

SPECIAL ORDER—2:00 P. M.

Hearing of Appeal from Decision of the City Planning Commission by Its Resolution No. 3723 Dated March 9, 1950, Disapproving Application to Rezone Property Designated as Block 6673 and Portions of Blocks 6674 and 2909A, Located in the Glen Park Area, from First Residential District to Second Residential District.

File No. 5518

Privilege of the Floor.

The privilege of the floor was accorded to the following:

Appellant:

Mr. William A. O'Brien, Counsel for the San Francisco Housing Authority, first inquired if it were possible for the Board to postpone action on the appeal until such time as the Board achieved its full membership. It developed, however, that even though granted the ten-day stay as permitted by the Charter, at the end of such extension, only seven members would be in attendance instead of the eight members attending today's session of the Board. Accordingly, Mr. O'Brien elected to present the Housing Authority's views at this session.

Mr. O'Brien explained the Housing Authority's stand as follows: The subject matter had been heard before the City Planning Commission on two or three different occasions, resulting in favorable decision to the Housing Authority. It was likewise heard before the Board and also resulted in favor of the Authority. On June 5, 1941, the Planning Commission rezoned this site from first to second residential, specifying stipulations as to the character of the buildings which were to be constructed by the Housing Authority. An appeal was thereafter taken and on July 28, 1941, this Board, after further hearing, confirmed the ruling of the City Planning Commission. The protestants at that time filed another petition which was likewise denied. One of the stipulations that the Planning Commission imposed was that the Housing Authority would proceed with the development of this project within one year after they were able to proceed thereunder. Immediately afterwards there was the war which imposed conditions which made it impossible to proceed. There is in existence a Municipal Cooperation Agreement between the city departments. In good faith and upon determination by this Board, after full hearing, the Housing Authority went to the Federal Government and made application for seventy-six to eighty thousand dollars and this money cannot be used in any way until this site is developed. The type of development is based on twenty-nine acres, which will accommodate 173 families in 30 buildings. There is no evidence that development of this site is expected by private enterprise now nor in the immediate future. It seems to me that determination having been made a number of times, the question seems to be what change, if any, has taken place since the Planning Commission and the Board determined that this site should be second residential and this project go forward. There is only one thing that may be considered as being a change in circumstances and that is the program of the Recreation Commission to develop the area as a recreational center, to serve as a day camp, to preserve the sylvan atmosphere of the area. We have tried to satisfy the Recreation Commission. This project will not interfere with the development desired by the Recreation Commission. We can have two, ours and the Recreation Commission's. Another problem that arose was that there would be a large removal of fill which would interfere with the recreational project. To remove that fill would cost about forty-two thousand dollars, which we will gladly pay to help out the Recreation Commission. The only remaining objection would be that our project would probably destroy the sylvan atmosphere. We will landscape and put trees in front of our property at an additional expense to us.

Mr. Paul Oppermann, Director of Planning, expressed the view of the Commission by stating that on March 9, 1950, the Planning Commission, by a 4 to 3 vote, overruled the application to rezone the area in question from first to second residential, and that the principal reason for the objection to the rezoning was due to the fact that the proposed housing project was in conflict with the city's Master Plan of 1948 which approved the day camp proposed by the

Recreation Commission. The site desired by the Housing Authority is vacant, steep and rocky. The streets in the area are steep and narrow. Then there is the question of transit facilities. The nearest bus is around 3,000 feet away. Then there is the matter of elementary schools and the nearest one is over one-half mile away, and there are no plans pending for the construction of schools in the area in the immediate future, and then there is the question of health, fire and police facilities. In view of all of these reasons, the Planning Commission does not believe that the area is a desirable one for the project proposed by the Housing Authority.

Proponents:

The following proponents were accorded the privilege of the floor:

John L. Hogg, Business Representative, Carpenters' Union, Building Trades Council; Edward Howden, Executive Director, Council for Civic Unity, and others.

It was brought out by the proponents that there were many families now existing without adequate housing accommodations, and while it was appropriate to have a recreational center in the area, housing was certainly of paramount importance. Many civic organizations in San Francisco are supporting the Glen Craggs Project and some of them are as follows: Council for Civic Unity, San Francisco Neighborhood Association, San Francisco Council of Women Shoppers, San Francisco Planning and Housing Association, San Francisco C.I.O. Council, Independent Progressive Party of San Francisco, Pile Drivers' Union and others. Further, the project would provide much needed employment.

Opponents:

The following opponents were accorded the privilege of the floor: Mr. C. Stuhr, Mrs. Fred Kemmeries, Mrs. J. Gomersal, and others.

It was pointed out by the opponents that they preferred to have the area remain First Residential; further, they expressed hearty approval of the proposed summer camp. It was likewise pointed out that the Alemany District Council was also opposed to the proposed rezoning.

Statement by Superintendent of Recreation Department.

Miss Josephine Randall, Superintendent of the Recreation Department, stressed the fact that Glen Park area provided the only suitable site in San Francisco for a day camp and that it should be so utilized.

Taken in Hands of the Board.

There being no further interested citizens who desired to speak, the matter was taken into the hands of the Board.

Query by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan requested an opinion from the City Attorney's representative who was present, as to the zoning status of the area in question, in view of the stipulations attached to such classification some years ago, and in view of the fact that a state of war existed at the time which prevented such stipulations being put into effect.

Mr. Walker Peddicord, Deputy City Attorney, replied that the provisions of Section 48 of the City Planning Code covered the Supervisor's questions.

Statement by Mr. Oppermann.

Mr. Paul Oppermann, Director of Planning, stated that his office has always cooperated with the Housing Authority and that this was the first housing project which the Commission has rejected, and that each request for change of classification is considered strictly on its merits.

City Planning Commission Sustained.

The Clerk read the following to the Board:

Disapproving Decision of the City Planning Commission by Its Resolution No. 3723 Dated March 9, 1950, Denying Application to Rezone Property Designated as Block 6673 and Portions of Blocks 6674 and 2909A, Located in the Glen Park Area, from First Residential District to Second Residential District.

File No. 5518, Resolution No. . . . (Series of 1939).

Question Put by President.

The President put the question to the Board as follows: A vote "Aye" overrules the City Planning Commission and sustains the appeal, a vote "No" sustains the City Planning Commission and denies the appeal.

The roll was thereupon called and the foregoing measure was *refused adoption* by the following vote:

Ayes: Supervisors Fazackerley, Lewis, J. Joseph Sullivan—3.

Noes: Supervisors Christopher, Halley, MacPhee, Mancuso, Mead—5.

Absent: Supervisors Gallagher, McMurray, John J. Sullivan—3.

ROLL CALL FOR THE INTRODUCTION OF MEASURES AND COMMUNICATIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.**Reference to Committee.****Requesting That Committee Investigation Be Instituted to Determine Why the Bids of West Coast Shipyards Are So Much Higher Than Bids of East Coast Shipyards.**

Supervisor Fazackerley explained that Congressman Havenner had informed him that two bids had been received for the rehabilitation

of the General Polk and the General Weigel, with the bid from the Bethlehem Shipyard of San Francisco being approximately \$1,000,000 higher than the bid of the Bethlehem Shipyard of Baltimore. A congressional survey was made last year to determine the cost of work on the East and West Coasts and it was found that it costs more to do repair work on the East Coast than on the West Coast. In view of the finding of the survey believe that the proper committee should investigate the reasons as to why, in this particular case, the bid of the West Coast shipyard was so much higher than the bid of the East Coast shipyard.

Supervisor MacPhee presented the following motions as recommendations of the Finance Committee:

Motion Regarding the Adoption of the Budget to Be Passed Immediately Following the Seriatim Consideration of the Departmental Budgets.

Since the departmental budgets that this Board has individually acted upon contain financial provisions for the payment of compensations and retirement fixed pursuant to Sections 151 and 151.1 and the retirement provisions of the Charter in accordance with Ordinance No. 5955 (Series of 1939), the Controller, at the request of the Finance Committee, has prepared a schedule showing by departments the adjustments to these amounts for these classes which will be necessary if Ordinance No. 5396 (Series of 1939) remains in effect. The Finance Committee therefore recommends that this schedule be adopted as a part of the budget, to become effective in the event that said Ordinance No. 5396 (Series of 1939) remains in effect, and I so move.

ROLL CALL FOR THE INTRODUCTION OF MEASURES AND COMMUNICATIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Discussion of Kezar Stadium Rental Fees.

Supervisor Fazackerley brought up the matter of the Park Commission approving a proposed reduction in rental fees charged users of Kezar Stadium and expressed wonderment how such a situation could possibly exist in view of the fact that records disclosed that yearly revenues from such rentals approximated \$350,000 while expenses more than doubled the revenue intake, and expressed the opinion that the Board should be informed into the reasons which prompted the reduction.

The President *referred the matter to the Finance Committee*.

Objection to Ruling of President.

Supervisor Halley objected to the matter going to Finance Committee. Thereupon the matter was officially withdrawn from Committee.

Accordingly, Supervisor Mead moved that the Park Commission be invited to attend the next regular meeting of the Board to be held on Monday, June 12, 1950, Special Order at 2:30 p. m., for the purpose of hearing from that body the reason for reasons which culminated in the decision to reduce the Kezar Stadium rental fees. Motion seconded by Supervisor Gallagher.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Absent: Supervisors Lewis, McMurray—2.

Consideration of matter continued to Monday, June 12, 1950, Special Order 2:30 p. m.

Report Requested from Golden Gate Bridge and Highway District Relative Reduction in Tolls.

Supervisor Mancuso expressed the opinion that the Finance Committee of the Board should investigate the proposed reduction by the Golden Gate Bridge and Highway District in certain types of tolls, and the reasons therefor.

However, it was considered more practical if the entire Board heard the matter, and accordingly, Supervisor Mancuso moved, seconded by Supervisor Gallagher, that the San Francisco members of the Bridge District as well as the General Manager thereof, be invited to attend the next regular meeting of the Board, scheduled for Monday, June 12, 1950, Special Order 3:30 p. m., for the purpose of explaining to the Board the reasons for the proposed reductions and if such reductions will affect the liability of the City and County of San Francisco.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. E. F. Braunschweiger who informed the Board that after 44 years as a result of the Great Fire of 1906, certain fire insurance cases have been reopened and that it was hoped that the Board would adopt a resolution urging that early adjudication would be forthcoming and thus assist many families in San Francisco.

No Board action taken.

Consideration of Mayor's Veto of Annual Salary Ordinance.

The Clerk read a communication from his Honor the Mayor, returning vetoed and disapproved File No. 5150, Annual Salary Ordinance for the Year Ending June 30, 1951, and recommending that another salary ordinance be enacted.

Statement by Walker Peddicord, Deputy City Attorney.

Mr. Walker Peddicord, Deputy City Attorney, informed the Board that it was expected that an emergency measure would be passed in lieu of the measure vetoed by the Mayor.

Supervisor Gallagher questioned the legality of passing another measure as an emergency, to which Mr. Peddicord replied that under the present circumstances, it was considered advisable and would be proper to do so.

Supervisor Mead asked if the new measure, when before the Board, should not then be referred to committee for consideration, to which the President ruled that the measure, if in emergency form, could be brought direct to the Board for immediate consideration.

Motion to Defer Consideration.

Supervisor Mancuso moved, seconded by Supervisor Fazackerley, that consideration of the Mayor's veto be continued for a period of one week.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—9.

SPECIAL ORDER—2:00 P. M.

Hearing of Protests—Vacation of Felix Avenue in Parkmerced.

Board of Supervisors to hear all persons interested in or objecting to the proposed vacation of Felix Avenue in Parkmerced, pursuant to notice of intention given in Resolution No. 9846 (Series of 1939).

File No. 5669

There appearing no protestants, the foregoing matter was referred to the Real Estate Department for further action.

SPECIAL ORDER—2:00 P. M.

Assessment Confirmed—Referred to Department of Public Works.

Hearing of Protests—Improvement of Elmira Street Between Helena Street and 250 Feet Northerly Therefrom, and the Crossing of Elmira and Helena Streets.

Board of Supervisors to hear protests, if any, of all persons interested in the following described work done or in the assessment, diagram or warrant, for pay of the cost of the same, or in any property affected thereby: Improvement of Elmira Street between Helena Street and 250 feet northerly therefrom, and the crossing of Elmira and Helena Streets, by the construction of paving, etc., by E. J. Treacy, as described in Declaration of Intention, Order No. 30,581 of April 15, 1949.

File No. 4233

Protest Filed.

The Clerk read a communication filed with the Board from L. O. Heiney, protesting damage done to his property to the extent of \$3,000.

Statement by Mr. Lloyd Whaley.

Mr. Lloyd Whaley of the City Engineer's office, was called upon to speak on the subject-matter and he stated that Mr. Heiney's protest had to do with street work in front of his property and nothing to do with the matter of the improvement of Elmira Street. Damage to Mr. Heiney's property was done by a private contractor. Official grades were established in front of his property before he acquired it. Then he signed a private contract for improvement of the street in front of his property. The city then raised the grade a foot or two. In the final analysis, his property is 8 to 12 feet above the official grade and his property is definitely damaged but his protest has nothing to do with the matter before the Board.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. Heiney, who stated that he had repeatedly tried to obtain service at the City Hall with respect to the investigation of the condition of his property and on one occasion waited an entire day for the appearance of an employee from the Department of Public Works, but to no avail.

Supervisor Mead expressed amazement at the alleged attitude of the Department of Public Works, and stated that he knew of a number of cases where citizens were treated along similar lines, and that all citizens and taxpayers were entitled to reasonable treatment.

Mr. Lloyd Whaley, representing the Department of Public Works, stated that it was difficult to prove that Mr. Heiney was discourteously treated, further he reiterated that Mr. Heiney's protest was not based on the assessment levied but on alleged damage to his property as a result of his entering into a private contract, and therefore not an obligation of the city.

Supervisor Mead asked Mr. Heiney if he would be willing to swear, under oath, of such discourteous treatment, and Mr. Heiney replied that he would be willing to do so.

Motion to Confirm Assessment and Refer to Department of Public Works.

Supervisor Halley moved that the subject assessment be confirmed and the matter referred to the Department of Public Works.

Motion withdrawn.

At this point, it was decided to send for Mr. Sherman P. Duckel, Director of the Department of Public Works.

Statement by Mr. E. J. Treacy, Private Contractor.

Mr. E. J. Treacy, private contractor, who performed the work in connection with the improvement of the subject street, stated that he was appearing before the Board to determine when he was going to receive payment due him and that he had been waiting since last December, and that his appearance had nothing to do with Mr. Heiney's protest. However, he did inform the Board that insofar as Mr. Heiney was concerned, he had advised him that his property was above grade and that at that time the only thing required was a sewer. Street work was not suggested but rather, that he sign up for a sewer. However, a contract was signed for street work in spite of the fact that Mr. Heiney was aware that his property was above grade. Mr. Heiney's present protest, however, had nothing to do with the subject-matter at hand.

Appearance of Mr. McKenzie, Assistant Director, Department of Public Works.

Mr. F. W. McKenzie, Assistant Director of Public Works, was queried by Supervisor Mead concerning discourteous treatment accorded Mr. Heiney, and he replied that this was the first that he had heard of such a matter and that he was positive every possible consideration had been accorded him.

Mr. Lloyd Whaley informed the Board that the city had effected a change of grade in Mr. Heiney's neighborhood that proved beneficial to him.

Supervisor Gallagher requested of Mr. McKenzie that every possible courtesy be extended Mr. Heiney.

Thereupon, Supervisor Halley moved, seconded by Supervisor Fazackerley, that the subject assessment be confirmed and the matter referred to the Department of Public Works.

No objection and motion *carried*.

Referred to Department of Public Works.

SPECIAL ORDER—2:30 P. M.

Report from Park Commission Concerning Proposed Reduction in Kezar Stadium Rental Fees.

(Pursuant to motion by Supervisor Mead in Board on Monday, June 5, 1950.)

Discussion.

Supervisor Fazackerley opened the discussion by stating that he had requested the appearance of the Park Commission to explain to the Board the reason for reducing by one-third the rental fees for the use of Kezar Stadium in view of the fact that moneys spent for its upkeep and rehabilitation during the past year had more than doubled its normal revenue.

Privilege of the Floor.

Mr. William C. Coffman, President of the Park Commission, was accorded the privilege of the floor, and he informed the Board members that he was directed to investigate rates being charged by comparable stadiums in the country. This task took about three months and it was determined that no other comparable stadium charged more than 10 per cent of the gross revenues and many of them charged less than this percentage. Many angles were studied in the consideration of the reduction. Bigger gates may be produced and we figure to get as much rental as we did last year. The resolution for reduced rental is a contract for the 1950 season only. Next year will probably require another contract. We considered this contract and its effect on future rents as Kezar Stadium is used for many other sports aside from professional and college football.

Supervisor Fazackerley stated that the new Park and Recreation Commission will have saddled onto it a reduced rate structure approved by the old Park Commission and expressed the opinion that such action as taken by the Park Commission in reducing the rental fees should have been delayed pending operation of the combined commission.

Supervisor Mancuso: Does the Park Commission have a minimum rental or a straight 10 per cent?

Mr. Coffman: A straight 10 per cent.

Supervisor Mancuso: Does the 10 per cent apply to the gate receipts or to the advanced sales?

Mr. Hickey (in charge of Kezar Stadium): The 10 per cent applies to all ticket sales.

Supervisor MacPhee: Is it a fact that when you came before the Finance Committee and asked us to appropriate money for new lighting, you informed us that revenues would be increased and that the stadium would be used more extensively—is that a correct statement?

Mr. Coffman: That is a correct statement.

Supervisor MacPhee: Your budget estimates, are they based on 10 or 15 per cent?

Mr. Coffman: In our budget estimates we expected that revenues would be approximately the same as last year or 15 per cent.

Supervisor MacPhee: I do not believe this reduction should be put in at this time. Some people are going to make a lot of money and it is not the taxpayer nor the people. I deplore the fact that I cannot do anything about this. I think it is fundamentally wrong. Eventually the people are going to protest and do something about it. I think it is absolutely wrong.

Mr. Coffman: After considering all phases of the matter, we still believe that we are encouraging business to stay in this community. Our colleges have been playing ball here year after year. We might wake up one day and find that private interests have constructed another stadium and we would have Kezar standing still.

Supervisor Mead: In your investigation, did you consider only municipally-owned stadiums?

Mr. Coffman: We considered all stadiums.

Supervisor Fazackerley: I arrive at the conclusion that I can only feel that the reason for this reduction is to permit the 49'ers to build a better football team and in that case, the Park Commission can well consider subsidizing the San Francisco Seals who need help very badly.

No further questions were propounded to the Park Commission; thereupon discussion on the subject matter was terminated and *no Board action taken.*

SPECIAL ORDER—3:30 P. M.

Report from General Manager and San Francisco Members of the Directorate of the Golden Gate Bridge and Highway District Relative to Effect of Proposed Toll Reductions, insofar as Liability of San Francisco Is Concerned.

File No. 5852, Resolution No. . . . (Series of 1939).

Discussion.

The Clerk read a communication from Francis V. Keesling, Jr., addressed to Supervisor George Christopher under date of June 12, in which his views are outlined in connection with proposed amendment to the contract for his services as Congressional legislative representative, dealing with filing a list of local clients with whom he does business in San Francisco.

Motion to Postpone.

Supervisor Fazackerley moved, seconded by Supervisor MacPhee, that consideration of the subject-matter be continued for a period of one week so that Supervisor McMurray may be permitted to vote on it.

Statement by Supervisor Halley.

Supervisor Halley expressed the opinion that it was certainly not the city's business to know who Mr. Keesling's clients were.

Substitute.

Supervisor Mancuso stated that he did not consider it advisable to postpone action on the foregoing measure, and he accordingly moved as a substitute, that the proposed contract between Mr. Keesling and the City and County of San Francisco be amended to provide that a list of clients with whom Mr. Keesling does business in San Francisco be filed with the Controller.

Point of Order.

Supervisor Gallagher rose to a point of order, contending that the hour of 3:30 p. m. had arrived, for which a Special Order had been set, namely, hearing from the General Manager and the San Francisco membership on the Golden Gate Bridge and Highway District in connection with reduction in bridge tolls.

The President ruled the point of order well taken.

Suspension of Rules.

Supervisor MacPhee moved the suspension of the rules for the purpose of continuing consideration of the measure dealing with approving contract between the City and County and Francis V. Keesling, Jr., as Congressional Legislative Representative. Motion seconded by Supervisor J. Joseph Sullivan.

No objection and motion *carried*.

Substitute Motion—Lost.

There being no second, Supervisor Mancuso's substitute motion *lost*.

Supervisor Fazackerley's Motion Lost.

Supervisor Halley urged the Board to vote down Supervisor Fazackerley's motion to postpone consideration until next week, because he pointed out there existed no assurance that Supervisor McMurray, who was convalescing from a recent operation, would be available next Monday. Noes: Supervisors Gallagher, Halley, Lewis, Mancuso, John J. Sullivan—5.

Supervisor J. Joseph Sullivan inquired if Mr. Keesling would be prohibited by virtue of the terms of his contract and the Charter from appearing before any board or commission, to which Mr. Peddicord replied that the answer is generally "no" except in those cases where there is a specific conflict.

Motion to Postpone Further Consideration.

Supervisor Gallagher moved, seconded by Supervisor Halley, that further consideration of the foregoing matter be continued until completion of the 3:30 p. m. Special Order dealing with a hearing on the reduction of tolls on the Golden Gate Bridge.

No objection and motion *carried*.

C." appearing on Line 22, the words, ". . . or clients customarily doing business with the City and County of San Francisco in San Francisco," and adding after the final words ". . . in Washington, D. C." the words "or San Francisco." Motion seconded by Supervisor MacPhee.

Motion to amend *lost* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

Noes: Supervisors Gallagher, Halley, Lewis, Mancuso, Mead, John J. Sullivan—6.

Continuation of Consideration of Special Order, 3:30 P. M., Hearing on
Golden Gate Bridge Toll Reductions.

Report of Condition of Golden Gate Bridge.

The Clerk read a lengthy statement presented by William J. Varley, President of the Bridge District, which gave a complete picture of the operations of the district, together with statistical data.

Discussion.

General discussion ensued, with questions being asked by various Supervisors of the members of the Bridge District.

Supervisor Mancuso inquired how it was that the cash toll reduced from 50 to 40 cents could result in an estimated revenue loss of only some three hundred ninety-six thousand dollars whereas the estimated revenue from this source is close to two million, nine hundred thousand dollars a year. To this query, Bridge Traffic Engineer Arthur C. Jenkins replied that a potential increase in business was taken into consideration in arriving at such figures.

Supervisor Mancuso asked if public hearings were held in connection with the reduction in tolls, and Bridge Director Dan Del Carlo stated that the Bridge District's Finance Committee met from time to time during the past year to study the reports of its engineers and that an executive session was held before the recommendations were adopted.

Mr. Del Carlo supplemented the foregoing statement by declaring that there was no language in the bridge district act that provided for a public hearing.

Supervisor Mancuso: Have you had any circulars or notices of any kind, notifying the public that there was going to be a hearing to consider a reduction in tolls?

Mr. Del Carlo: Not in that form.

Supervisor Mancuso: What is the purpose of having a hearing, if you do not intend to give consideration to those who would benefit by such reductions?

Mr. Del Carlo: In line with good, sound business, if a reduction can be made, it will be made.

William J. Varley, President of the Bridge District, announced that there would be an open, public meeting on June 27 at 1:30 p. m. in the Administration Building, Toll Plaza, to hear interested parties who may feel that further toll reductions should be made.

Discussion was then centered on the reduction of tolls as it related to trucking, with Supervisor Mancuso claiming that the Bridge District had definitely given an advantage to the trucking interests and failed to give relief to the commuters for whom the bridge was primarily built.

Mr. Del Carlo conceded, under questioning, that trucking interests were heard from at a meeting of the bridge district's finance committee although no public notice had been given that a revision of tolls was being considered.

Mr. Varley's statement to the effect that the commuters represented but a small portion of the bridge district's revenue was countered with the statement that if such were the case, it represented all the more reason why a reduction in commuter tolls should be effected because such reductions could not seriously impair the bridge's financial condition.

Bridge Expenses.

Supervisor MacPhee delved into the bridge district's expenses involving bridge directors' salaries and an increase in the legislative expense, replies thereto being made by Mr. Varley, Bridge President, and Mr. Hudson, Bridge Auditor.

Mr. James Ricketts, General Manager of the Bridge District, explained that constant improvements are being made on the bridge, one of which is to provide a safety net under the bridge, and another device, whereby painters who have to paint the structure continually, may be immeasurably aided in their work.

Mr. Phil Davies, Bridge Director, expressed the hope that the meeting scheduled for June 27th will develop into a genuine effort to give relief to the commuter.

There being no further desire on the part of any Supervisor to propound any further questions, the President of the Board thanked Mr. Varley, President of the Bridge District, Mr. Ricketts, General Manager, and the members thereof for their appearance and for their cooperative efforts.

Statement by Supervisor Lewis Re Amendment to Senate Bill No. 194.

Supervisor Lewis voiced the opinion that the next session of the Legislature should see the submission of an amendment to Senate Bill No. 194, relating to the formation of a Bay Area Rapid Transit District, which would enable the raising of at least \$250,000 to

\$500,000 for engineering studies for the purpose of securing an overall rapid transit plan. A separate piece of legislation should also be introduced for the purpose of creating a district to raise the necessary sum of money. This matter should have the immediate attention of the County, State and National Affairs Committee. The City Attorney and our Legislative Representative at Sacramento should be present. We should formulate definite ideas as to what amendments should be offered. The Controller should also attend the meeting.

Selection of Park Site in Connection With City and County Participation in California Centennial Celebration.

Supervisor Lewis called the Board's attention to the fact that it had been rumored that the State of California was contemplating the withdrawal of \$250,000 which had been allocated to the City and County of San Francisco for the purpose of participating in the California Centennial celebration, because of the city's failure or inability to designate a suitable park site.

Motion.

Absent: Supervisors Christopher, Lewis—2.

Motion to Rescind Previous Action.

Supervisor Mancuso moved, seconded by Supervisor J. Joseph Sullivan, that the Board rescind its action whereby it had finally passed the foregoing measure.

Discussion.

Supervisor Fazackerley explained to Supervisor Mancuso that he and Supervisor MacPhee were fundamentally against the waiver in the first place, but to vote against the measure which was, in fact, a judgment issued by the Superior Court, would mean that interest at the rate of 7 per cent would begin to accrue after August 1st, and it was to avoid using additional money from the taxpayers' pockets to pay for the interest, that he voted in favor of the measure.

Supervisor Mancuso, however, expressed the opinion that he would prefer to have the record show his having voted against the appropriation in view of the fact that he had voted against similar measures in the past.

Supervisor MacPhee exhorted Supervisor Mancuso to adopt the stand taken by himself and Supervisor Fazackerley in that they were voting for the measure, not because they were in favor of it but to save the city the necessity of expending additional sums to cover the cost of interest which would accrue on the judgment were it not paid by August 1.

Thereupon the roll was called and the motion to rescind previous action carried by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Absent: Supervisors Christopher, Lewis—2.

Explanation of Vote.

Supervisor Mancuso stated that he would vote for the measure not because he was in favor of it but because by so doing the city would not be saddled with the additional expense of interest accruing on the judgment.

Thereupon the roll was called and the foregoing measure was finally passed by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—8.

No: Supervisor J. Joseph Sullivan—1.

Absent: Supervisors Christopher, Lewis—2.

Filed.

The following from Finance Committee without recommendation, heretofore considered, was taken up:

Present: Supervisors MacPhee, Fazackerley, Mead.

Approving Schedules of Rates to Be Charged Private Consumers and Departments of the City and County of San Francisco for Uses of Hetch Hetchy Electric Energy.

File No. 5957, Resolution No. . . . (Series of 1939).

July 17, 1950—Consideration continued to July 24, 1950.

Discussion.

Supervisor MacPhee expressed opposition to the foregoing measure because of added cost to the taxpayer and suggested that the matter be re-referred to the Public Utilities Commission for possible revision.

Supervisor Halley stated that he would not vote for the measure as it was not properly before the Board.

President Pro Tem. Supervisor Mead asked Deputy City Attorney Walker Peddicord if the matter was properly before the Board. Mr. Peddicord quoted Section 130 of the Charter wherein reference was made to the fact that if the Board of Supervisors fails to act on proposed changes in schedules of rates, charges or fares within 30 days, the schedule shall thereupon become effective, and reaffirmed that the City Attorney's office has always regarded the time as running from the date the document was received in the office of the Clerk of the Board of Supervisors.

Query of Mr. James Turner, Manager of Utilities.

Supervisor MacPhee asked Mr. James Turner, Manager of Utilities, if, in view of the fact that a number of the Board members were absent, the Public Utilities Commission would be agreeable to granting an extension of time to the Board within which to consider the rate schedule.

Mr. Turner replied to the effect that to do so would entail the holding of public hearings by his office requiring about six weeks' time.

Supervisor Mancuso suggested that the Board adopt the rate schedule and then request the Public Utilities Commission to amend the rates.

Motion to Table—No Second.

Supervisor MacPhee moved that the foregoing measure be tabled.

Motion *lost* for want of a second.

Supervisor J. Joseph Sullivan ventured the opinion that in view of the City Attorney's ruling, there was actually nothing before the Board.

Motion to Refer to Committee.

Supervisor Fazackerley moved that the subject-matter be referred to committee. Motion seconded by Supervisor Mancuso.

Query by Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan: In view of the legal opinion rendered, is this a proper motion?

Walker Peddicord, Deputy City Attorney: For the purpose of clearing the calendar, it might be proper to table the matter.

Supervisor J. Joseph Sullivan: Is this matter properly a part of the Order of Business of this Board?

Walker Peddicord: In my opinion, it is not.

Motion to Expunge.

Supervisor Halley moved that the subject measure be expunged from the Board's calendar.

Motion *lost* for want of a second.

Statement by Controller Ross.

The Controller was called upon to make a statement in connection with the foregoing matter, and he stated that the proposed rate schedule, insofar as it affected the City and County ratepaying departments, provided for an increase beyond that amount which was established in the annual budget, and it had been his intention, if the matter had been before the Board, to ask that the Board reject it because he believed it was in violation of the provisions of Section 86 of the Charter, insofar as it increased the city's obligations without first providing the necessary funds.

No action having been taken by the Board with respect to either continuing the above calendar item to a future meeting, or removing it from the calendar, the Clerk thereupon filed *File No. 5957*.

Legislation Considered Out of Order.

Supervisor MacPhee moved, seconded by Supervisor Mancuso, that the rules be suspended for the purpose of considering the following measures out of order.

No objection and motion *carried*.

July 17, 1950—Consideration continued to July 24, 1950.

Supervisor Gallagher moved that the foregoing measure be amended to provide an hourly rate of \$1.53 for platform men and bus operators of the Municipal Railway. Motion seconded by Supervisor Halley.

Motion carried by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Absent: Supervisors Christopher, Lewis—2.

City Planning Commission Sustained.

Hearing of Appeal from the Decision of the City Planning Commission by Its Resolution No. 3779, Dated June 15, 1950, Disapproving Application to Rezone Property Located on the Southerly Line of Samoset Street Distant Thereon 175 Feet West of the Westerly Line of Franconia Street from Second Residential District to Commercial District.

File No. 6041

Privilege of the Floor.

The privilege of the floor was accorded to the following:

To Mr. George Wellman, representing the appellant, who claimed that the construction of a store would prove of advantage and be welcomed by the homes in the area.

Mr. Paul Oppermann, Director of Planning, contended that to permit the construction of a store in the area would be to condone the practice of spot zoning, to which the City Planning Commission is unalterably opposed.

Mr. Oppermann stated, however, that his Commission would be glad to work out plans with builders with regard to a neighborhood pattern, but to permit the erection of a grocery store based on a certain number of homes, as requested by the appellant, was certainly not good planning.

Question Put.

Thereupon the President of the Board put the question to the members of the Board:

"A vote 'Aye' overrules the City Planning Commission and permits the rezoning; a vote 'No' sustains the Commission and denies the rezoning."

Thereupon the roll was called on the following measure and it was *refused adoption* by the following vote:

Disapproving Decision of the City Planning Commission by Its Resolution No. 3779, Dated June 15, 1950, Denying Application to Rezone Property Located on the Southerly Line of Samoset Street Distant Thereon 175 Feet West of the Westerly Line of Franconia Street from Second Residential to Commercial District.

File No. 6041, Resolution No. (Series of 1939).

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Christopher—1.

City Planning Commission Sustained.

Hearing of Appeal from the Decision of the City Planning Commission by Its Resolution No. 3780, Dated June 15, 1950, Disapproving Application for a Variance from the Minimum Lot Area and Maximum Lot Coverage as Applied to Property Located on the Easterly Line of Peralta Avenue Distant Thereon 45.89 Feet Southerly from Samoset Street.

File No. 6041

Since the discussion heretofore held in connection with the rezoning of Samoset Street, likewise applies to the foregoing appeal, the President put the question to the members of the Board:

"A vote 'Aye' overrules the City Planning Commission and permits the rezoning; a vote 'No' sustains the City Planning Commission and denies the appeal."

Thereupon the roll was called on the following measure, and it was refused adoption by the following vote:

Disapproving Decision of the City Planning Commission by Its Resolution No. 3780, Dated June 15, 1950, Denying Application for a Variance from the Minimum Lot Area and Maximum Lot Coverage as Applied to Property Located on the Easterly Line of Peralta Avenue Distant Thereon 45.89 Feet Southerly from Samoset Street.

File No. 6041, Resolution No. . . . (Series of 1939).

Noes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Christopher—1.

Legislation Considered Out of Order.

Supervisor Lewis moved, seconded by Supervisor J. Joseph Sullivan, that the rules be suspended for the purpose of considering the following recommendation of Public Health and Welfare Committee out of order.

No objection and motion carried.

Passage for Second Reading.

Amending Ordinance No. 4045 (Series of 1939), Relating to the Establishment of a San Francisco Disaster Council and Disaster Corps, by Amending Section 2 Thereof so as to Add Three Members of the Board of Supervisors, to Be Appointed by the President of the Board of Supervisors, to the San Francisco Disaster Council.

File No. 5310, Ordinance No. . . . (Series of 1939).

Privilege of the Floor.

The privilege of the floor was accorded to Dr. Howard McKinley, who stated that he had just returned from an extensive trip to Europe and from his observations, it would appear that the United States will have to depend largely upon itself in event of war. San Francisco, he stressed, is considered a primary target area and that every effort must be forthwith taken to put our civilian defense machinery into high gear.

The privilege of the floor was next extended to his Honor Mayor Elmer E. Robinson, who stated that for the past six months he had spent much time on the matter of civilian defense. He had spoken before the United States Conference of Mayors and before congressional committees.

Supervisor J. Joseph Sullivan stated that inasmuch as he was the author of the legislation now pending before the Board, he desired that the Controller, in addition to the three members of the Board, be appointed to the Disaster Council. The Supervisor contended that the Board, as legislators, had a very tangible responsibility to the City and County of San Francisco, and that he, being under the age of 42 years and eligible to serve in the military forces, did not desire to become a member of the Council.

Supervisor MacPhee expressed the opinion that City officials should not wait for advice from the Federal Government, but should take definite steps now.

Amendment.

Supervisor Gallagher moved that the subject measure be amended to provide that three members, appointed by the President of the Board, shall become members of the Disaster Council, *provided they are not subject to the provisions of the draft law*. Motion seconded by Supervisor J. Joseph Sullivan.

Substitute Motion—No Second.

Supervisor Mancuso moved as a substitute, that two members of the Board, appointed by the President, shall become members of the Disaster Council, provided they are not subject to the provisions of the draft law.

Substitute motion *lost* for want of a second.

The Mayor expressed the opinion that he did not believe the Board of Supervisors had the right to interfere with the administrative functions of the city government, and that he did not believe that it was necessary to have three members of the Board serve on the Disaster Council. The Mayor asserted that if any information was desired, his office was open at all times; however, if the Board members wanted to go beyond the scope of getting information, he would like to know about it.

Amendment Withdrawn.

There being no objection, Supervisor Gallagher *withdrew* his amendment.

Amendment.

Supervisor Gallagher moved as an amendment that the President of the Board become a member of the Disaster Council, or someone whom he may direct, and who will not be subject to military service. Motion seconded by Supervisor John J. Sullivan.

Motion *lost* by the following vote:

Ayes: Supervisors Gallagher, Halley, Mead, John J. Sullivan—4.

Noes: Supervisors Fazackerley, Lewis, MacPhee, Mancuso, McMurray, J. Joseph Sullivan—6.

Absent: Supervisor Christopher—1.

Thereupon the roll was called on the subject-measure and it was *passed for second reading* by the following vote:

Ayes: Supervisors Fazackerley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan—7.

Noes: Supervisors Gallagher, Halley, John J. Sullivan—3.

Absent: Supervisor Christopher—1.

Rescission of Action.

Supervisor Gallagher commented on the advisability of appointing the Controller as a member of the Disaster Council, and accordingly moved, seconded by Supervisor Fazackerley, that the Board rescind its action whereby the subject-measure was passed for second reading.

Motion *carried* by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Christopher—1.

Amendment.

Supervisor Gallagher moved as an amendment, the inclusion of subsection "F" to read "(f) Controller." Motion seconded by Supervisor J. Joseph Sullivan.

Motion carried by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Christopher—1.

Thereupon the roll was called on the subject-measure as amended, and it was passed for second reading by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Christopher—1.

File No. 5508

August 7, 1950—Consideration continued to August 14, 1950.

Discussion.

Discussion arose as a result of an apparent misunderstanding on the part of some of the members of the Board with respect to the intent of the proposed Charter amendment, the City Attorney's office, which had drafted the proposed measure, claiming that the purpose of the measure would be to protect those bona fide residents of San Francisco who are compelled to work in areas located more than 50 miles from the city, while Supervisor Gallagher stated that he was principally interested in protecting those employees now working at Hetch Hetchy.

For the purpose of further clarification, Supervisor Gallagher moved, seconded by Supervisor J. Joseph Sullivan, that the subject measure be re-referred to committee.

The Clerk read a communication from the Council of City Employees, A. F. of L., expressing the opinion that to adopt the pending measure with the February 7, 1951, date, would be contrary to the provisions of the Charter.

Request for City Attorney's Opinion.

Supervisor Halley moved, seconded by Supervisor John J. Sullivan, that the City Attorney render a written opinion in connection with the claim made by the Council of City Employees and that the matter be held in abeyance for two weeks pending receipt of such opinion.

Deputy City Attorney Walker Peddicord called the Board's attention to the fact that the Charter, Section 151, provided in part "... not later than January 15, 1944, and every five years thereafter ... the Civil Service Commission shall prepare and submit to the Board of Supervisors a schedule of compensations as in this section provided" and contended that the specific date of January 15 applies only to the year 1944 and every fifth year thereafter, and would not apply, in his opinion, to the present fiscal year 1950-51.

Mr. Landis, president of the Public Utilities Commission, explained that this was an extension of the existing service in the Sunset Dis-

trict and augments that service by lines not heretofore operated. There would be a partial coverage for that area west of Thirty-sixth Avenue on Lincoln Way.

Mr. Wm. Scott, manager of the Municipal Railway, stated that a complete survey has been made of this program and it will be beneficial to the residents. Those people living west of Thirty-sixth Avenue would still be served by the N Line and that would mean that those people living between Judah Street and Lincoln Way would not have to walk more than two blocks from the streetcar.

Mrs. Emile Martine, representing the Sunset Improvement Club, remarked that a great deal of time has been spent on this matter with the Public Utilities Commission and the association has finally approved the plan.

Mr. Arthur Larkinson, insurance broker, protested the removal of the bus on Lincoln Way.

Mr. E. H. Flanger, resident of Lincoln Way, protested the removal of the bus on Lincoln Way.

Hearing of Appeal from Decision of City Planning Commission by Its Resolution No. 3773 Dated June 29, 1950, Approving Application to Rezone Property Located on the Southeast Corner of Seventeenth and Clayton Streets from Second Residential District to Commercial District.

File No. 6134

Discussion.

Mr. Paul Oppermann, Director of Planning, explained that the Commission approved the application subject to certain covenants. This property is to be used for a gasoline station only. An application to rezone the same property was previously denied by the Commission in 1948.

Mr. E. J. Torregano, president of the City Planning Commission, stated that the previous application for the rezoning of this property was presented in a different way. In this application we have stipulations which were not included in the previous application.

SPECIAL ORDER—3:00 P. M.**Consideration Continued.**

The following recommendation of the Public Buildings, Lands and City Planning Committee, heretofore considered, was taken up:

Supervisor Lewis explained that the Housing Authority states that it needs additional time to transmit a report on the questions which were propounded last week.

Supervisor Lewis, seconded by Supervisor J. Joseph Sullivan, moved that the matter relative to public housing be postponed for a period of two weeks.

Motion to Amend.

Supervisor Mancuso moved as an amendment that the matter be postponed for a period of one week.

Motion lost for want of a second.

Supervisor MacPhee remarked that this matter should be postponed to a time when the Board can dispose of it. Would like to ask the Housing Authority if a delay of two weeks would be a handicap for San Francisco.

Mr. Lloyd Wilson, representing the Housing Authority, explained that the suggestion they made was that the matter be postponed for a period of two weeks and a meeting be arranged between the Housing Authority and representatives of the city to arrive at a meeting of the minds. Do not believe a two weeks' period would work to the disadvantage of the city.

Communication.

The Clerk presented a communication from the Chief Administrative Officer reporting on the consequences, if any, which will result from the adoption of the resolution approving request for transfer of temporary public housing to the Housing Authority of the City and County of San Francisco.

Privilege of the Floor.

Supervisor J. Joseph Sullivan moved the privilege of the floor for Dr. Ludwigsen.

Authorizing Compromise and Settlement of Judgment in the Sum of \$16,784.55, Rendered Against the City and County of San Francisco by the Payment of \$5,000 to the Shipowners' and Merchants' Tugboat Company.

File No. 6161, Ordinance No. . . . (Series of 1939).

(Superior Court ruled that tugboats of more than 50 tons burden were engaged in transportation of freight within the meaning of the provisions of Article XIII, Section 4, of the State Constitution, and therefore each such tugboat was exempt from the assessment and payment of personal property taxes levied by the City and County of San Francisco.)

August 14, 1950—Consideration continued to August 21, 1950.

Discussion.

Mr. O'Connor, Deputy City Attorney, explained that this is a series of consolidated cases in which taxes were paid under protest. The lower courts have ruled that these tugboats were carriers of cargo and exempt from taxation. The matter is still pending on appeal.

Motion to Refer to Finance Committee.

Supervisor MacPhee, seconded by Supervisor Mancuso, moved that the legislation be referred to Finance Committee.

Motion *defeated* by the following vote:

Ayes: Supervisors Christopher, MacPhee, Mancuso—3.

Noes: Supervisors Fazackerley, Gallagher, Halley, Mead, J. Joseph Sullivan, John J. Sullivan—6.

Absent: Supervisors Lewis, McMurray—2.

Explanation of Vote.

Supervisor Mancuso explained that he was going to vote against the recommendation of the City Attorney because if the City Attorney feels that a compromise were to be made such recommendation should have been made before an appeal had been taken on the case.

Supervisor MacPhee in explaining his vote stated that he was going to vote against the legislation because he believed that the City should refund all of the taxes or none. Believed that the question should be definitely settled by the courts.

Mr. O'Connor, in answer to a question by Supervisor J. Joseph Sullivan, explained that he recommended this settlement as he believed that the preponderance would be in favor of the tug companies.

Passed for Second Reading by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Mead, J. Joseph Sullivan, John J. Sullivan—7.

SPECIAL ORDER—2:00 P. M.

Consideration Continued.

Hearing of Appeal from the Decision of the City Planning Commission, By Its Resolution No. 3808, Dated August 3, 1950, Denying Application to Modify Building Setback Line Located on Northwest Corner of Fifteenth Avenue and Judah Street.

File No. 6227.

Query.

Supervisor Gallagher asked the representative of the City Planning Commission if the practice in the matter of appeal in connection with building set-back lines did not require that the appellant first attempt to get such a permit from the Department of Public Works, and then, upon refusal, to go to the Board of Permit Appeals for recourse.

Mr. Bryant Hall, representing the City Planning Commission, advised the Supervisor that specific Charter provisions gave sole authority to the City Planning Commission over the question and regulation of set-back lines.

Mr. Walker Peddicord, Deputy City Attorney, pointed out that Section 117 of the Charter provided procedure for hearings in connection with applications made for set-back lines and also, that provision is contained therein for appeal to the Board in event of refusal on the part of the Planning Commission to grant such applications.

Privilege of the Floor.

The privilege of the floor was accorded to Mr. Sidney deGoff, Attorney-at-law, representing the appellant.

Mr. deGoff explained that the appellant had purchased property located at Frederick and Stanyan Streets, which had been previously purchased by the City to permit the installation of parking facilities; plans had then been formulated to have the building moved to a site on Masonic Avenue and Frederick Street, but permission first had to be obtained from the Public Utilities Commission because of possible interference with the utilities. Several routes were submitted to the Commission and after a delay of some thirty days, all the routes were rejected on the theory that permission would place a burden on the streets. Mr. deGoff pointed out that the purchase contract provided that the house would be removed within 30 days, and the Real Estate Department then gave a ten-day ultimatum in which to have the building removed and failure to do so would result in having the structure torn down. It was then decided to select a site on the northwest corner of Fifteenth Avenue and Judah Street. The land was purchased from a Mr. Cuneo. It was Mr. Cuneo's apparent understanding that when he originally purchased the property, a building could be constructed thereon, reaching to the property line. However, it appears that since the land was purchased by Mr. Cuneo, a building set-back ordinance has been enacted, and after the appellant purchased the property from Mr. Cuneo, we discovered that such a building set-back line ordinance is in effect. The building had to be cut in half and transported in this shape to the new location. If the present building set-back lines are strictly enforced, it will not only entail the removal of certain vital fire escapes but will preclude the existence of light at the rear of the building, and further additional heavy expense would be necessary to put the building in shape.

Mr. Bryant Hall, representing the City Planning Commission, advised the Board that the purpose of enacting the building set-back line ordinance was to insure the passage of light, and that the ordinance had been in effect for some 25 years.

Mr. Fabius T. Finch, Attorney-at-law, representing a number of property owners, expressed opposition to the appeal for a revised set-back line. Mr. Finch claimed that the appellant was fully aware of the existence of the present set-back line ordinance but that nevertheless went ahead with his plan, and when the building was finally transported to its new location at Fifteenth Avenue and Judah Street, he then decided to appeal for a revision of the building lines. He further contended that a protest petition had been filed with the City Planning Commission in connection with the matter.

Mrs. Margaret Hansen, a resident on Judah Street, stated that to deny the appeal would mean that light at the rear of her property would be shut off. At this point, Mrs. Hansen fainted and was taken from the Chambers.

In order to insure a systematic conclusion of the hearing of the appeal, Supervisor Lewis moved, seconded by Supervisor John J. Sullivan, that consideration of the matter be continued for a period of one week.

No objection and motion *carried*.

Consideration continued for one week.

SPECIAL ORDER—3:00 P. M.

Consideration Continued.

The Clerk thereupon read a communication which had been received from the Federal Housing and Home Finance Agency, replying to queries propounded by Supervisor Lewis.

Discussion.

Deputy City Attorney, Walker Peddicord, stated that the matter reflected an action of the Board and necessarily required six votes for adoption.

Statement by Supervisor J. Joseph Sullivan.

Halley had been appointed by the Board as a member of the San Francisco Disaster Council, it would be fitting and proper to authorize him to acquire first-hand information on the workings of civilian defense in the several eastern cities outlined hereinabove.

At this point, Supervisor Mead informed the President that he was introducing the following resolution:

Refused Adoption.

Explanation of Purpose of Charter Amendment.

Mr. Harry Albert, representing the Civil Service Commission, informed the members of the Board that the purpose of the proposed charter amendment was to permit employees who had marine licenses, such as third mate or better, or third assistant engineer, to be granted a leave of absence. Under existing charter provisions, leaves of absence are limited to only six months; under the proposed language, the leave of absence would be good for the duration of the emergency.

Thereupon the roll was called and the foregoing charter amendment was *Ordered Submitted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, MacPhee, J. Joseph Sullivan, John J. Sullivan—6.

Absent: Supervisors Halley, Lewis, Mancuso, McMurray, Mead—5.

Privilege of the Floor.

Motion seconded by Supervisor John J. Sullivan. No objection and motion carried.

Charter Amendment, Section 119.3—Relating to the Abandonment of the Cable Car Line on Washington and Jackson Streets.

File No. 6238.

Communications.

The Clerk read the following communications: (1) from the Central Council of Civic Clubs opposing submission of proposed charter amendment dealing with the proposed abandonment of the Washington-Jackson portion of the Powell Street cable car line; (2) from Supervisor Edward T. Mancuso, favoring submission of such a proposed charter amendment, and recorded in full below:

BOARD OF SUPERVISORS

CITY AND COUNTY OF SAN FRANCISCO

September 1, 1950.

To the Honorable

The Board of Supervisors

Room 235, City Hall.

Gentlemen: Since I will not be present at the meeting of the Board to be held on Tuesday, September 5, 1950, I would like to take this means of conveying to you my position in connection with the proposed charter amendment which will be before you in connection with the proposed abandonment of the Washington-Jackson portion of the Powell Street cable car line.

Had I been in attendance at the meeting I would have voted for the submission of said proposed charter amendment inasmuch as I believe that its ratification would permit more efficient operation of the Municipal Railway, while at the same time it would not materially lessen the scenic and tourist attractions of the cable car system.

I would appreciate your having my views expressed herein recorded in the Journal of Proceedings.

Yours very truly,

/s/ EDWARD T. MANCUSO,
Supervisor.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Lloyd Graybiel, Chairman of the Charter Revision Committee, who informed the Board that various meetings had been held with interested cable car groups and with officials of the Public Utilities Commission and due to the pressure of time, it was considered advisable to recommend submission of the proposed charter amendment. Just recently the Mills report on the condition of the Municipal Railway became available and it revealed the existence of deficits due primarily to present methods of cable car line maintenance.

Motion to Re-refer to Committee.

Supervisor Gallagher moved, seconded by Supervisor John J. Sullivan, that the foregoing charter amendment be re-referred to committee.

Explanation of Vote.

Supervisor MacPhee stated that since the Charter Revision Committee had recommended submission, he would vote against recommitment.

Statement by General Manager of the Municipal Railway.

Mr. William Scott, General Manager of the Municipal Railway, informed the Board that loss of revenue by cable car lines last year amounted to some \$110,000. Mr. Scott stated that both he and Mr. Mills have agreed that the Powell Street line could be made a profitable one and that the other cable lines could be converted to coaches and in this way, they would pay for themselves.

In reply to a query by Supervisor Fazackerley, Mr. Scott replied that it was found desirable on the part of the Public Utilities Commission to have the proposed charter amendment submitted to the people.

Supervisor Lewis expressed the opinion that the charter amendment had been improperly drawn and should be re-referred to committee.

Roll Call.

Thereupon the roll was called and the motion to re-refer the subject charter amendment to committee *carried* by the following vote:

Ayes: Supervisors Gallagher, Lewis, J. Joseph Sullivan, John J. Sullivan—4.

Noes: Supervisors Christopher, Fazackerley, MacPhee—3.

Absent: Supervisors Halley, Mancuso, McMurray, Mead—4.

Ordered Submitted.

Charter Amendment, Section 165.3—Providing for Authority Upon the Part of the Board of Supervisors to Enact an Ordinance Providing That Any Person Separated from Service of Municipal Railway of the City and County of San Francisco Because of a Curtailment of, or a Change in the Manner of Performing Such Service May Possess Certain Conditions of Retirement for Service.

File No. 6286.

Communication.

The Clerk read the following communication from Supervisor Edward T. Mancuso:

BOARD OF SUPERVISORS
CITY AND COUNTY OF SAN FRANCISCO

September 1, 1950.

To the Honorable
The Board of Supervisors
Room 235, City Hall.

Gentlemen: Your Calendar of Matters for the meeting to be held on Tuesday, September 5, 1950, will include a proposed charter amendment, coming from the Judiciary Committee without recommendation, which provides for authority upon the part of the Board of Supervisors to enact an ordinance providing that any person separated from the service of the Municipal Railway because of a curtailment or change in the manner of performing such service, may possess certain conditions of retirement for service.

If I had been in attendance at this meeting on September 5th, I would have voted against submission to the voters of said charter amendment. It is my opinion that the proposal was not presented in time for the Judiciary Committee to give sufficient, or in fact, any consideration. Neither has it been possible to refer the proposal to the Charter Revision Committee for its study and recommendation.

The charter amendment was presented to the Clerk of the Board by the counsel for the Public Utilities Commission on August 29th, and came before the Judiciary Committee at its meeting held on August 31st. I point out that the amendment has not been presented to the Board prior to its meeting of September 5th, nor was it referred by the Board to the Judiciary Committee, nor has it been sponsored by a member of the Board.

Therefore, because of non-compliance with the Board's procedural rules and further because the proposed amendment has not been given adequate, if any, consideration by the Board, I am opposed to its submission at the election to be held on November 7, 1950, and I respectfully request that the views herein expressed be reflected in the Journal of Proceedings.

Yours very truly,
/s/ EDWARD T. MANCUSO,
Supervisor.

Statement by General Manager of Municipal Railway.

Mr. William Scott, General Manager of the Municipal Railway, explained the purpose of the charter amendment, stressing the fact that those employees who have devoted a good part of their lives to the service and who are found to be incapable of handling gas or trolley busses, should be permitted to retire at an earlier age than now permissible under the charter.

Discussion.

To a query by the President of the Board if the subject charter amendment was properly before the Board, Mr. Walker Peddicord, Deputy City Attorney, replied that if the measure is ordered submitted by the Board by six votes or better, the matter could be considered as being entirely valid.

Privilege of the Floor.

Mr. Henry S. Foley, representing the Carmen's Union, C. I. O., informed the Board that the proposed charter amendment was prepared by Mr. Ralph Nelson, Consulting Actuary, and stated that its purpose is to provide the employee who retires at the age of 50 years with an additional \$25 per month.

Mr. Charles Wood, representing the Carmen's Union, A. F. of L., stated that with the proposed conversion of street car service to busses, between 100 and 200 men will be laid off, and that the proposed charter amendment will take care of those employees who are unable physically to handle the duties of bus operator and who have expressed a desire to retire, provided they have reached the age of 50 years.

Supervisor Gallagher expressed the opinion that consideration of the matter should be continued for a period of two weeks and inquired of Mr. Peddicord if such could be done. Mr. Peddicord replied that postponement may be had but according to existing law, it must then be considered in the light of an emergency; however, it could be considered as exceedingly important that the matter be disposed of at today's meeting.

Mr. Ralph Nelson, Consulting Actuary, arrived in the Chambers of the Board, and proceeded to answer questions relating to the charter amendment.

Five-Minute Recess.

Supervisor John J. Sullivan moved a five-minute recess. Motion seconded by Supervisor MacPhee. No objection and motion *carried*.

Amendments.

Upon reconvening, Supervisor MacPhee moved the following amendments:

In the third paragraph after the words "... provided he has attained the age of fifty years," add the following: "and has completed five years of service in the aggregate." Motion seconded by Supervisor Fazackerley. No objection and motion *carried*.

In the third paragraph, after the words "... provided that such member ..." add the words: "who has completed five years of service in the aggregate." Motion seconded by Supervisor Fazackerley. No objection and motion *carried*.

In the third paragraph, after the words "... shall be subject to the provisions ..." add the following: "of Sections 158 to 164 and" ... Motion seconded by Supervisor Fazackerley, and there being no objection, motion *carried*.

In the third paragraph, after the words: "... including members covered by this section," add a new sentence reading as follows: "Any person so separated, who continues in the service of the City and County, or of the San Francisco Unified School District, or reenters such service in a status subject to the San Francisco City and County Employees' Retirement System, shall no longer be subject to this section, but instead shall be reinstated and again be a member of said system, under and subject to section 165 or section 165.2 in accordance with his former membership." Motion seconded by Supervisor Fazackerley. No objection and motion *carried*.

Thereupon the roll was called on the foregoing charter amendment, as amended, and it was *Ordered Submitted* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Lewis, MacPhee, J. Joseph Sullivan, John J. Sullivan—7.

Absent: Supervisors Halley, Mancuso, McMurray, Mead—4.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, SEPTEMBER 11, 1950—2:00 P. M.

In Board of Supervisors, San Francisco, Monday, September 11, 1950, 2:00 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Absent: Supervisors Mancuso, McMurray—2.

Quorum present.

President George Christopher presiding.

Supervisor Mancuso on authorized leave.

Supervisor McMurray absent due to illness.

Communications.

From Peacock Research Association, accepting invitation from the Board of Supervisors to attend its meeting on September 11, 1950, in connection with the conduct of the survey and inventory of housing in the City and County of San Francisco.

Filed.

From Executive Secretary to the Mayor, attaching thereto letter addressed to the Mayor from the Office of the Housing Expediter, Washington, D. C., apprizing of several important changes made in the Housing and Rent Act of 1950.

Referred to County, State and National Affairs Committee.

From the County Supervisors' Association of California, notice of meeting of board of directors to be held on September 22, 1950, 9:30 a. m., Sacramento Hotel, Sacramento, California.

Supervisor Mancuso informed; filed.

From Reis and Paul Tract Improvement Club, and from Hera and Karl Peters, protesting proposed improvement of Alpha Street-Tioga Avenue connection.

Referred to Streets Committee.

SPECIAL ORDER—2:00 P. M.

Appearance of Protestants—Re-referred to Streets Committee.

Hearing of Protests—Improvement of Alpha Street-Tioga Avenue Connection.

Board of Supervisors to hear protests, if any, of all persons interested in the following described work done or in the assessment, diagram or warrant for pay of the cost of the same, or in any property affected thereby: Improvement of Alpha Street-Tioga Avenue Connection by the construction of paving, etc., by Bernal Construction Company, as described in Declaration of Intention, Order No. 30966 of June 10, 1949, of the Department of Public Works.

File No. 4529

Communication from Protestants.

The Clerk read two communications embodying protests: (1) from Hera and Karl Peters and (2) from Reis and Paul Tract Improvement Club, in connection with grading work performed.

Privilege of the Floor.

The privilege of the floor was extended to Karl Peters and to a representative of Reis and Paul Tract Improvement Club, who explained their reasons for protesting the improvement in question.

Mr. Lloyd Whaley, representing the Department of Public Works: This project has been before the City Engineer for the last 20 years. It is a connection between two previously paved streets. First we had to acquire property in order to put this street through. Then proceedings were started, all owners notified, no protestants appeared although we told people who inquired that the cost would be approximately \$500 to each owner fronting on the improved street. When property was purchased, statements were made that the project would be two or three feet above grade. It was considerably more than that. There have been so many protests about this matter that it would be better to have the matter heard in the Streets Committee so that we may be able to point out discrepancies. The grades were established in 1915 and we made only minor adjustments due to the fact that we had to realign the street.

Motion to Re-refer.

Supervisor Halley moved, seconded by Supervisor Fazackerley, that the subject-matter be re-referred to Streets Committee.

No objection and motion *carried*.

The President announced to the interested parties in the chambers that the Streets Committee would meet on Thursday, September 14, at 3:30 p. m. in Room 228, City Hall, to consider the measure.

SPECIAL ORDER—2:00 P. M.

City Planning Commission Sustained.

Hearing of Appeal from the Decision of the City Planning Commission, by Its Resolution No. 3808, Dated August 3, 1950, Denying Application to Modify Building Setback Line Located on Northwest Corner of Fifteenth Avenue and Judah Street.

File No. 6227

September 5, 1950—Consideration continued to September 11, 1950.

Privilege of the Floor.

The privilege of the floor was accorded to Stephen D. Maffini, attorney-at-law, who was empowered to represent Attorney Sidney F. DeGoff, who had, on Tuesday, September 5, 1950, made the original presentation in connection with the appeal filed by Henry Davis.

Mr. Maffini proceeded to cover similar ground heretofore covered by Attorney DeGoff.

Supervisor Lewis: The City Planning Commission has stated that Mr. Davis had been informed of the specific restrictions before his house was moved. Is this true?

Mr. Maffini: I cannot answer the question.

Supervisor Lewis (addressing himself to Mr. Davis, the appellant): Can you tell me if the City Planning Commission informed you that you had to abide by the set-back laws before you moved the house?

Mr. Davis: I was not so advised.

Supervisor Lewis: Do you know the cost of putting in fire escapes, new windows, and moving the building back?

Mr. Davis: About \$1,400.

Mr. Fabius T. Finch, attorney-at-law, representing a number of property owners in the district, requested the City Planning Commission representatives to inform the Board with respect to the filing of plans before the house was moved.

Supervisor Mead informed the Board that it had been rumored to him that more than one set of plans had been submitted, and thereupon asked Mr. Davis regarding the rumor. Mr. Davis stated that but one set of plans were submitted.

At this point, consultation between the City Planning Commission and the members of the Board as well as the appellant and his attorney, revealed but one set of plans were submitted on July 10, 1950.

Communication.

The Clerk of the Board read a communication from Attorney Sidney F. DeGoff, in which he stated that he was designating Attorney Stephen Maflini to act for him, and also elaborating further into the merits of the appeal.

Attorney Fabius T. Finch, representing a number of protestants to the appeal filed by Mr. Davis, explained the reason for his protest, stressing the fact that Mr. Davis knew of the set-back law before his house was moved to its present location.

The President now announced that the matter would be taken into the hands of the Board.

Explanation of Vote.

Supervisor Lewis explained that in denying the application of Mr. Davis, the City Planning Commission violated the spirit of the law, if not the letter. The purpose of set-back lines is to provide light and air. The City Planning Commission does not include the question of symmetry in the enactment of such a measure. People are not concerned with set-back lines as such; they are interested in the type of building. The expense of conforming to the letter of the law will be tremendous. By overruling the appeal, the lady whose home is in the rear will have light and air. In justice and in fairness to the parties involved, we should adhere to the spirit instead of the letter of the law.

The Clerk thereupon read the following measure to the Board:

Disapproving Decision of the City Planning Commission by Its Resolution No. 3808, Dated August 3, 1950, Denying Application to Modify Building Setback Line Located on Northwest Corner of Fifteenth Avenue and Judah Street.

File No. 6227, Resolution No. . . . (Series of 1939).

September 5, 1950—Consideration continued to September 11, 1950.

Question Put.

The President put the following question to the members of the Board: A vote "Aye" overrides the City Planning Commission and sustains the appeal. A vote "No" sustains the City Planning Commission and denies the appeal.

Thereupon the roll was called and the measure was *refused adoption* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, Mead, John J. Sullivan—5.

Noes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

Absent: Supervisors Mancuso, McMurray—2.

City Planning Commission sustained.

August 28, 1950—Consideration continued to September 11, 1950.

Privilege of the Floor.

The privilege of the floor was accorded Mr. Douglas Dorn, a representative of the housing industry, who advocated passage of the measure appropriating the money for the conduct of the housing survey, stressing the fact that only by such a procedure would information be gleaned as to the actual housing conditions in the City and County of San Francisco.

Thereupon the roll was called and the foregoing measure was finally passed by the following vote:

Discussion.

Supervisor Fazackerley stated that he desired to know just what the policy of the Housing Authority was in connection with this matter and accordingly moved that a representative of the Authority be sent for. Motion seconded by Supervisor MacPhee.

Substitute Motion—No Second.

Supervisor Lewis moved as a substitute motion, that a member of the Authority be sent for.

Motion lost for want of a second.

Discussion continued on the matter of getting a representative from the Housing Authority to appear before the Board. Thereupon Supervisor Haley moved a point of order, stating that the present discussion had nothing to do with the subject matter. The Chair ruled the point of order well taken.

Thereupon Supervisor Fazackerley moved that his pending motion be withdrawn, Supervisor John J. Sullivan objecting.

It subsequently developed that the Housing Authority did not receive the request for appearance from the Clerk of the Board until this date, and accordingly there was not sufficient time within which to have the representation requested available to the Board. Supervisor Fazackerley accordingly moved that consideration of the subject-matter be continued for a period of one week. Motion seconded by Supervisor MacPhee and *carried* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, J. Joseph Sullivan, John J. Sullivan—7.

Resumption of Consideration of File No. 5965 Relating to Confirmation of Sale of City-Owned Land Located on the South Side of Turk Street, Between Fillmore and Steiner Streets to Safeway Stores, Inc., for \$152,000.

Consideration of the foregoing matter was resumed upon the appearance of representatives of the Housing Authority.

Supervisor MacPhee explained to the representatives of the Authority that the Mayor's Committee for the Selection of Low-Rent Housing Sites had recommended acquisition of the railway property at Turk and Fillmore Streets for purposes of low-cost housing. However, since no action on the part of the Housing Authority has been forthcoming since the recommendation was made, it was the desire of Supervisor Fazackerley, principally, to ascertain its policy.

Privilege of the Floor.

The privilege of the floor was extended to Mr. John W. Beard, Executive Director, Housing Authority.

Mr. Beard: Prior to the meeting of the Mayor's Committee, the matter appeared before this Board. The Board, on May 15, rejected the request of the Housing Authority to purchase the site, nor has the Board of Supervisors at any time approved the site as being suitable for a low-rent housing project. Under those conditions, it would be impossible for the Housing Authority to put in a bid or attempt to buy this property. The only manner in which the Housing Authority can acquire property is by condemnation proceedings. When the City and County called for bids, the Housing Authority could not take any action in the matter. That is our position.

Measure Adopted.

Thereupon the roll was called and the measure designated as File No. 5965 was *adopted* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Statement by Chief Administrative Officer.

Mr. Thomas A. Brooks, Chief Administrative Officer, informed the Board that he appreciated the courtesy of the Board in authorizing his attendance at the conference of the International Managers' Association to be held at Houston, Texas, but that press of city business precluded the possibility of his attendance.

The roll was then called on the measure, as amended, and it was *passed for second reading* by the following vote:

Absent: Supervisors Fazackerley, Halley, Lewis, McMurray—4.

The following, presented by the Clerk, was taken up:

Leave of Absence—Francis P. Walsh, President, Civil Service Commission.

File No. 5101, Resolution No. 10293 (Series of 1939).

For two-day period commencing September 16, 1950, with permission to leave the state.

Supervisor Gallagher moved, seconded by Supervisor MacPhee, that the foregoing "do pass."

Adopted by the following vote:

Ayes: Supervisors Christopher, Gallagher, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—7.

Absent: Supervisors Fazackerley, Halley, Lewis, McMurray—4.

Consideration Continued.

The following emergency measure from the Finance Committee was taken up:

Present: Supervisors Fazackerley, Mead.

Approving Agreement Entered into Between the Recreation and Park Commission and Barrett Garages, Inc., for the Operation of an Automobile Parking Station at Kezar Stadium; an Emergency Measure.

File No. 6338, Ordinance No. (Series of 1939).

(The foregoing is a substitute for the measure heretofore referred to Finance Committee.)

Discussion.

Supervisor Mead inquired of the representatives of the Park and Recreation Commission if the highest bid had been given consideration and Mr. Harvey E. Teller, President of the Commission, stated that due to the fact that Barrett Garages, Inc., was a local concern and due to other considered factors, the contract was awarded to said Barrett Garages, Inc.

At this point, Supervisor Mancuso questioned the legality of placing an emergency clause in the subject-measure, contending that Charter provisions specifically set forth the facts which actually constitute an emergency and that in his opinion there was nothing in the pending measure that would constitute an emergency.

Deputy City Attorney Walker Peddicord advised Supervisor Mancuso that the emergency in question provided for the continued operation of the Park and Recreation Department facilities and ruled that it was within the discretion of the Board of Supervisors to determine whether such a measure was actually an emergency.

Motion to Delete.

Supervisor Mancuso moved, seconded by Supervisor MacPhee, that the emergency clause be deleted from the measure.

Discussion.

Mr. Harvey E. Teller, President of the Park and Recreation Commission, stated that it was his understanding that the Finance Committee approved of the measure being brought before the Board in the form of an emergency.

Supervisor Mead stated that it was his understanding that the subject-matter was sent to the Board without recommendation.

Supervisor Mead stated that he could not see how the high bid of the S. & H. Parking Service of Millbrae, who submitted a bid of \$3,078 for the privilege of handling the parking of cars for the 18-game season at Kezar Stadium, was refused, and that somebody along the line was attempting to give Barrett Garages, Inc., special consideration.

Thereupon the roll was called and the motion to delete the emergency clause *carried* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Statement by Mr. Teller.

Mr. Teller explained the reason for selecting Barrett Garages, Inc., stating that the financial responsibilities of the bidders were investigated, and that the selection of Barrett Garages, Inc., obviated the necessity of providing bookkeeping procedures to handle the income and its attendant expense. The difference between the bids of the S. & H. Parking Service of Millbrae and that of Barrett Garages, Inc., was only \$53 and that a great deal more than that would be necessary to pay for the bookkeeping that would be necessary in the event the Barrett Garages, Inc., bid was not accepted.

Motion "Do Pass."

Supervisor Mancuso moved, seconded by Supervisor Gallagher, that the subject-measure "do pass" for second reading.

Substitute Motion.

Supervisor Mead moved as a substitute, that the subject measure be amended by deleting therefrom the name of Barrett Garages, Inc., and inserting in lieu thereof the name of the S. & H. Parking Service of Millbrae. Motion seconded by Supervisor John J. Sullivan.

Substitute Motion Ruled Illegal.

The President of the Board ruled the substitute motion as being illegal.

Thereupon the roll was called on the subject-measure and it was *refused passage for second reading* as follows:

Ayes: Supervisors Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Christopher, Mead, John J. Sullivan—3.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Motion to Reconsider.

Before the result of the foregoing roll call was announced, Supervisor Halley changed his vote from "Aye" to "No" and moved reconsideration. Motion seconded by Supervisor Gallagher.

The vote then stood:

Ayes: Supervisors Gallagher, MacPhee, Mancuso, J. Joseph Sullivan—4.

Noes: Supervisors Christopher, Halley, Mead, John J. Sullivan—4.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Consideration continued for one week.

Explanation of Vote.

The President of the Board explained that the Park and Recreation Commission should have accepted the highest bid; that there is a moral question involved, and such action would tend to destroy morale.

Adopted as Amended.

The following supplemental calendar recommendation of Judiciary Committee was taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

"... The Mayor and the Board of Supervisors have the power (invoked in 1933-1934) to provide downward adjustments."

No objection and motion *carried*.

Thereupon the roll was called and the foregoing measure, as amended, was *adopted* by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Adopted as Amended.

File No. 6059, Resolution No. 10298 (Series of 1939).

"In the past four years increases in retirement benefits have been authorized for practically all municipal employees; however, no similar increase has been made for retired members of the Police Department."

No objection and motion *carried*.

Thereupon the roll was called and the foregoing measure, as amended, was adopted by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Adopted.

Authorizing Ballot Argument Favoring Retirement for Municipal Railway Employees.

File No. 6209, Resolution No. 10326 (Series of 1939).

Adopted by the following vote:

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Consideration Continued.

The following from Judiciary Committee with recommendation "Do Not Submit" was taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

Revised Amendment to Charter, Section 119.3, Substituting Service on a Portion of the Powell Street Cable Line (Washington-Jackson Branch).

File No. 6238

Statement by Mr. James R. Turner, Manager of Utilities.

Mr. Turner stated that the Public Utilities Commission is most anxious to provide adequate transportation but it has become more and more difficult to maintain the cable car lines without sustaining losses in revenue. The Public Utilities Commission is selling surplus land the revenue from which will be used for the rehabilitation of the Powell-Mason cable line, but sufficient revenue will not be available for the rehabilitation of the Washington-Jackson cable line. Mr. Turner cited as a matter of figures, the loss for the month of August for the Washington-Jackson Branch amounted to \$6,136 while the loss suffered by the Powell-Mason Street Branch amounted to but \$747. However, the total loss of revenue for the last fiscal year covering all cable cars amounted to \$231,000.

Supervisor MacPhee stated that he was at a loss to understand why there should be so much controversy with respect to submitting the proposed Charter amendment to the people, which, if approved by the electorate, will mean a saving to the people. The Supervisor expressed the opinion that the people as well as the Board of Supervisors should be informed as to the type of transportation that is proposed to be substituted for the cable line.

In reply to a query, Mr. Turner stated that the initial service will be provided by gas busses.

Supervisor Mancuso: It is definitely the intention of the Public Utilities Commission to do everything to expedite reorganization of the Powell Street line if submitted to the people.

Mr. Turner: That is correct.

Privilege of the Floor.

The privilege of the floor was accorded the following:

Mrs. Hans Klussmann, Chairman of the Citizens' Save the Cable Car Committee, stated that the true story of the cable cars should be presented to the people. Further, the Supervisors should await the outcome of the California Street Cable Line purchase negotiations before any changes are made in cable car service.

Mr. Alfred Smith, representing the Bureau of Governmental Research, spoke in favor of submission, contending that the stand of Mrs. Klussmann's committee was unrealistic, and that continued operation of the Washington-Jackson Branch would add 13 cents to the tax rate.

Mr. Carroll Newburgh of the Central Council of Civic Clubs supported the stand of Mrs. Klussmann and advised that the Central Council of Civil Clubs, at a recent meeting, had taken the stand that the proposed amendment should not be submitted to the people in view of the fact that the people have, in the past, been forced to vote on issues on which they had already expressed themselves and to bring the matter again before them at the coming November election was very unfair.

Mr. Newburgh mentioned the fact that a number of apartment house people served by the Powell-Jackson Branch had expressed themselves as being in favor of retention of such a line in preference to proposed service by gas busses.

Mr. Charles Wood, representing the Carmen's Union, A. F. of L., stated that the people would much prefer cable lines to gas busses and that when the overall plan is submitted, it will then be time to submit it to them.

Supervisor Halley: I cannot see why this matter should not be submitted to the people for the purpose of determining if they want to continue a losing proposition.

Motion "Do Pass."

Supervisor Mancuso moved that the proposed Charter amendment be submitted. Motion seconded by Supervisor MacPhee.

Supervisor Mead expressed concern over the obnoxious fumes from gas busses as well as the noise generated by them.

Supervisor Mead expressed the opinion that cable cars are unnecessary; that people do not necessarily come to San Francisco to see the cable cars, and that just one line should be operated for the purpose of exhibition.

Substitute Motion.

Supervisor Mancuso moved as a substitute that consideration of the foregoing matter be continued for a period of one week. Motion seconded by Supervisor J. Joseph Sullivan.

Inquiry.

Supervisor Gallagher inquired as to the last date for the submission of Charter amendments, to which Walker Peddicord, Deputy City Attorney, replied it would be legal to submit them at the next regular meeting of the Board.

Substitute Motion Lost.

The roll was thereupon called and the substitute motion to defer action for one week lost by the following vote:

Ayes: Supervisors Christopher, Halley, MacPhee, Mancuso—4.

Noes: Supervisors Gallagher, Mead, J. Joseph Sullivan, John J. Sullivan—4.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Motion to Reconsider.

The roll was then called on the proposed Charter Amendment and submission was *refused* by the following vote:

Ayes: Supervisors Christopher, Halley, MacPhee, Mancuso—4.

Noes: Supervisors Gallagher, Mead, J. Joseph Sullivan, John J. Sullivan—4.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

However, before the roll call was announced on the foregoing matter, Supervisor Mancuso changed his vote from "Aye" to "No" and moved reconsideration. Motion seconded by Supervisor MacPhee.

The vote then stood:

Ayes: Supervisors Christopher, Halley, MacPhee—3.

Noes: Supervisors Gallagher, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—5.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Appointment of Members of Health Committee and Supervisor James L. Halley to Attend Meetings of Welfare Committee of County Supervisors' Association and Its Board of Directors.

Supervisor Mancuso moved, seconded by Supervisor Gallagher, that the members of the Public Health and Welfare Committee, as well as Supervisor James L. Halley, be authorized to attend the meeting of the Welfare Committee of the County Supervisors' Association and the meeting of the Board of Directors of said Association, on September 21-22 at Sacramento, California.

No objection and motion *carried*.

Report of Supervisors Attending Convention of National Association of County Officials at Atlantic City, September 3-7, 1950.

This year approximately 550 delegates from all parts of the country attended the 14th Annual Conference and Convention. From California there were representatives from all the larger counties as well as from several smaller counties. In addition, Mr. Fred Alexander, General Manager, County Supervisors' Association of the State of California, was sent to represent the counties interested on a state-wide level. Important reorganization business was conducted and a program of the proposed legislation discussed, with certain changes made in the administrative procedure of the organization that will mean more concerted action in Washington in the future.

Detailed information was given to the delegates by representatives of the Federal government on the Federal Highway program and also on Social Security as provided for in H.R. 6000. Both of these programs will require much county attention in the future as they affect the finances of every progressive county and particularly the counties of California. The reports will be given in detail in the coming issue of the official magazine known as the County Officer.

The next convention of the Association will be held in 1951 in Milwaukee, Wisconsin, which, from present indications, will be the most constructive convention held by the Association.

Progress has been made on the In-Lieu-of-Taxes payment program which this Association has been spearheading in Washington for the last 10 years, and it is expected that as a result of the Congressional appropriation in the sum of \$72,000, which appropriation was achieved primarily through the efforts of the National Association, that the inventory of properties owned by the Federal government will be completed shortly; thereby making available a complete record of all government holdings throughout the United States. This has been one of the obstacles preventing legislation on the program, and it is expected that there is an excellent opportunity of favorable legislation being enacted in the next congressional session.

The retiring president, Stanley Martin of New Jersey, gave much of his time and effort to the affairs of the National Association, and made a complete report covering his term of office.

The Convention accepted the resignation of George F. Simon, and he is now no longer connected with the organization. It is expected that under the new program which was adopted, that the official

magazine of the National Association will now result in additional finances for the National Association, thereby making it possible to employ additional personnel which is badly needed.

The meeting was well attended, worthwhile and freely participated in by all California representatives.

Respectfully submitted,

/s/ EDWARD T. MANCUSO,
Supervisor.

/s/ JAMES LEO HALLEY,
Supervisor.

Inquiry by Supervisor J. Joseph Sullivan Re Cable Car Charter Amendment.

Supervisor J. Joseph Sullivan inquired of Deputy City Attorney Walker Peddicord if the action of the Board taken earlier in the meeting whereby consideration of File No. 6238, relating to substitution of service on a portion of the Powell Street line, and continued for one week because of a pending motion for reconsideration, was a proper one in view of the fact that such a motion for reconsideration did not have the required second.

Mr. Peddicord replied that if the matter is before the Board next Monday and receives at least six votes, and then is approved by the electorate and ratified by the State Legislature, the City Attorney's office will defend such action as being properly legal.

Supervisor J. Joseph Sullivan: Will the motion for reconsideration be properly before the Board next Monday?

President George Christopher: The motion for reconsideration has not been made. It will be made next Monday. The only thing done today was to serve notice. Next Monday the motion to reconsider will be made.

At this point Supervisor J. Joseph Sullivan quoted Rule 25 of the Rules of Order of the Board of Supervisors; however, the President stated that at the next regular meeting of the Board Supervisor Mancuso could make a motion to reconsider.

Supervisor J. Joseph Sullivan insisted, however, that the Deputy City Attorney render an opinion on the matter, in view of the fact that Supervisor Mancuso's motion to reconsider did not receive a second.

Mr. Peddicord replied that the procedure followed is legal.

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—9.

No: Supervisor MacPhee—1.

Absent: Supervisor McMurray—1.

Discussion.

Mr. Edward McDevitt, Secretary of the Recreation and Park Commission, informed the members of the Board that, in the taking of bids for the parking lot concession at Kezar Stadium, it was specifically noted that the highest bid would not necessarily be the one accepted; that other factors would be taken into consideration, one

being that of financial responsibility. The Barrett Garages, Inc., submitted a bid of \$3,025 for the 18-game season at Kezar while the S. & H. Parking Service of Millbrae offered to pay the sum of \$174 per game or a total of \$3,078, a difference of some \$53. In taking the bid of Barrett Garages, Inc., the Park Commission considered the fact that this firm had greater experience in this particular field as well as being a local concern.

Supervisor Mead expressed the opinion that he did not see why the Barrett Garages, Inc.'s bid was accepted in view of the fact that the S. & H. Parking Service's financial responsibility was well established and its bid higher.

Supervisor Fazackerley stated that this matter was receiving widespread publicity and that he was vigorously opposed to the principle of arbitrary selection of bidders.

Supervisor Lewis stated that the people of San Francisco are entitled to have their cars parked free in that particular area and that he feels there should be no concession agreement; therefore, he would vote against the measure.

Supervisor MacPhee stated that he proposed to vote for the measure, contending that the Board had appropriated the money to remove the houses where the parking lot is located, and that an effort is now being made to get some money into the city coffers to offset the loss of ad valorem taxes suffered by the removal of the houses.

At this point, Mr. McDevitt cited an opinion from the City Attorney, ruling on the method of selecting bids and that such procedure has been in effect at many fairs and other places of amusement.

Supervisor Mead stated that in the future, a policy should be adopted in the calling of bids, to expressly limit such bids within the San Francisco area, because the action of the Recreation and Park Commission in the pending issue certainly does not make for good public relations.

Supervisor Lewis stated that he was voting against the proposal because he felt that free parking should be had for the convenience of the taxpayers of San Francisco and patrons of Kezar Stadium, the same as those patrons who use the roads in the park and streets adjoining the Stadium.

The roll was thereupon called and the foregoing measure lost by the following vote:

Ayes: Supervisors Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan—5.

Noes: Supervisors Christopher, Fazackerley, Lewis, Mead, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

RECONSIDERATION.

Measure Lost.

The following from Judiciary Committee with recommendation "Do Not Submit," heretofore considered, was taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

Revised Amendment to Charter, Section 119.3, Substituting Service on a Portion of the Powell Street Cable Railway Line (Washington-Jackson Branch).

File No. 6238

(Series of 1939).

On Monday, September 18, 1950, the following vote was recorded in connection with the foregoing measure:

Ayes: Supervisors Christopher, Halley, MacPhee, Mancuso—4.

Noes: Supervisors Gallagher, Mead, J. Joseph Sullivan, John J. Sullivan—4.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Before the result of the foregoing roll call was announced, Supervisor Mancuso changed his vote from "Aye" to "No."

The vote then stood:

Ayes: Supervisors Christopher, Halley, MacPhee—3.

Noes: Supervisors Gallagher, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—5.

Absent: Supervisors Fazackerley, Lewis, McMurray—3.

Thereupon Supervisor Mancuso, seconded by Supervisor MacPhee, moved that the vote whereby said measure was defeated be reconsidered.

Motion to Reconsider Carried.

The roll was called on the motion to reconsider and it carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, Mancuso, Mead—7.

Noes: Supervisors MacPhee, J. Joseph Sullivan, John J. Sullivan—3.

Absent: Supervisor McMurray—1.

Query of Supervisor J. Joseph Sullivan.

Supervisor J. Joseph Sullivan asked Walker Peddicord, Deputy City Attorney, if the measure was subject to review by the City Planning Commission with respect to possible conformity with the Master Plan. Mr. Peddicord replied that such legislation is not subject to conformity with the Master Plan.

Communication.

The Clerk read a communication from the Owners' and Lessees' Apartment House Association, urging retention of the Washington-Jackson Branch of the Powell Street Cable Line.

Motion "Do Submit."

Supervisor Mancuso moved, seconded by Supervisor MacPhee, that the foregoing Charter amendment be submitted.

Mr. James H. Turner, Manager of Utilities, stressed the fact that the Public Utilities Commission will ask the Board of Supervisors to appropriate \$152,500 for the rehabilitation of the Mason Street Branch of the Powell Street line, and that other amounts from the sale of other surplus land, totaling some \$532,000, will be used for such rehabilitation.

Privilege of the Floor.

Supervisor Gallagher moved the privilege of the floor for Mrs. Hans Klussmann of the Cable Car Committee. Supervisor Lewis objected, stating that it was against the Board's rules since those persons interested should have had their day in committee; however, Supervisor Lewis relented when it was decided to hear but from one representative of any particular group.

Mrs. Klussmann spoke against the measure, while Mr. Alfred Smith of the Bureau of Governmental Research spoke in favor of submission.

Measure Lost.

At the conclusion of the hearing, the roll was called and the foregoing measure was *refused submission* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Halley, MacPhee, Mancuso—5.

Noes: Supervisors Gallagher, Lewis, Mead, J. Joseph Sullivan, John J. Sullivan—5.

Absent: Supervisor McMurray—1.

Reference to Committee.

Consideration of News Bulletin from the Oakland Chamber of Commerce in Which Publicity Is Given to Campaign Launched by William H. Park, President of the Chamber, Looking to a Division of the Existing Six-County Metropolitan Area into Two Separate Three-County Areas, and Advocating a Separate Census Compilation for an Oakland-Eastbay Metropolitan Area.

September 11, 1950—Consideration continued to September 25, 1950.

Discussion.

Supervisor Lewis explained the situation and requested that a constructive reply be forwarded to the Oakland Chamber of Commerce, pointing out that the growth of the area can only be achieved through unity, and that a letter be sent by the Clerk expressing the sentiments of the Board.

Opposition—Substitute Motion.

Supervisor Fazackerley stated that it would be unnecessary to reply and that it would be wiser to refer the matter to committee where a round-table discussion may be had, and accordingly moved, as a substitute, that the matter be referred to committee.

Thereupon the President *referred the matter to the Judiciary Committee.*

File No. 6357, Ordinance No. . . . (Series of 1939).

(The foregoing is a substitute for a measure heretofore referred to the Committee.)

Discussion.

Supervisor Gallagher gave a brief explanation of the purpose of the measure.

Supervisor Lewis stated that the subject measure actually contained two measures, one relating to a permit to carry a gun and one relating to a permit to act as a private detective. Section 840 should be eliminated because complete protection is found in Section 842, which compels both employee and employer to secure a permit to carry a weapon. Why should it be necessary for a person to secure a permit to engage in the detective business and another permit to carry a weapon?

Lieutenant Wesley Murray of the Police Department informed the Board that the proposed measure was intended to correct defects existing in the present state law which does not require an employee or an employer to get a permit. This proposed legislation does not only cover the employee but also the employer. Section 840 is intended to cover those employees not licensed by the State of California.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Stan Schneider representing the California Association of Private Investigators, who stated that the members of his association do not engage in police work, but rather work for private individuals.

Amendment.

Supervisor Lewis moved, seconded by Supervisor Mancuso, that sections 840 and 841 be deleted as well as language found in Section 842, first line, after the words ". . . No person . . .", and reading as follows: ". . . licensed by the laws of the State of California . . ."

Amendment.

Supervisor Lewis moved that the agreement referred to in the proposed measure be amended to provide the following non-discrimination and non-segregation safeguards:

"In the administration of each project the Housing Authority of the City and County of San Francisco shall avoid or refrain from any policy or practice which results, directly or indirectly, in discrimination or any form of segregation by reason of race, color, religion, national origin or ancestry; provided that nothing herein shall require the Authority to relocate any tenant presently occupying a dwelling unit."

Discussion Re File No. 6117, Approving Selection of Sites for Development of 3,000 Low-Rent Housing Units.

Privilege of the Floor.

The privilege of the floor was extended to the following:

A Mr. Benson represented Dr. L. R. Ludwigsen of the Bayview Civic Club, who expressed the opinion that the whole matter should be put to a vote of the people, but that in the event the Board decided to pass the measure, the 3,000 units proposed for Hunter's Point should be drastically reduced.

Mr. Carroll Newburgh, speaking on behalf of the Visitation Valley section, stated that passage of the proposed measure would create a definite hazard to the future development of the area by private developers, and that at least 1,500 of the 3,000 units should be shunted to some other section of the city.

Mr. Beaver, representing the National Association for the Advancement of Colored People, stated that he believed that all of the proposed 3,000 units should not be placed solely in the Hunter's Point area in view of slum conditions prevailing in other sections of the city.

Supervisor Mead: Is it my understanding that it is not the intention of the Housing Authority to put all of the 3,000 units in the Hunter's Point area?

Mr. Beard: There are three sites involved: Hunter's Point, Double Rock and the Wisconsin Street project located in the Potrero Hills.

Mr. Charles Shephard of the Bayview Civic Club expressed the opinion that if the land is given to the Housing Authority it will do with it as it pleases, and that every effort should be made to preserve the Hunter's Point area for Navy personnel, and the 3,000 units used to rebuild slum areas.

Motion to Amend.

Supervisor Lewis moved that the proposed 3,000 units be reduced to 1,500. Motion seconded by Supervisor Gallagher.

Supervisor Mead inquired of the Housing Authority representatives as to the effect of the amendment, if adopted.

Mr. Wilson replied that what the Housing Authority was trying to do was to enter into contractual arrangements to build 3,000 units if they are required.

Mr. Edward W. Howden, representing the Council for Civic Unity, expressed the hope that the Board would not take such action as would jeopardize the building of the 3,000 units.

The roll was thereupon called on Supervisor Lewis' motion to reduce the units from 3,000 to 1,500 and it lost by the following vote:

Ayes: Supervisors Gallagher, Lewis, J. Joseph Sullivan—3.

Noes: Supervisors Christopher, Fazackerley, Halley, MacPhee, Mancuso, Mead, John J. Sullivan—7.

Absent: Supervisor McMurray—1.

Discussion.

Supervisor Halley expressed the opinion that the pending legislation has been hastily drawn and should be referred to committee for further consideration.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Alfred Del Carlo of the District Attorney's office who stated that while the measure was being considered in committee, doubt arose in his mind as to its constitutionality, and that further consideration should be given the measure in committee; that it is very easy to pass legislation and then pass it on to the District Attorney's office for enforcement.

Supervisor Lewis asked Mr. Del Carlo if, in his opinion, the pending measure actually consisted of two separate measures, one relating to the granting of a permit to carry a gun, and the other the granting of a permit to go into the detective business.

Mr. Del Carlo: As it is written, I would say so.

To a query by Supervisor Lewis if the measure also required the obtaining of a permit to carry a gun after a permit has been obtained

under it to engage in detective work, Mr. Del Carlo stated: "That is the way I read it."

Supervisor Lewis: As worded at the present time, suppose there was a state guard, under state civil service carrying a gun, would he have to get a permit from the Chief of Police to carry a gun?

Mr. Del Carlo: He would have to.

Withdrawal of Pending Motion.

There being no objection, Supervisor Lewis withdrew his pending motion.

Amendments.

Supervisor Lewis moved the following amendments: Delete Sections 840 and 841 and reframe Section 842 by deleting after the words "No person licensed under the laws of the State of California . . .", the following: ". . . shall engage in the business, capacity or employment of private detective or employee of private detective, private investigator or employee of private investigator, private patrol operator or employee of private patrol operator, watchman or guard, when in the course of business or employment, such person in any manner . . .", and change the next word "will" to "shall." Also delete from Section 844 after the words "No person . . ." appearing in the beginning of the measure, the following language: ". . . engaged in the business, capacity or employment as a private detective, employee of private detective, private patrol operator, employee of private patrol operator, watchman, or guard, in the City and County of San Francisco. . ."

There were no seconds to the amendments.

Reference to Committee.

Thereupon Supervisor Halley moved, seconded by Supervisor J. Joseph Sullivan, that the subject measure be re-referred to Police Committee.

Statements.

Supervisor Fazackerley expressed the opinion that the differences should be thrashed out in the Board.

Supervisor MacPhee stated that a proper document should be prepared in committee and Supervisor Lewis' amendments be considered at that time.

No objection and motion *carried*.

Adopted.

The following from Finance Committee was taken up:

Present: Supervisors MacPhee, Mead.

Motion.

It is moved that the Clerk of the Board be authorized and directed to institute proceedings for preparation and submission of an ordinance to provide for a supplemental appropriation of \$525,000 for the purpose of acquiring certain property necessary for the development of the enlarged St. Mary's Park area as the site for a public parking garage as officially designated by the Parking Authority of the City and County of San Francisco.

File No. 6484

Motion to Adopt.

Supervisor MacPhee moved the foregoing motion be adopted; seconded by Supervisor Mead.

Statement by Supervisor Lewis.

Supervisor Lewis informed the Board members that he had been advised, on reliable authority, that a certain group interested in the project had not had the opportunity of explaining their stand in committee, and accordingly, moved that the subject be re-referred to committee.

Statement by the Controller.

Mr. Harry D. Ross, Controller, explained that the measure will eventually involve several acts by the Board of Supervisors, among which would be the closing of St. Anne's Street and acquisition of certain property required for the garage.

Statement by Supervisor Lewis.

Supervisor Lewis stated that in his opinion if one were to vote for the motion it would be tantamount to approving the project.

Statement by Mr. Vining T. Fisher, General Manager of the Parking Authority.

Mr. Vining T. Fisher, General Manager of the Parking Authority, stated that various locations had been studied by his body for the past eight months and that the conclusion had been reached that the best interests of the city would be served by development of St. Mary's Park as a public garage, and that it is the considered opinion of the Authority that from 700 to 1200 cars can be more economically handled in St. Mary's Park than at any other location. Further, there will be less property taken off the assessment rolls at the St. Mary's Park location than would be the case at other places, and the amount to be lost would be in the neighborhood of \$5500.

Thereupon the roll was called and the motion was adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—8.

Absent: Supervisors Halley, Lewis, J. Joseph Sullivan—3.

Consideration of Legislation Out of Order.

Request of Supervisor Christopher Re Preparation of Financial Prospectus.

Supervisor Christopher requested that the Controller be asked to prepare a financial prospectus which will take into consideration every financial detail involved in the letting of bids for St. Mary's Park.

No objections and *Clerk directed to so request the Controller.*

Final Passage.

The following recommendations of the Judiciary Committee, heretofore Passed for Second Reading, were taken up:

Present: Supervisors Mancuso, Gallagher, J. Joseph Sullivan.

File No. 6321, Ordinance No. 6285 (Series of 1939).

Finally Passed by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Lewis, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—9.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Consideration Continued.

The following recommendation of Police Committee, heretofore considered, was taken up:

Present: Supervisors Mead, Gallagher, Lewis.

(Supervisor Lewis dissenting.)

Amending the Police Code, by Adding Thereto Sections 840-843, Inclusive, Requiring Issuance of Permits by Chief of Police to Persons Licensed or Employed as Private Detectives, Investigators, Patrol Operators, and Watchmen or Guards Where Weapons Are Carried in Course of Employment; Providing Qualifications Therefor and Penalties for Violation Thereof.

File No. 6357, Ordinance No. (Series of 1939).

October 9, 1950—Consideration continued to October 16, 1950.

Amendment.

Supervisor Fazackerley moved, seconded by Supervisor Mead, that Section 841 of the proposed measure be amended by adding a new sentence at the end of the paragraph to read as follows: "The Chief of Police may, upon receipt of such application, issue a temporary permit for a period of not to exceed thirty (30) days."

Statement by Supervisor Lewis.

Supervisor Lewis expressed the opinion that before a permit is issued, the permittee should first obtain the approval of a psychiatrist, and to issue a permit solely on the fact that the permittee is a good shot, is ridiculous.

Supervisor Lewis accordingly moved that the entire matter be re-referred to committee. Motion seconded by Supervisor John J. Sullivan.

Supervisor Mead stated he was opposed to recommitment, contending that while the proposed measure is not a cure-all, it certainly was a step in the right direction.

Supervisor Mancuso also expressed opposition to recommitment, and interpreted the measure to mean that the employee would be able to get a gun through his employer. State law now covers the procuring of a permit to carry a gun and should continue on state level.

Thereupon the roll was called and the substitute motion lost by the following vote:

Ayes: Supervisors Lewis, McMurray, John J. Sullivan—3.

Noes: Supervisors Christopher, Fazackerley, Gallagher, MacPhee, Mancuso, Mead—6.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Expression of Opinion.

Supervisor McMurray explained his stand by stating that authority to carry a gun should remain on a state level and that he did not believe too much leeway should be given to the Chief of Police.

Motions to Postpone Consideration.

Supervisor Lewis argued that consideration should be deferred until the first Monday after a verdict has been reached in the trial of the special police officer accused of killing a youngster. Motion seconded by Supervisor John J. Sullivan.

Motion lost by the following vote:

Ayes: Supervisors Christopher, Lewis, John J. Sullivan—3.

Noes: Supervisors Fazackerley, Gallagher, MacPhee, Mancuso, McMurray, Mead—6.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Supervisor Lewis moved that consideration be postponed for a period of one week so that the absentee Supervisors may have an opportunity of voting on the measure. Motion seconded by Supervisor John J. Sullivan and lost by the following vote:

Ayes: Supervisors Christopher, Lewis, John J. Sullivan—3.

Noes: Supervisors Fazackerley, Gallagher, MacPhee, Mancuso, McMurray, Mead—6.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Amendment Carried.

The roll was thereupon called on Supervisor Fazackerley's amendment and it carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, MacPhee, Mancuso, Mead, John J. Sullivan—7.

Noes: Supervisors Lewis, McMurray—2.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Objection of Supervisor Lewis.

Supervisor Lewis expressed objection to the adopted amendment, contending that as a member of the Police Committee, he had never seen the amendment and did not know whether his other colleagues on the committee had been contacted in connection with it. The matter should not be rushed through; he had no interest in the legislation and that such meaningless measures should not be enacted.

Consideration temporarily postponed.

Taking of Loyalty Oaths.

Consideration of Board legislation was temporarily halted while the "loyalty oath" was administered to the members of the Board by County Clerk Martin Mongan.

Resumption of Consideration of File No. 6357 Relating to Issuance of Permit to Carry a Gun.

Supervisor Mead stated that he had discussed the measure with some of the representatives of detective agencies and they had informed him of their desire to be given a little more time within which to bring in an ordinance agreeable to themselves and to the Chief of Police.

Accordingly, Supervisor Mead moved, seconded by Supervisor Lewis, that consideration of the measure be continued for a period of two weeks.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Lewis, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—7.

Noes: Supervisors Fazackerley, Gallagher—2.

Absent: Supervisors Halley, J. Joseph Sullivan—2.

Consideration continued for two weeks.

Discussion.

Questions were asked of Mr. William H. Scott, General Manager of the Municipal Railway, by various Supervisors.

One of the questions asked was whether or not the Public Utilities Commission held a public hearing before referring the matter to the Board, to which query Mr. Scott replied that it had not.

Supervisor Fazackerley expressed the opinion that the policy of the Public Utilities Commission in not conducting a public hearing of its own was decidedly unfair as undoubtedly a great many people would have appeared for or against the proposal.

Supervisor Mead stated that in his opinion the practice of the Public Utilities Commission in taking away service from one district is decidedly unjust in view of the fact that such service has been in effect for a good many years in that particular area.

Discussion.

Supervisor Gallagher desired that assurances be forthcoming that no effort will be made to interfere with plans of the Eastman Kodak Company to construct their buildings in the immediate area.

Supervisor Lewis expressed the opinion that the kodak company should be assured that nothing at present nor in the foreseeable future will result in seizure by the city of company-owned land.

Privilege of the Floor.

Supervisor MacPhee ventured the opinion that while he did not dispute the work of the good doctor, he felt that this matter should properly come before the Board during budget hearings, unless it could be conclusively proved that the increase in hours was an actual emergency.

Discussion.

Supervisor Lewis brought up the matter of having a proper air raid warning service; a proper air raid warden service and an adequate shelter service.

Admiral Cook, head of the Civilian Defense Council, informed Supervisor Lewis that there were some \$1,400 in the pending measure to be used for the rehabilitation of four air raid warning sirens.

Amendment.

Supervisor Mancuso questioned the necessity of expending the sum of \$4,269.07 for office furniture, contending that satisfactory equipment could be purchased for a sum much less than the amount being requested, and cited as an example his own office building, where he furnished five offices for \$2,500.

Mr. Harold Jones, Purchaser of Supplies, was sent for and was queried as to whether the civilian defense offices could be adequately furnished for \$2,500. Mr. Jones stated that he could not answer affirmatively until he had all the necessary data before him.

Byxbee	\$3,000
Cayuga	3,000
Miley	3,000
Murphy	2,100
South Sunset	3,000

Discussion.

Supervisor Lewis expressed opposition to the measure and particularly to the policy of the Recreation and Park Commission in spending public funds for the purpose of landscaping, architectural fees, etc., and would not vote hereafter for such appropriations until sufficient

funds have been utilized for the purpose of purchasing and installing needed recreational equipment for the many parks and squares which are devoid at the present time of such equipment.

Miss Josephine D. Randall, representing the Recreation and Park Commission, was called and upon her appearance proceeded to answer questions posed by Supervisor Lewis and other members of the Board.

Explanation of Vote.

Supervisor Lewis reiterated his stand previously taken that he would refuse to go along with any more appropriations for construction of buildings, landscaping, architectural fees, etc., until adequate provision is made for the installation of needed recreational facilities, such as slides, swings, and the like.

While the discussion ensued, Supervisor Lewis was able to peruse data concerning recreational facilities supplied by Miss Randall.

The roll was thereupon called and the foregoing measure was *finally passed* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Lewis, Mancuso, Mead, John J. Sullivan—7.

SPECIAL ORDER—3:00 P. M.

Consideration of Necessity for Revision or Enactment of Legislation to Permit Removal of Apparently Abandoned Vehicles from Public Streets.

Privilege of the Floor.

The privilege of the floor was extended to Jack A. Eker, Director of Traffic, who informed the Board that during the past six or seven months more than 700 cars have been removed from the streets of the city in accordance with the provisions of the ordinance making it illegal to park a vehicle for a longer period than 120 consecutive hours, and that arrangements have been made with two garages to store such cars.

The Director then suggested that the Traffic Code be amended to provide for a penalty to the owners of such cars as are found to have been parked for a period longer than 120 consecutive hours on the public streets.

Supervisor Mancuso, who originally requested consideration of the subject matter, then presented the following measure:

Amending the Traffic Code by Adding Section 37 Thereto, Prohibiting the Parking of Vehicles for More Than 120 Consecutive Hours on the Public Streets and Prescribing Penalties for Violations Thereof.

File No. 6607, Ordinance No. . . . (Series of 1939).

Referred by President to the Police Committee.

No further action taken by Board on the subject hearing.

SPECIAL ORDER—3:15 P. M.

Consideration of Necessity for Provision of Adequate Parking Facilities at San Francisco Airport.

Privilege of the Floor.

The privilege of the floor was extended to George M. Dixon, Superintendent of the San Francisco Airport, who stated that study is under way to consider the feasibility of providing an area to be specifically set aside for limited parking; however, Mr. Dixon pointed

out the overall burden at the Airport is quite heavy and that during the period October, 1949, to October, 1950, a sum of \$61,873.65 was derived from the parking concession, which assisted materially in reducing the expense of airport operations. However, Mr. Dixon reiterated that plans are being formulated between him and the Public Utilities Commission to provide limited parking privileges and hoped to effectuate this plan shortly.

No further action taken by Board.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Milton Marks, Jr., attorney at law.

Mr. Marks: All of the employees affected have not less than 20 years' seniority. On June 20, 1947, and June 17, 1949, my father requested the Honorable Board of Supervisors to waive the statute of limitations for these persons so that they would be given the privilege of establishing their proper classifications through court action. Previous to the first request, the statute of limitations was waived in the case of Holm and Eckart. Our first request was denied, and at that time the Board stated they felt suit should first be filed and then seek to have the statute of limitations waived. Accordingly, on April 25, 1949, my father filed suit in Superior Court which as yet has not been heard. Despite the fact that suit has been filed, the Board again refused to waive the statute of limitations. The difference between my father's request and mine is that my father asked for waiver back to 1932. My request at this time is not for the period of the alleged illegal classifications back to 1932, but merely to three years previous to the institution of the suit or prior to 1949. Some of the Supervisors have indicated to me they were agreeable to waiver provided it did not include back compensation but merely classification. However, two employees have already retired and therefore no advantage would accrue to them, and two others are retiring on July 1, 1951. If you gentlemen do not want to waive the statute of limitations for a period of three years, at least waive it for the persons who have retired.

Mrs. Kathleen C. Dolen, representing the Civil Service Commission, stated that the foregoing matter had been before the Board on two previous occasions and the Civil Service Commission feels that to waive the statute of limitations would impede its efforts in court. The Commission does not admit that in 1932 it made a mistake and reclassified incorrectly. They do say, however, that there is a change in the character of the job. The cases of Holm and Eckart involved the matter of wages which is within the jurisdiction of the Board of Supervisors. The pending measure has to do with job classification which is under the jurisdiction of the Civil Service Commission.

Motion to Rise and Report.

Supervisor Mancuso moved, seconded by Supervisor Gallagher, that the Board rise and report.

No objection and motion *carried*.

Motion "Do Pass."

Supervisor McMurray moved that the foregoing measure "do pass." Courtesy second extended by Supervisor Mead. The roll was called and the foregoing measure was *refused adoption* by the following vote:

Aye: Supervisor McMurray—1.

Noes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, Mead, J. Joseph Sullivan, John J. Sullivan—9.

Absent: Supervisor Lewis—1.

Final Passage.

The following recommendation of Public Buildings, Lands and City Planning Committee, heretofore Passed for Second Reading, was taken up:

Present: Supervisors Lewis, Halley, J. Joseph Sullivan.

Approving Agreement Between the Recreation and Park Commission and the San Francisco Maritime Museum Association for the Occupancy and Use of Portion of Aquatic Park Building and Area for Maritime Museum Purposes.

File No. 6377, Ordinance No. 6351 (Series of 1939).

(Maritime museum to be operated for benefit of the people. City shall furnish maintenance service; Museum Association to furnish insurance satisfactory to the city; city shall not be held liable for injury or damage to any of the exhibits; agreement shall be for the term of one year and shall automatically be renewed from year to year unless either party gives 60-day notice within the end of the yearly period of its desire to cancel the agreement.)

November 13, 1950—Consideration continued to November 20, 1950.

Discussion.

Mr. Harvey E. Teller, General Manager of the Recreation and Park Department, in reply to query by Supervisor Fazackerley, stated that no increase in personnel was contemplated beyond that number which has been in effect heretofore.

Request of Supervisor Fazackerley.

Supervisor Fazackerley requested a written opinion from the City Attorney with a view of determining if the maintenance employees as mentioned in the agreement between the Recreation and Park Commission and Maritime Museum Association, will be limited to service in the leased area or may be used elsewhere at the direction of the Recreation and Park Commission.

Clerk directed to communicate with City Attorney.

Thereupon the roll was called and the foregoing measure was finally passed by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Lewis—1.

Resumption of Consideration of Special Order, 2:00 P. M., Hearing of Appeal from Decision of City Planning Commission by Its Resolution No. 3823, Disapproving Application to Rezone Property Located on the Northwest Corner of Twenty-ninth and Castro Streets from First Residential District to Commercial District.

Privilege of the Floor.

The privilege of the floor was extended to the legal representative of the appellant, who stated that the location on which Mr. Mahoney is desirous of building two apartments was originally known as "The Rockpile," which constantly presented a problem for the Police Department. Mr. Mahoney solved it by moving a structure onto same, composed of nine rooms, and presently occupied by one family. Should the Board see fit to override the decision of the City Planning Commission, it is planned to convert the building into two apartments and stores, which would prove advantageous to the neighborhood.

Mr. Bryant Hall, representing the City Planning Commission, advised the Board that prior to Mr. Mahoney's moving the present structure to Twenty-ninth and Castro Streets, he was informed that such a location was first residential. Mr. Hall further stated that all property on the side on which it is proposed to rezone, down to Mission Street, is zoned commercial, but that only two per cent of it is actually used commercially.

Communication.

The Clerk read a communication from the Upper Noe Valley Improvement Association, urging that the City Planning Commission be overruled.

Question Put.

The President of the Board then put the question to the members as follows:

"A vote 'Aye' overrules the City Planning Commission and approves the rezoning. A vote 'No' sustains the Commission and denies the rezoning."

The Clerk thereupon presented the following:

Disapproving Decision of City Planning Commission by Its Resolution No. 3823 Denying Application to Rezone Property Located on the Northwest Corner of Twenty-ninth and Castro Streets from First Residential District to Commercial District.

File No. 6519, Resolution No. . . . (Series of 1939).

November 13, 1950—Consideration continued to November 20, 1950.

The roll was thereupon called and the foregoing measure was *refused adoption* by the following vote:

Ayes: Supervisors Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—6.

Noes: Supervisors Christopher, Fazackerley, MacPhee, J. Joseph Sullivan—4.

November 13, 1950—Consideration continued to November 20, 1950.

Discussion.

The President informed the members that it required eight votes to pass the foregoing measure because of a deficiency in the Municipal Railway.

Supervisor Gallagher thereupon inquired of Mr. Walker Peddicord, Deputy City Attorney, if the President's statement was correct. Thereupon the roll was called and the foregoing measure *lost* by the following vote:

Resumption of Consideration of File No. 6545, Hearing of Appeal from the Decision of the City Planning Commission, by Its Resolution No. 3843, Denying Application to Rezone Property Located on the West Line of Mission Street, South of Onondaga Avenue, from First Residential District to Commercial District.

Privilege of the Floor.

The privilege of the floor was extended to the following:

Eugene H. O'Donnell, attorney-at-law, presented the appellant's side of the picture, by stating that the rezoning was desired for the purpose of providing storage space for Priola Bros.' commercial vehicles. Mr. O'Donnell stressed the fact that Safeway Stores, located but a short distance from his client's establishment, was successful in rezoning a portion of its property to commercial use and that the action of the City Planning Commission in denying Priola Bros.' application was unjust and unfair. Further, he stated that certain stipulations were tendered to the City Planning Commission but were rejected.

Mr. Paul Oppermann, Director of Planning, informed the Board of the difference in principle between the rezoning of the Safeway Stores' property and that requested by Priola Bros., in that the Safeway Stores' request was based upon the fact that the space rezoned would accommodate a great many automobiles while Priola Bros.' request for rezoning, if granted, would merely be instrumental in only taking care of the company's cars. Mr. Oppermann stressed the fact that should the Board override the decision of the City Planning Commission, it should bear in mind the fact that commercial properties may be constructed within a few feet of a first residential area.

A representative of the Alemany District Council of Improvement Associations spoke against the appeal.

Discussion.

Supervisor MacPhee expressed the opinion that he could not see the difference between the two applications; both had to do with the parking of cars and to permit the rezoning of one area and not the other did not make sense.

Supervisor Fazackerley asserted that it was his understanding that any stipulations which the Board would receive would not go with the land; that is, in the event the property is sold, the stipulations would not be binding on subsequent owners.

Request for Written Opinion.

Supervisor Fazackerley requested that the Clerk obtain a written opinion from the City Attorney if it is possible for the Board to accept stipulations offered by the appellant, which were originally rejected by the City Planning Commission, and if the Board should accept them, if again offered by the appellant, would they be legally binding should the City Planning Commission be overruled.

No objection and Clerk directed to comply.

Motion to Continue Consideration.

Supervisor Gallagher moved, seconded by Supervisor J. Joseph Sullivan, that consideration of the foregoing be continued for a period of one week in order to permit the City Attorney to render the desired opinion.

Motion seconded by Supervisor J. Joseph Sullivan.

Privilege of the Floor.

The privilege of the floor was extended to Dr. J. C. Geiger, Director of the Department of Public Health, who explained that the position was created several years ago at the request of the Director of Public Health and a great many civic organizations, and that during deliberations of the 1950-51 budget, it was deleted. Further, the State Department of Public Health has stressed necessity for the creation of the position.

The Clerk at this juncture read a communication from Dr. Halvorsen, Director, State Department of Public Health, who urged the creation of the position, climaxing his statement with the remark that if such position is not reestablished, San Francisco might suffer the loss of certain subventions.

Supervisor MacPhee expressed the opinion that he considered the creation of such a position a fit subject at budget time and stated that he did not particularly relish the tone conveyed in Dr. Halvorsen's letter, which hinted an indirect attempt to run the Department of Public Health.

The Chief Administrative Officer, Thomas A. Brooks, assured the Board that regardless of the tenor of the letter of Dr. Halvorsen, the necessary subventions would be forthcoming.

Thereupon the roll was called and the foregoing measure was passed for second reading by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Halley, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—7.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

THURSDAY, NOVEMBER 30, 1950—4:00 P. M.

In the Board of Supervisors, San Francisco, Thursday, November 30, 1950, 4:00 p. m.

The Board of Supervisors met in special session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—11.

Quorum present.

President George Christopher presiding.

NEW BUSINESS.

Adopted.

The following recommendations of County, State and National Affairs Committee were taken up:

Present: Supervisors Gallagher, Fazackerley, Mead, John J. Sullivan.

Declaring Existence of a Shortage of Rental Housing Accommodations Which Requires Continuance of Rent Control Until June 30, 1951.

File No. 6549, Resolution No. 10575 (Series of 1939).

Discussion.

Walker Peddicord, Deputy City Attorney: The legislation now pending is, first, an emergency measure, then a similar ordinance to be passed to second reading. There is also a resolution extending rent controls and if the Board sees fit to extend rent controls, then the order of action would be: (1) adoption of resolution extending rent control; (2) passage of the emergency ordinance, and (3) passage of the measure to second reading.

Supervisor MacPhee stated that his investigation has revealed 12.9 per cent vacancies exist in rental units charging \$95 per month or more; 16.4 per cent vacancies occur in rental units charging \$105 a month or more, and that he could not vote for continuance of rent controls under these circumstances.

Accordingly, Supervisor MacPhee moved, seconded by Supervisor Lewis, that the foregoing measure be amended to provide that rental housing accommodations charging \$85 or more a month shall be eliminated from rent control. Supervisor MacPhee then proceeded to request that Deputy City Attorney Peddicord prepare the resolution, as amended, in proper form.

Supervisor Gallagher expressed the belief that the Board of Supervisors must take definite action within a certain period of time to

extend rent controls, and that insofar as efforts to delete certain rental housing accommodations from the provisions of the rent control measure are concerned, such efforts should be directed to the Rent Advisory Board. Supervisor Gallagher concluded by stating that if the pending resolution could be amended, without harm, as suggested by Supervisor MacPhee, he would go along with it.

Supervisor Mancuso asked Mr. Peddicord if it would be legal to amend the resolution, and Mr. Peddicord replied that it was his considered opinion and upon advice received from Washington that such action would not be legal.

Expression of Opinion.

Supervisor MacPhee stated that he concurred with the opinion expressed by Supervisor Mancuso that there should be no discrimination, and that if controls are to be continued, everything else should be controlled. Supervisor MacPhee ventured the opinion that while he believed his statement would not find favor with everyone, he felt that he should make his position perfectly clear. The Supervisor agreed that there was merit in continuing rent control on accommodations charging under \$85 per month but that those over should be decontrolled. The Supervisor concluded his statement by reaffirming his belief in the preservation of American enterprise and that there should be either full control or none at all.

Supervisor Lewis: Two arguments have been presented by Supervisor MacPhee. One I am against, and am in favor of the other. I am in favor of keeping rent controls on those premises of low income groups. I feel it would be disastrous to take off these controls at the present time. On the other hand, Supervisor MacPhee originally raised and brought up another philosophy that certain apartments and flats in San Francisco in the higher brackets should be decontrolled and I am in sympathy with that. There are apartments, 10 or 11 rooms, 4 bedrooms, people who can afford to pay \$85 to \$400 or \$500 per month. The City Attorney now says that Supervisor MacPhee's amendment if carried by the Board is dangerous. The City Attorney's opinion has been given, not only as his opinion but from higher authorities in Washington so I am compelled to ask the maker of the motion to allow me to withdraw my second, and urge that he join with me in voting for the resolution.

There being no objection, Supervisor Lewis withdrew his second, whereupon Supervisor Mead extended a courtesy second to Supervisor MacPhee's amendment.

Supervisor Lewis urged Supervisor Mead to withdraw his courtesy second as he felt such action would place the Board in a peculiar position.

Supervisor Mead stated that his courtesy second was extended with the feeling that the Board should vote on the matter.

Supervisor Lewis stated that his negative position on the amendment did not mean that he was not in favor of the purport of the amendment, but merely based on the ruling of the City Attorney that affirmative action would place the entire legislation in jeopardy.

Supervisor Christopher wanted the record to show that his views coincided with those expressed by Supervisor Lewis.

At this juncture, Supervisor MacPhee asked Mr. Peddicord to read the draft of his proposed amendment; Mr. Peddicord did so, but wanted the record to show that notwithstanding preparation of the legislation by himself, he did not consider it legal.

The roll was thereupon called on Supervisor MacPhee's proposed amendment and it lost by the following vote:

Ayes: Supervisors MacPhee, Mead—2.

Noes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, Mancuso, McMurray, J. Joseph Sullivan, John J. Sullivan—9.

The roll was then called on the resolution and it was adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, Mancuso, McMurray, J. Joseph Sullivan, John J. Sullivan—9.

Noes: Supervisors MacPhee, Mead—2.

Explanation of Vote by Supervisor Mead.

Supervisor Mead stated that while he voted negatively on the measure heretofore presented, he is convinced that he has made a mistake and thus reserves the right to change his mind.

Suspension of the Rules.

Supervisor Mead, seconded by Supervisor John J. Sullivan, moved suspension of the rules for the immediate consideration of the legislation.

No objection and motion *carried*.

Discussion.

Supervisor Mancuso: Believe that if the Board takes any action, the only action should be urging the Civil Aeronautics Board to give consideration to the continuance of the direct line from San Francisco to Washington, D. C. It is bad legislation to enact anything like this without knowing the full story.

Substitute Presented.

Supervisor Mancuso presented the following substitute resolution:

Urging the Civil Aeronautics Board to Give Favorable Consideration to the Continuance of United Air Lines' Direct Route Between San Francisco and Washington, D. C.

File No. 6707, Resolution No. (Series of 1939).

Privilege of the Floor.

Supervisor Mead, seconded by Supervisor Lewis, moved privilege of the floor for Mr. Ruddick of the United Air Lines.

No objection and motion *carried*.

Mr. Ruddick: This matter is brought about by the fact that for the past year the Civil Aeronautics Board has been considering discontinuing the United Air Lines service from Chicago to Washington.

Supervisor Lewis inquired of Mr. Ruddick whether or not there was anything wrong with the substitute resolution as presented by Supervisor Mancuso.

Mr. Ruddick: Believe the original resolution would be stronger.

Supervisor J. Joseph Sullivan: Believe that before the Board acts on this matter it should receive the recommendation of the Public Utilities Commission.

Temporary Postponement.

Supervisor Mead, seconded by Supervisor Gallagher, moved that the matter be temporarily postponed.

No objection and motion *carried*.

SPECIAL ORDER—2:00 P. M.

The following was taken up:

Hearing of Appeal from Decision of City Planning Commission by Its Resolution No. 3843, Denying Application to Rezone Property Located on the West Line of Mission Street South of Onondaga Avenue, from First Residential District to Commercial District.

File No. 6545

November 27, 1950—Consideration continued to December 4, 1950.

Communication.

Legal opinion from the City Attorney, relative to Board of Supervisors' power to consider stipulation on appeal from City Planning Commission.

Ordered filed.

Discussion.

Mr. D. H. O'Connel, attorney for the appellant, informed the Board that his client would be glad to present a declaration or restriction which would run as a covenant with the land to prohibit the construction of any structure on the property without the permission of the City Planning Commission; that the property would not be used for any purpose other than an automobile lot except with the permission of the City Planning Commission and that Alemany Boulevard would not be used for ingress or egress.

Mr. Oppermann, Director of Planning, stated that the Planning Commission was opposed to this even though the appellant would make these stipulations. The application for zoning was from First Residential to Commercial and not to Restricted Commercial. With the change this land would be commercial but it would border on light industrial which is not permitted in First Residential.

Mr. L. M. Donovan, representing the Alemany Council of Improvement Clubs, remarked that the people in the area are opposed to the proposed rezoning.

Motion to Temporarily Postpone.

Supervisor MacPhee, seconded by Supervisor Gallagher, moved temporary postponement.

No objection and motion *carried*.

Passage for Second Reading as Amended.

The Board resumed its consideration of the following file:

Appropriating \$1,020, Fire Department, to Provide for Vacation Relief for Personnel Detailed to Fire Boats; an Emergency Measure.

File No. 6426, Ordinance No. . . . (Series of 1939).

November 27, 1950—Re-referred to Finance Committee.

Mr. Peddicord, Deputy City Attorney, in answer to inquiry informed the Board: A motion to amend the title and strike Section 2 would then leave the ordinance in proper and routine form.

Supervisor Mancuso: Desire to know whether this matter can be changed from an emergency to a regular ordinance.

Mr. Peddicord: If money is from the Emergency Reserve Fund then it requires nine votes, but if it is an emergency pursuant to Section 16 of the Charter then it may be changed from an emergency ordinance to a regular ordinance requiring only six votes.

Motion to Amend Carried.

The motion to amend by deleting reference to an emergency was carried by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Fazackerley, MacPhee, Mancuso—3.

The foregoing, amended as stated above, was passed for second reading by the following vote:

Ayes: Supervisors Christopher, Gallagher, Halley, Lewis, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Fazackerley, MacPhee, Mancuso—3.

Motion to Recess.

Supervisor MacPhee, seconded by Supervisor Mancuso, moved that the Board recess for a period of five minutes.

Discussion.

Mr. M. Smith, representing the Public Utilities Commission, informed the Board the Public Utilities Commission has approved the original resolution as submitted to the Board today.

Supervisor Mancuso: Will not vote for any resolution except the substitute.

Supervisor Fazackerley: I believe that there is no question as to the action we should take in this matter. We should adopt the original resolution.

Discussion.

Supervisor Lewis: Desire to know from the City Attorney why this matter is on the calendar.

Mr. Peddicord: The City Attorney has rendered an opinion on this matter and it is legally before the Board.

Supervisor Lewis: This is a matter for the Police Department and not the Board of Supervisors. In the future these matters should be sent to the Police Department for their action.

Motion to Recommit.

Supervisor Lewis, seconded by Supervisor McMurray, moved that the matter be re-referred to Police Committee.

Mr. Peddicord: It is true that the opinion points out the fact that under Section 35 of the Charter the matter of regulating traffic is within the jurisdiction of the Police Department but the matter before you is whether or not it will be a misdemeanor to violate a stop sign at a given intersection. By the Board enacting the legislation it would be possible to enforce the legislation in the courts.

Lt. Murray, San Francisco Police Department: The local legislative body must authorize the stop signs to be installed before a violation shall be punishable. In order to be valid it must be approved by the local legislative body.

Motion to Continue Consideration.

Supervisor Fazackerley, seconded by Supervisor Lewis, moved as an amendment that the matter be continued for one week.

Mr. Peddicord: Section 459g of the Vehicle Code provides that local authorities might adopt rules and regulations designating any highway as a "through highway" or designating any intersection as a "stop intersection." Under the Charter, Section 35 provides that regulation of traffic shall be in the hands of the Police Department. The Traffic Code, in Section 26, refers to the Vehicle Code, Section 12 grants permission to the Police Commission to regulate traffic in whatever manner they deem necessary. The act of the Police Department alone in placing signs does not make a violation a misdemeanor, the Board must authorize the installation of signs.

Motion to continue consideration *defeated* by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Lewis, McMurray, Mead—5.

Noes: Supervisors Gallagher, Halley, MacPhee, Mancuso, J. Joseph Sullivan, John J. Sullivan—6.

The Public Utilities Commission offered the line for sale for \$65,000.

Leslie Salt Company has stated that it would be possible for them to construct a similar pipe line, over the same territory at a cost of \$35,000 and would not be interested in the line at \$65,000.

Announcement of Committee Meeting.

Supervisor Halley announced a meeting of the Joint Streets and Public Buildings, Lands and City Planning Committee for Wednesday, December 6, 1950, at 3:30 p. m.

Reference to Committee.**Investigation Relative to Space Necessary to Permit the Efficient Operation of the Board of Education.**

Supervisor Mancuso explained that he had been informed that the Board of Education had expressed a desire to build an office building on private property and pay approximately \$100,000 per year for rent. It is my opinion that the Board of Education should be moved to Commerce High School, where they would have more room and better facilities.

Supervisor MacPhee: When this matter originally came up I asked why the Board of Education could not use Commerce High School. Dr. Clish made a survey in this matter. If the Board of Education uses Commerce High School that would mean that more than 550 students would have to go to other schools.

The Board of Education has called for bids on the construction of a new building. No decision has been made on this matter. Before we take action in this matter we should have complete information.

Supervisor Mancuso requested of the Chief Administrative Officer that information be supplied the Board as to the amount of square

feet now being used by the Board of Education at the Civic Auditorium.

Mr. Brooks replied that he would furnish the desire information.
Referred to Public Buildings, Lands and City Planning Committee.

Discussion.

Supervisor Gallagher read a portion of a report prepared for him by Errol Rosenthal, the Board's Cost Analyst, which purports to show that no additional subventions would be forthcoming in the event the position of Chief, Division of Public Health Education, is created, and accordingly stated he would vote against the appropriation.

Chief Administrative Officer Thomas A. Brooks asserted that state subventions for public health purposes are used in those departments where the need is most urgent. In other words the funds are used for the support and advance of preventive medicine.

Supervisor MacPhee reiterated his oft-repeated stand that the subject matter is one that should properly be considered at budget time.

Thereupon the roll was called and the foregoing measure was *finally passed* by the following vote:

Ayes: Supervisors Fazackerley, Halley, Lewis, McMurray, J. Joseph Sullivan, John J. Sullivan—6.

Absent: Supervisors Mancuso, Mead—2.

Resumption of Consideration of Matter Dealing With Discussion of Negotiations for Sale of Unused Pipe Line Under San Francisco Bay, Running from Newark to Redwood City.

Supervisor Fazaackerley explained that he had heard from two sources that certain people were interested in purchasing the above described pipeline; that the only bid received by the Public Utilities Commission was from the Leslie Salt Company which made an original offer of \$20,000 and later raised it to \$25,000. The Public Utilities Commission then took the matter under advisement and later established a price of \$65,000. The Supervisor concluded by stating that it was his understanding that such a pipe line could be built for a price of some \$35,000.

Privilege of the Floor.

The privilege of the floor was extended to Mr. Philip Landis, President of the Public Utilities Commission, who stated that with respect to the subject pipeline, opinions differ. In his opinion, he was against the principle of giving up rights-of-way, such as the subject pipeline, because should the necessity arise in the future to reacquire it, its purchase might prove most difficult. A lease arrangements might be worked out with a revocation clause in it. However, the Public Utilities Commission, in the final analysis, determined that some day, under certain conditions, the pipeline might be worth \$65,000.

Supervisor MacPhee asked Mr. Landis what, in his opinion, was the value of the pipeline, to which Mr. Landis replied: "Anywhere from \$40,000 to \$100,000."

Supervisor MacPhee declared that for many years the Public Utilities Commission was a hoarder of surplus property but that recently it had disposed of a great many parcels, and the Supervisor felt that any piece, if not used, should be disposed of.

Mr. Edward B. Baron, member of the Public Utilities Commission, expressed the opinion that the subject pipeline was worth at least \$65,000, and that only a straight sale proposition was considered by the Commission.

Request of Supervisor MacPhee.

Supervisor MacPhee requested that an evaluation be obtained of the subject pipeline and the amount of taxes being paid on it. No objection and Clerk directed to obtain the information.

At this point discussion was terminated and *no Board action taken.*

Appearance of Mr. U. P. Bronsdon, Upon Application Made Pursuant to Provisions of the State Welfare and Institutions Code, to Show Cause Why the Action of the Board of Supervisors in Fixing the Amount of His Old Age Security Grant Is Not Satisfactory.

Privilege of the Floor.

Mr. Ronald H. Born, Director, Department of Public Welfare, was granted the privilege of the floor, and explained the action of the Commission with respect to the application of Mr. Bronsdon, and stated that the Board of Supervisors must either grant or deny aid in accordance with the provisions of the Welfare and Institutions Code.

Mr. U. P. Bronsdon explained his reason why he believed he should be granted additional aid.

Supervisor John J. Sullivan inquired of the Deputy City Attorney if the Board had the power to grant Mr. Bronsdon the additional aid sought. Mr. Peddicord replied to the effect that Section 2020 of the Welfare and Institutions Code established the procedure for arriving at the proper amount, and that the Board had fifteen days under Section 2181.1 of the Welfare Code within which to reach a decision.

Amendment.

Supervisor John J. Sullivan moved, seconded by Supervisor Lewis, that the application for additional aid filed by Mr. Bronsdon be granted, in other words increase the amount of grant received from \$57.95 to \$65.00 per month.

Mr. Born, Director, Department of Public Welfare, advised the Board that to grant Mr. Bronsdon the increase desired would be a violation of the rules and regulations of the State Social Welfare Board, and such action on the part of the Board may result in withholding of federal and state aid to the city and county.

Supervisor Lewis voiced his opinion to the effect that it was about time the Board ascertained just what powers it had in matters of this kind; that it was a useless gesture to hear appeals of this nature and then be told that while the Board had the power to hear such appeals, it did not have any authority to remedy a situation when found to be intolerable.

Substitute Motion.

Supervisor Halley moved, as a substitute, seconded by Supervisor Fazackerley, that consideration of the foregoing matter be continued for a period of one week.

Motion carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Mancuso—1.

(See later action for rescission and continuance for two weeks.)

Appearance of Mrs. Amy Cogley, Upon Application Made Pursuant to Provisions of the State Welfare and Institutions Code, to Show Cause Why the Action of the Board of Supervisors in Fixing the Amount of Her Old Age Security Grant Is Not Satisfactory.

Communication was read from Mrs. Cogley to the effect that she would be unable to appear before the Board due to illness.

Opinion Re Consideration of Appeal Matters in Committee.

Supervisor MacPhee inquired of Mr. Peddicord, Deputy City Attorney, whether appeal matters such as the foregoing may be first considered in committee before Board consideration, and Mr. Peddicord replied to the effect that so long as nothing is done to interfere with the right of the applicant to have a hearing, he saw nothing wrong in first considering the matter in committee.

Motion to Determine When Mrs. Cogley May Be Able to Appear.

Supervisor John J. Sullivan moved, seconded by Supervisor Fazackerley, that the foregoing matter be continued for a period of one week, and further, that the Clerk ascertain when Mrs. Cogley may be available to appear before the Board.

No objection and motion carried.

Appearance of Mr. Oswald A. Willing, Upon Application Made Pursuant to Provisions of the State Welfare and Institutions Code, to Show Cause Why the Action of the Board of Supervisors in Fixing the Amount of His Old Age Security Grant Is Not Satisfactory.

Mr. Willing was granted the privilege of the floor and explained his appeal.

Mr. Ronald H. Born, Director of Public Welfare, explained the circumstances of Mr. Willing's case.

Motion to Continue Consideration.

Supervisor Lewis moved that consideration of the foregoing measure be continued for a period of one week and that the City Attorney be requested to give his interpretation of the rulings of the Public Welfare Department in the cases of Bronsdon, Cogley and Willing. Motion seconded by Supervisor John J. Sullivan.

Substitute Motion.

Supervisor John J. Sullivan moved as a substitute that consideration of the foregoing measure be continued for a period of two weeks. Motion seconded by Supervisor Lewis, and carried by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Gallagher, Halley, Lewis, MacPhee, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—10.

Absent: Supervisor Mancuso—1.

Request for Opinion.

No objection and Clerk directed to procure such an opinion.

Rescission of Previous Action.

Supervisor Halley moved, seconded by Supervisor John J. Sullivan, that the Board rescind its previous action taken in the case of the appeal of U. P. Bronsdon when consideration of such an appeal was continued for a period of one week.

No objection and motion *carried*.

Supervisor Halley then moved, seconded by Supervisor John J. Sullivan, that consideration of the Bronsdon appeal be continued for a period of two weeks.

Supervisor MacPhee moved adoption of the measure. Motion seconded by Supervisor Mancuso.

Privilege of the Floor.

The privilege of the floor was first extended to Mr. Phil Landis, President of the Public Utilities Commission, who stated that the fundamental principle considered by the Public Utilities Commission in its consideration of the proposed rates, is based upon the question of whether every effort should be made to bring the airport up to a self-sustaining level or whether it should continue to receive tax support.

Mr. A. R. Thompson of Trans-World Airlines spoke for the airline group, and expressed its opposition on the grounds that the rates were discriminatory in their application; that the charges vary in comparison with rates charged by other air terminals. However, the air lines are perfectly willing to sit down with management and attempt to work out an equitable scale of rates.

Mr. George Fox of the American Airlines also expressed the opinion that the proposed rates were discriminatory; that the airline people have a great deal of confidence in George Dixon, the Airport Manager, and that the problem of rates can be successfully attacked and a constructive solution reached if more study and a round-table discussion can be had by all the airlines concerned.

A representative of the San Francisco Chamber of Commerce did not speak for or against the proposed rates but merely stressed the business accruing to San Francisco as a result of airport operations.

Motion to Rise and Report.

Supervisor Mead moved, seconded by Supervisor Mancuso, that the Board rise and report.

No objection and motion *carried*.

Explanation of Vote.

Supervisor Gallagher stated that he felt the overall picture should be thoroughly investigated; that every consideration should be given the airlines located at the airport who are trying to get by and that within the next six months the Public Utilities Commission should sit down with the airline people and attempt to work out a satisfactory solution to the existing problem, and warned that, if the matter is put to a vote today, he would vote against it.

Statement by Deputy City Attorney.

Walker Peddicord, Deputy City Attorney, advised the Board that eight votes would be required to disapprove the measure.

The roll was thereupon called and the foregoing measure was adopted by the following vote:

Ayes: Supervisors Christopher, Fazackerley, Halley, MacPhee, Mancuso, Mead, John J. Sullivan—7.

SPECIAL ORDER—3:00 P. M.**Reference to Judiciary Committee.**

Appearance of the Honorable Clarence W. Morris, Judge Pro Tem of the Superior Court, in Response to Invitation of the Board, for Discussion of Suggested Improvements in Certain Phases of Case Preparation Concerning Litigation in Which the City and County Is a Party, Particularly in Personal Injury Actions, in Order That the Interests of the City and County May Be Better Protected.

December 11, 1950—Discussion continued to December 18, 1950.

Privilege of the Floor.

The privilege of the floor was accorded the Honorable Clarence W. Morris, Judge of the Municipal Court, who stated that he was appearing before the Board, not as an official of the city, but in the role of an ordinary citizen. Mr. Morris stated that he had absolutely no criticism to make of the conduct of the City Attorney's office and that it was doing an excellent job with the facts that they were able to accumulate involving accident cases, apart from those involving the Municipal Railway. The Judge stressed the fact that the City Attorney's office was greatly handicapped in the preparation of cases involving accidents because all pertinent data which would be invaluable to them during the hearing on the case could not be obtained and when such data was made available, it would be the result of many months' work. Mr. Morris concluded his remarks by suggesting the creation of a Claims Investigating Bureau, totally disconnected from the City Attorney's office, whose function it shall be

to obtain all data required by the City Attorney's office in the preparation of any case. In this way, thousands of dollars would be saved the city's taxpayers and would more than offset the cost that would accrue as a result of the formation of the Claims Bureau.

Mr. Dion R. Holm, City Attorney, wholeheartedly approved the suggestion looking to the creation of a Claims Investigating Bureau.

Supervisor Christopher suggested that the matter of looking into the practicability and feasibility of creating a Claims Investigating Bureau be referred to the Judiciary Committee for study. Accordingly, on motion duly made, seconded and carried, the foregoing subject was referred to the Judiciary Committee.

Suspension of Rules.

Supervisor J. Joseph Sullivan moved, seconded by Supervisor Mancuso, that the rules be suspended for the purpose of considering the following measure out of order.

No objection and motion *carried*.

Before the measure was actually presented to the Board for its consideration, the privilege of the floor was accorded to Dr. Herbert C. Clish, Superintendent of Schools, who explained that it was necessary to obtain the Board's approval of a resolution which determined the need of continuing temporary war Housing Project No. CAL. V-4372, adjoining San Francisco City College, which project houses many veterans who are attending City College, in order to assure the continuance of such housing.

The Clerk read the following measure:

SPECIAL ORDER—2:00 P. M.

City Planning Commission Overruled.

Hearing of Appeal from Decision of City Planning Commission by Its Resolution No. 3854, Disapproving Application to Rezone Property Located on the North Line of Geary Street West of the Westerly Line of Franklin Street, from Second Residential District to Commercial District.

File No. 6703

Privilege of the Floor.

The privilege of the floor was extended to the following:

Proponent: Mr. Matt W. Schmitt, who explained that his appeal was based on the following reasons: That 70 per cent of the block on which his vacant lot is located, is already zoned commercial or light industrial; that not a single objection has been made by any of the owners of properties within a 300-foot radius of his property; that Geary Street is a well-known commercial area, and that it is his intention to construct a store and apartment on the land in question. Further, the City Planning Commission had seen fit some time ago to rezone property located on the corner of Gough and Geary to commercial use and certainly could not see why his application should be denied.

Mr. Bryant Hall, representing the City Planning Commission, explained that the Commission's decision was based on the fact that

the established uses in the block are either residential or of a residential character and that to rezone the subject parcel to commercial would, in effect, constitute spot zoning, and further, the Commission was unanimous in its decision in rejecting the application.

Supervisor Fazackerley voiced the opinion that he could not quite understand the logic of the City Planning Commission in denying Mr. Schmitt's application and yet permitted the rezoning of another piece of property located on the northeast corner of Geary and Gough Street to commercial use some time ago.

Mr. Bryant Hall stated that the records of the City Planning Commission showed that the reason why the building located at the northeast corner of Geary and Gough was rezoned to commercial was due to the statement made by the applicant, Mr. A. P. Sofos, that he intended to tear down his building and construct in lieu thereof, a one-story store building.

Motion to Defer Consideration.

Supervisor Fazackerley moved a week's postponement so that he could inspect the property in question. Motion seconded by Supervisor MacPhee.

Motion lost by the following vote:

Ayes: Supervisors Fazackerley, MacPhee, J. Joseph Sullivan—3

Noes: Supervisors Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—7.

Absent: Supervisor Christopher—1.

Thereupon the Clerk read the following:

Adopted.

Disapproving Decision of the City Planning Commission by Its Resolution No. 3854, Denying Application to Rezone Property Located on the North Line of Geary Street West of the Westerly Line of Franklin Street, from Second Residential District to Commercial District.

File No. 6703, Resolution No. 10630 (Series of 1939).

Explanation of Voting.

President Pro Tem. Supervisor Mead explained the voting on the foregoing as follows:

A vote "Aye" overrules the City Planning Commission and grants the appeal; a vote "No" denies the appeal and sustains the Planning Commission.

Thereupon the roll was called and the foregoing measure was adopted by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, Mancuso, McMurray, Mead, John J. Sullivan—8.

Noes: Supervisors MacPhee, J. Joseph Sullivan—2

Absent: Supervisor Christopher—1.

City Planning Commission overruled.

File No. 5325

Supervisor Halley moved, seconded by Supervisor Mead, that the foregoing measure be referred to the Streets Committee.

No objection and motion *carried*.

Legislation Considered Out of Order.

Suspension of the Rules.

Supervisor Gallagher moved the suspension of the rules so that the following calendar matter, a recommendation of the Joint Public Buildings, Lands and City Planning and Streets Committee, may be taken up out of order. Motion seconded by Supervisor MacPhee.

No objection and motion *carried*.

Present: Supervisors Lewis, Mead, J. Joseph Sullivan, John J. Sullivan.

Adopted.

(Supervisor J. Joseph Sullivan dissenting.)

Approving Map of Midtown Terrace Subdivision and Declaring Glenview Drive and Dawnview Way to Be Open, Public Streets.

File No. 5201, Resolution No. 10645 (Series of 1939).

(In conformity with Master Plan.)

Communications Read.

The Clerk read the following communications: (1) from the San Francisco Housing and Planning Association, urging disapproval of map; (2) Opinion from the City Attorney, No. 153, advising that the Board of Supervisors had no power to overrule the neighborhood pattern, and (3) copy of letter from the West of Twin Peaks Central Council asking for a review of the map.

Supervisor J. Joseph Sullivan asked Deputy City Attorney Walker Peddicord if the City Attorney's opinion of April 10 was still binding upon the Board, to which query Mr. Peddicord replied that after a review of the opinion and others rendered, he could find that the Board had no alternative but to approve the map.

Supervisor J. Joseph Sullivan: Then your answer to me is that we have no alternative but to approve the map?

Mr. Peddicord: Assuming that the final map conforms to the provisions of the Business and Professions Code and to local ordinances, the Board must approve the map.

Mr. Lloyd Whaley of the Engineering Department advised that there was a small variation as between the tentative and final maps.

Supervisor J. Joseph Sullivan: Is it still mandatory upon this Board to approve the map in view of the variation?

Mr. Peddicord: I could not make the same decision if the changes have been substantial. If the map differs in a substantial way, no court will give it any importance.

Supervisor Fazackerley: With respect to the existence of a 25-foot pattern in Midtown Terrace, I would like to know on what basis the City Planning Commission holds that a 25-foot neighborhood pattern exists in this area.

The query was directed to Bryant Hall, Chief City Planner, who requested that the question be passed on to the Chief Administrative Officer for response.

Mr. Brooks: This matter first came before the Planning Commission. At that time I voted against the plan to subdivide. The subdivider applied for a rehearing and presented evidence, which, in my opinion, substantiated the existence of a pattern, a division into 25-foot lots, which was further substantiated by tax bills.

Committee of the Whole.

Supervisor Mancuso moved that the Board resolve itself into a Committee of the Whole for the purpose of hearing from interested parties. Motion seconded by Supervisor McMurray.

Point of Order.

Supervisor Lewis rose to a point of order, contending that the City Attorney had rendered an opinion that the Board could not consider the subject matter on its merits, and to sit in committee of the whole merely to hear from people on a matter over which the Board has no jurisdiction would be an idle gesture.

Point of Order Not Well Taken.

President Pro Tem. Supervisor Mead ruled the point of order not well taken, ruling that while the sitting in committee of the whole would not be parliamentarily correct, it would still be morally correct.

Thereupon the roll was called and the motion to resolve into a Committee of the Whole carried by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Mancuso, McMurray, Mead, J. Joseph Sullivan, John J. Sullivan—8.

Noes: Supervisors Lewis, MacPhee—2.

Absent: Supervisor Christopher—1.

Supervisor Mancuso moved, seconded by Supervisor J. Joseph Sullivan, that the President Pro Tem of the Board sit as Chairman of the Committee of the Whole.

No objection and motion carried.

Privilege of the Floor.

The privilege of the floor was extended to the following:

Dr. George Lister, representing the West of Twin Peaks Council, who asked for a week's postponement of the measure, stating that he desired to discuss it with his group.

Mr. M. C. Hermann, representing the Veterans of Foreign Wars, who urged approval of the map.

Mr. Carl Gellert, representing Atlas Realty Company, who also urged approval of the map, and made the unqualified statement that it was his intention to develop the rest of the land in the Twin Peaks area into 33-foot lots. Mr. Gellert stated that he told the West of Twin Peaks Council that it would be given a copy of the subdivider's map when the new subdivision is approved.

Mr. J. L. Hogg, President of the San Francisco Building and Construction Trades Council, also urged speedy passage of the measure.

Mr. Milton W. Morris, Executive Secretary, Associated Home Builders, also urged quick approval, stating that a federal freeze order might jeopardize the construction of the much needed housing.

Motion to Rise and Report.

Supervisor Halley moved, seconded by Supervisor Mancuso, that the Committee of the Whole rise and report.

No objection and motion carried.

The roll was thereupon called on the subject measure and it was adopted by the following vote:

Ayes: Supervisors Fazackerley, Gallagher, Halley, Lewis, MacPhee, Mancuso, McMurray, Mead, John J. Sullivan—9.

No: Supervisor J. Joseph Sullivan—1.

Absent Supervisor Christopher—1.

Adopted.

(Supervisor J. Joseph Sullivan dissenting.)

File No. 6799, Resolution No. 10655 (Series of 1939).
